Steel Action Delayed as Talks Continue

Measure No. 4 Vote Solicited

Wagner Contacts All State Mayors

Mayor Edwin F. Radel today asked local voters to "give sincere consideration to supporting the position of the City of New York" as presented in Amendment No. 4 pertinent to its school bond issue.

New York's Mayor Robert F. Wagner, by telegram, has been asking support of other mayors in the state, and Mayor Radel received one today.

It emphasized that the city needs money for new schools, that the "whole issue is primarily a matter of local home rule on which we have always stood together as mayors, regardless of party."

Won't Cost Kingston

No party issue is involved, he stressed, "approved as it has been by the legislature of both parties, and governors of both parties." The people of upstate New York, he said, "will contribute not one cent, either directly or indirectly, to the payment of the bond issue funds."

Mayor Radel noted that "it has been clearly stated that a 'yes' vote on Amendment No. 4 does not in any way commit our city, or its people, to any financial encumberances, but does give referendum permission to the City of New York to carry out programs it feels are essential, and finance the programs without forfeiting any other service to their residents."

Napanoch Woman Is Indicted for Abandoning Baby

Mrs. Suzzane Bennett Valenti, 19, of Napanoch, was indicted by a Greene County grand jury Tuesday for abandonment of her five-day-old baby boy on Route 9-W near Ravena on August 21. The indictment was one of 21 returned by the jury in a report to Supreme Court Justice Herbert D. Hamm of Troy. Arraignments will be in Greene County court before Judge Ray C. Moon.

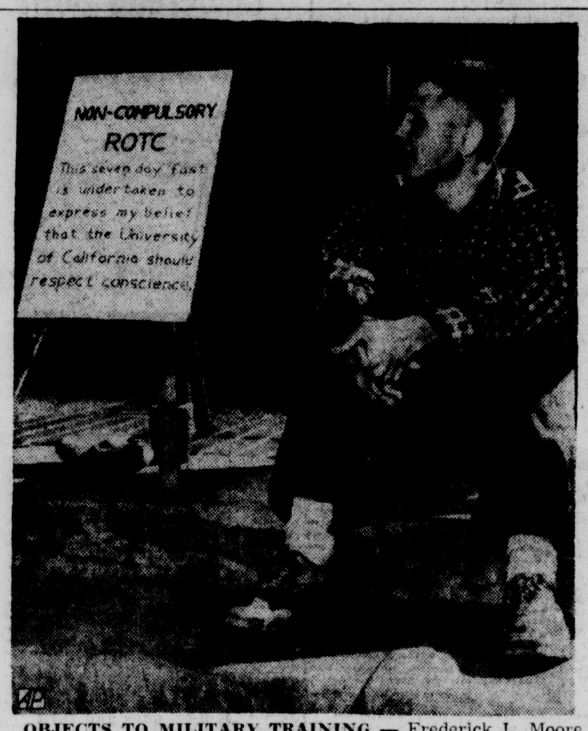
Mrs. Valenti was arrested on September 4 at her home.

Police charge that Mrs. Valenti is the mother of "Baby G," so named by nurses in Greene County Memorial Hospital, because State Troopers from Troop G investigated the abandonment. The baby was kept at the hospital for some time before being taken to a Greene County foster home under sponsorship of the County Welfare Department.

The baby was born August 17, in St. Luke's Hospital, Newburgh. Mrs. Valenti left the hospital the day before the baby was found abandoned in a basket on a dirt road near Route 9-W just outside Ravena. On the blanket of the four-day-old baby was its formula and there was clean clothing in the basket.

Identity of the baby remained a mystery until police were furnished with a description of Mrs. Valenti's baby by the hospital authorities. The description matched that of the abandoned child and on questioning, State Troopers said Mrs. Valenti admitted abandoning her child. Mrs. Valenti was married July 11 and police said she told her husband she had taken the child to New York City for adoption.

Arraigned before Justice of the Peace George Carl of Leeds, Mrs. Valenti was held for grand jury action and committed to Greene County jail.



OBJECTS TO MILITARY TRAINING — Frederick L. Moore, Jr., 18, son of an Air Force colonel, sits on steps of hall at the University of California in Berkeley where he has started a seven-day fast in protest against compulsory enrollment in the ROTC at the school. He listed himself as a conscientious objector to military training although he added that he is not a practicing member of any church. (AP Wirephoto)

Report Is Due From Ike on Space Race

By BEM PRICE

WASHINGTON (AP)—Secretary of the Army Wilber M. Brucker hinted today that the fate of the Army Ballistic Missile Agency, deeply involved in the space race with the Soviet Union, was settled at a White House conference today.

Brucker was a late—and not previously announced — participant in a meeting between President Eisenhower and his top space advisers. The session was set up to solve the problem of how to push the United States into stronger competition with the Soviets in the outer reaches.

In Province of Ike

Emerging from the talks some time after the others had left, Brucker was asked if there had been a decision on the missile agency and its crack team of space experts headed by Wernher von Braun.

He first replied that was a matter in the province of the President.

Asked if that meant there had been no decision, Brucker answered: "I didn't say that."

About the same time the White House said Eisenhower probably will make a statement about the meeting after he arrives in Augusta, Ga. The President left directly after his space conference for a five-day golfing vacation.

Agency, Project Questioned

Specific questions before the White House conferees included the disposition of the agency and specifically what to do about the Huntsville, Ala., project for development of the Saturn booster, a huge cluster of eight rockets with 1½ million pounds of thrust.

That is half again as much thrust as anything the Soviet Union is known to have and would hurl bigger payloads farther into space.

But the Pentagon does not need that much push for military rockets, and has been pulling back on supporting the program.

There has been talk that Saturn support might be shifted to the civilian National Aeronautics and Space Administration, and NASA at one time made a direct bid for the whole Huntsville operation.

The Saturn program has been suffering from malnutrition. Word

Migrant Worker Seized on Farm In Murder Probe

The Ulster County sheriff's office moved with dispatch Tuesday afternoon to arrest a man wanted in Chicago for murder.

At 2:40 p. m. Sheriff Claude Bell received a call from the Chief of Detectives of the Chicago Police Department asking for a check of migrant worker camps in the New Paltz area in an effort to locate one, Santiago Osorio, about 20, about five feet one inch tall, and weighing approximately 115 pounds. He was believed armed and could be considered dangerous.

Sheriff Claude Bell, Undersheriff Clayton W. Vredenburgh, County Investigator Arthur H. Brown and Deputy Sheriff Peter Peterson proceeded to the area.

Suspect Was Unarmed

At 3:50 p. m.—an hour and 10 minutes later — they arrested Osorio on a large fruit farm in the New Paltz section. He was employed there picking apples. He was unarmed at the ttime.

He was taken to the sheriff's office and fingerprinted. Identification Officer Earl Conro classified the prints and found they matched those of the man they were seeking.

Osorio, speaking broken English, denied that he was involved in the shooting. He admitted his identity, however. He had not changed his name.

He has been in this area work-

Says Jury Session Is Productive

Woodstock Board Members Appear

Special Attorney General Bernard Tompkins, special prosecutor in the Ulster County kickback probe, had no comment to make Tuesday afternoon following the appearance of the members of the Town Board of Woodstock before the special grand jury other than to say the session had been "very productive."

Following a policy which has been in vogue, the special prosecutor declined any comment on appearance of witnesses before the grand jury, or to give any information as to why the witness had been called or what their connection with the probe may have been.

Does Not Imply Any Wrong

It has been frequently stated by Special Attorney General Tompkins that appearances of witnesses before the grand jury does not imply that the witnesses are involved in any wrong set.

On August 14, last, the special grand jury returned an indictment charging Harry Bareika, Harry Bareika, Inc., the Walter Motor Truck Company of Ridgekood, Queens, and Rand MacMurray, Inc., of Huntington Station, L. I., with conspiracy to defraud the Town of Woodstock in sale of snow removal equipment. Pleas of innocent have been entered.

Whether the appearance of the town board members yesterday before the special grand jury was in connection with that matter was not disclosed.

More Frost Due For State; City Has Low of 35

ALBANY, N. Y. (AP) — Below-freezing temperatures laid frost on the pumpkins in much of New York State today.

Saranac Lake in the Adirondacks reported an overnight low of 12.

Kingston had an official low of 35 degrees, recorded at 5 a. m. today, the city engineer's office reported.

The sun soon erased the frost but more was expected in some areas tonight.

The Weather Bureau said low temperatures tonight again would range generally in the 20s and 30s, after 40s and 50s today. Thursday will be a little warmer, the bureau said.

Other sub-freezing temperatures early today included: Watertown 20; Massena 24; Utica, Oneonta and Syracuse 26; Albany and Glens Falls 31. (Whiteface Mountain 9).

Buffalo registered 32, Rochester and Poughkeepsie 33, Newburgh 34, Westhampton 42.

WORKERS PROTEST USE OF TAFT-HARTLEY ACT—Members of the United Steelworkers picketing the Homestead Works of U. S. Steel Corp. at Homestead, Pa., carry signs showing what they think of the government's use of the Taft-Hartley Act. (NEA Telephoto)

France in No Rush For East-West Talk

WASHINGTON (AP) — President Eisenhower met with Secretary of State Christian A. Herter today apparently to consider France's go-slow approach to an East-West summit meeting.

In a 40-minute conference at the White House the two were believed to have talked over ways to settle the backstage Allied dispute on the timing of a meeting with Soviet Premier Nikita Khrushchev.

Herter Declines Word

Afterward, Herter declined to say anything about their talk, leaving all that to the President.

While the two were in conference, the French government announced its approval in principle for an East-West summit meeting, but approached it as business for next spring.

Eisenhower is understood to have proposed a summit session of the Western powers early next month in Paris, preliminary to a possible session with Khrushchev in the first 10 days of December.

Two Ready to Accept

British Prime Minister Harold Macmillan and West German Chancellor Konrad Adenauer were reported ready to accept Eisenhower's plan but the Paris announcement in effect reaffirmed French President Charles de Gaulle's reluctance to hurry the matter.

Eisenhower and Herter appeared confident, however, that backstage talks would iron out this hitch within the next few days while the President golfs and rests in Augusta, Ga.

Would Go to Paris

Mainly to reassure De Gaulle, however, Eisenhower has expressed readiness to fly to Paris for the Western strategy meeting. Diplomatic authorities said such a parley could set a date for a Khrushchev meeting and agree on the issues the West wants to discuss.

Northway Section To Open Tuesday

ALBANY, N. Y. (AP) — A five and one-half mile section of the Albany-Canada Northway will be opened Tuesday.

Gov. Rockefeller will officiate at ceremonies dedicating the section at Albany.

The two three-lane surfaces, separated by a 36-foot mall, cost more than nine million dollars. Eight miles of accessways are included.

The strip begins at Washington Avenue in Albany and extends to the Troy-Schenectady road, which is Route 7.

Brothers Indicted In Shooting of Catskill Officer

Heyward Newcomb, 23, of Conesville, Schoharie County, was indicted by a Greene County grand jury Tuesday for attempted first degree murder in connection with the shooting of Catskill Patrolman Louis Jeune last Saturday. His brother Everett, 21, was charged with being an accessory to attempted first degree murder.

In addition the brothers were indicted on two counts each for third degree burglary, and one count of petit larceny and attempted burglaries. The burglaries and petit larceny were alleged committeed at Oak Hill and Greenville stores and the attempted burglary in a Norton Hill store, Greene county.

Everett was also indicted for "buying, receiving, concealing or withholding stolen or wrongfully acquired property". They will be arrainged before County Judge Roy C. Moon in Catskill on the charges.

Heyward has been questioned by Connecticut State police in connection with several crimes committed in that state.

Among the crimes which he was asked about was the hold-up of a Saybrook, Conn., taxi driver.

Both are also wanted in Delaware County for a series of burglaries and theft of the car which was involved in the Catskill shooting last Saturday.

Catskill Patrolman Louis Jeune attempted to stop the Newcomb brothers for a routine check early Saturday morning. They took off and were pursued by Jeune. Pulling into an abandoned gas station on Route 9-W north of Catskill, it is alleged Heyward opened fire with a high powered rifle when Jeune approached. He is still in Greene County Memorial Hospital with bullet wounds in the left shoulder, neck, chin and cheek. The two Newcombs were later apprehended by state troopers.

LETTER PUBLISHED—Shirley Mayberry, 14, a ninth grade student, is shown in Nashville, Tenn. She recently wrote to Soviet Premier Khrushchev, expressing her approval of his U. S. visit and a plea for peace on behalf of teenagers. The letter was published in the Soviet newspaper Pravda. (AP Wirephoto)

Typewriter Part Leads to Arrest For 5 Burglaries

Investigation of a letter arm broken from a typewriter which authorities say was stolen from a Town of Clinton home during a burglary, on Tuesday led to the arrest of two brothers on charges of burglarizing five homes early in September.

State Trooper Emmett Donohue of Rhinebeck Bureau of Criminal Investigation, identified the defendants as Clifford Robert Yager, 23, of Pleasant Valley, and Clarence Sidney Yager, 27, of 223 Smith Street, Poughkeepsie.

Donohue, who conducted the investigation with State Police Sergeant Samuel Crodelle, BCI, South Millbrook, and Poughkeepsie Detective Sergeant James Murphy, said the defendants waived preliminary hearing before Town of Clinton Justice of the Peace William Tompkins, who remanded the men to the Dutchess County jail without bail to await action of the grand jury.

Makes Escape Dash

While detained in Poughkeepsie police headquarters, Clarence Yager, who was handcuffed, asked for a drink of water. As he walked toward a water foun-

Conference Goes On in Chambers

Hearing Still Not Started at Noon

PITTSBURGH (AP)—Resumption of a federal court hearing to determine if a Taft-Hartley injunction will be used to end the 99-day steel strike was delayed today as the presiding judge pored over his law books and conferred with attorneys.

"He got up at the crack of dawn," said an aide of Judge Herbert P. Sorg.

Meeting Attorneys

The hearing, which began Tuesday, was to have resumed at 10 a.m. At noon, Judge Sorg was still in his chambers conferring with government attorneys and counsel for the United Steelworkers.

The delay presumably was caused by steel company objections to a union request that a retroactive pay clause be included in any injunction the court might decide to issue.

Brief Lists Objections

During the delay, company attorneys filed a legal brief stating their objections. They claimed such a clause would put the court in the position of "settling in favor of the union one of the most important terms of collective bargaining."

The retroactive pay clause proposed by the union would result in the court specifying that benefits in any settlement reached during the injunction period would be retroactive to the first day the injunction was in force.

Arguments Last 3 Hours

Even if an injunction is granted an end of the strike could be delayed by an appeal. The court could—but would not have to—stay the injunction while an appeal was acted upon.

The government argued Tuesday that lost steel production was threatening the nation's health and safety. The striking United Steelworkers Union said the strike was creating hardships but was not endangering the national economy.

Sees More Jobless

U.S. District Judge Herbert P. Sorg took the case under advisement after listening to arguments by both sides for nearly three hours. President Eisenhower ordered the Justice Department to seek the injunction.

The Steelworkers Union and 96 steel companies were named defendants in the case. The steel firms represent almost 90 per cent of the nation's steel production capacity.

An injunction, if issued by Judge Sorg, would send the half million striking steelworkers back to the mills for an 80-day cooling off period.

Meanwhile, the industry and the union would be under court order to try and negotiate a permanent settlement in the long and costly dispute.

Asst. Atty. Gen. George C. Doub told Judge Sorg that 265,000 workers have been idled by the strike in addition to the half million strikers. He said unemployment would continue to mount if the strike continues.

"Such a strike is an invasion of the rights of the public. We are here by virtue of a tragic failure of collective bargaining," he added.

Arthur J. Goldberg, the union's general counsel, argued the government has no facts to support its contention that the strike threatens the well-being of the country.

Must Prove Emergency

"If an injunction is granted, the great sacrifices which the steelworkers have suffered will have been largely in vain," he told Judge Sorg. "Their strike will be broken."

Goldberg argued that the government must prove beyond doubt that a national emergency exists now before an injunction can be invoked under the Taft-Hartley law.

Regents to Cut Out Many January, Few June Tests

ALBANY, N. Y. (AP)—Regents examinations for high school students in New York State are being revamped to eliminate many January tests and a few of the June ones.

Beginning next year, the January tests will be cut back. In 1961 more of them will be eliminated.

The purpose of the change is to eliminate what the State Board of Regents says is "an unjustifiable waste in educational resources."

Dr. Sherman N. Tinkelman, acting chief of the Regents Examination and Testing Bureau, said Tuesday most schools now promoted their pupils in June so there was little need for most January exams.

Most of the pupils taking them are repeaters.

Once there were three promotion periods during the year.

The other changes are due, he said, to revamping of the curriculum. Two of the three subjects to be dropped are included now in other courses.

The subjects dropped in January exams will result in more school days. Next year, the January exam schedule will be three days, instead of four. In 1961, only two days will be used for the tests.

Ppuils not taking Regents exams have the days off. The Regents exams are intended for those who plan to enter college. The other pupils take local school exams.

Three tests are being dropped entirely. They are comprehensive art, advanced algebra and solid geometry.

Tinkelman said there was little interest in comprehensive art. Advanced algebra and solid geometry now are included in twelfth-year mathematics, he said.

One new test—English composition—may be added. Department

ABANDONS FAMILY FOR LIFE IN RUSSIA—Robert Edward Webster, 31, who gave up his U. S. citizenship to remain in Russia after working at the American Exhibition in Moscow, is shown in this photo made at his home in Cleveland, O., prior to his trip to Moscow. Webster looks through the Russian publication, "U.S.S.R." with his wife, Martha, and their two children, Annie, five and Michael, seven. Soviet officials claim he decided to stay in Russia for "ideological reasons," but Webster's American employer, H. G. Rand, president of the Rand Development Corp. said he believed the real reason was "domestic troubles at home." (NEA Telephoto)

Last Texas Quint Dies; Were Just Like Baby Dolls, Hospital Technician Sobs

SAN ANTONIO, Tex. (AP) — Baby D, the last survivor of the Hannan quintuplets, died at 6:40 a.m. today.

Word of the death of the last baby spread rapidly through this vast modern hospital which is called the largest and finest in the entire Air Force.

The basement cafeteria was crowded with nurses, and military personnel coming to work.

"Oh, my God, they were just like baby dolls," half sobbed a technician in a blue dress. The word spread quickly from table to table. Several persons left their breakfast uneaten.

The mother and father were asleep at the time of the last quint's death. They were not told immediately.

Both had been in a near shock status at times during the night, hospital spokesmen said, and had been given sedatives in an effort to ease their nerves.

The last baby to die was the fourth born.

The physician who made the last desperate effort to save the baby was Capt. William D. Munroe who had been on duty since 11 p.m. Tuesday. He had worked almost constantly on the one child throughout the long night.

Four of the five toylike girls died within 9½ hours of their birth Tuesday.

They were the children of 1st Lt. Charles G. Hannan, 29, and his 27-year-old wife, Cecelia, already the mother of two small boys.

"You wanted a girl," the blonde, pretty mother told the crewcut father. "Now you have five."

But Baby B, so designated to indicate order of birth, died at 5:40 p.m. CST. Baby A died at 6:10 p.m. Baby E died at 9:25 p.m. and Baby C at 10 p.m.

Capt. William D. Munroe, pediatrician on duty, said at 1 a.m. that the diagnosis then for baby D "is guarded and the outlook is not good for the surviving child." He added that he is "not very hopeful" that the baby would survive. Doctors warned from the

Out of Jail

Appeal Is Seen Of Court Ruling On Lombardozzi

NEW YORK (AP) — Chairman John W. Ryan Jr. of the State Investigation Commission says the Appellate Court decision freeing Carmine Lombardozzi from jail probably will be appealed.

Lombardozzi, considered a key figure in the Apalachin conference of underworld leaders, was ordered released from jail Tuesday after 14 months served for refusing to tell all about the 1957 meeting.

Impossible...But

The court ruled that the 46-year-old Lombardozzi's answers may be improbable but that it has not been established that there might not be some truth in them.

The Brooklyn waterfront figure was jailed Aug. 19, 1958, for refusing to answer questions by the Investigation Commissioner about the Apalachin meeting. He was one of some 60 hoodlums and associates who had attended the session at the Upstate home of the late Joseph Barbara Sr.

Several other Apalachin probe witnesses also were jailed, and some later freed.

After nearly a year in jail, Lombardozzi said he had decided to testify. He told the commission he went to Apalachin with a friend who was concerned about Barbara's health and that he did not personally know Barbara.

State investigators contend that Lombardozzi went to Apalachin as a defendant in an underworld trial, that he was condemned to death, but the sentence was commuted to a $10,000 fine.

Lombardozzi was sent back to jail after his testimony.

The Appellate Division said in its four-page opinion that "improbable as Lombardozzi's story may in many respects seem. . . it has not been established that the answers to questions are so preposterous as to offer not the slightest probability of truthfulness."

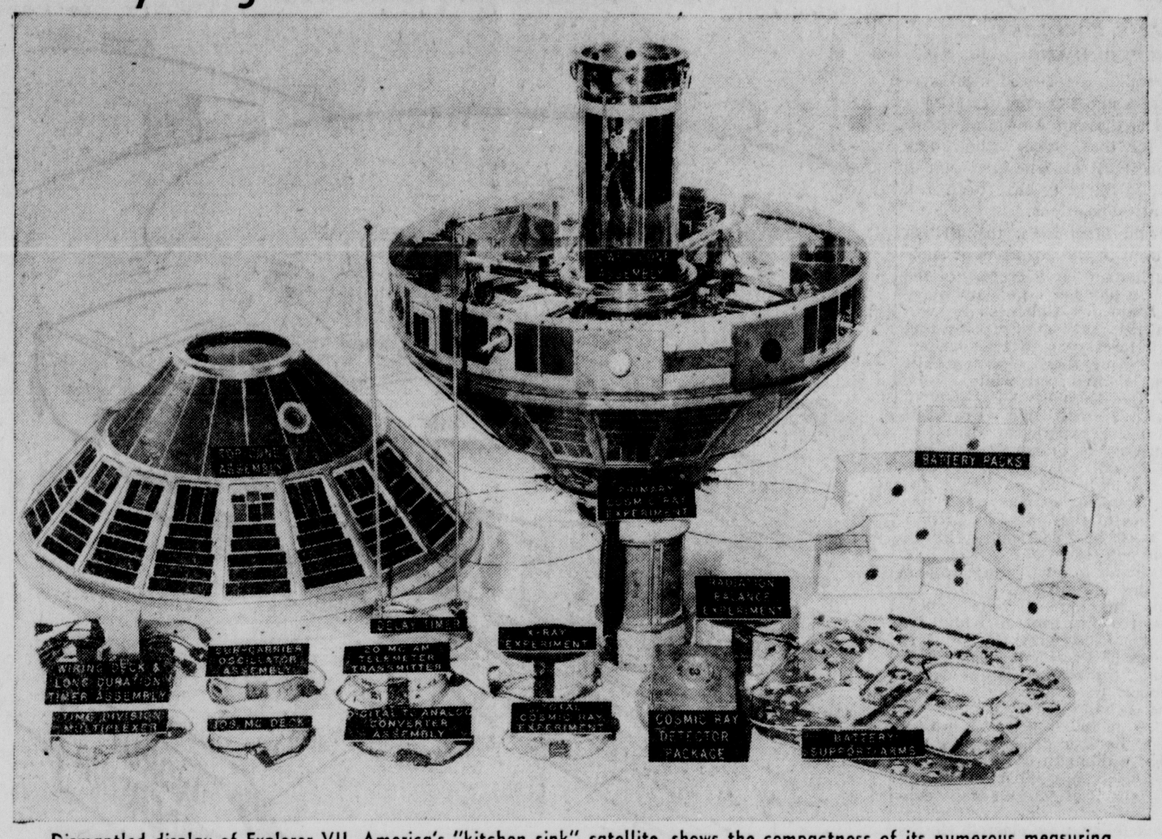
Ryan said the decision would be studied carefully and probably appealed.

Lombardozzi's actual release from jail will come Thursday or Friday after the filing of required legal papers.

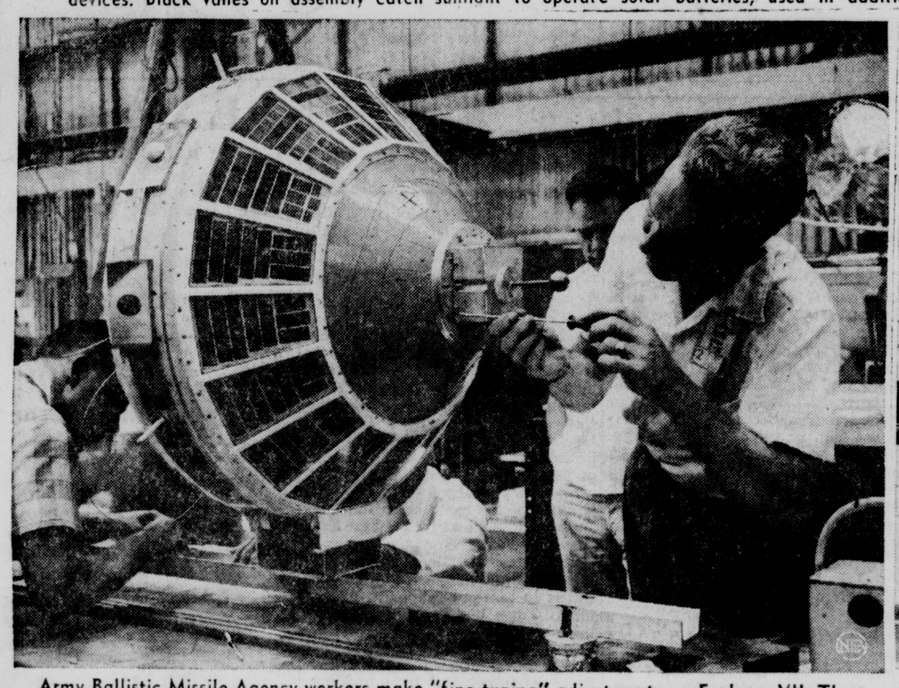
Worker Is Killed

ROME, N. Y. (AP)—James E. Searcy, 44, a street-construction worker, was injured fatally Tuesday when a truck hit him while he was sweeping leaves along a curb.

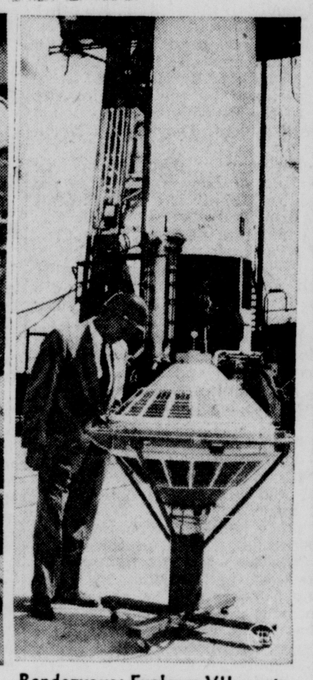
'Everything but the Kitchen Sink'---



Dismantled display of Explorer VII, America's "kitchen sink" satellite, shows the compactness of its numerous measuring devices. Black vanes on assembly catch sunlight to operate solar batteries, used in addition to chemical batteries.



Army Ballistic Missile Agency workers make "fine tuning" adjustments on Explorer VII. They were determining the satellite's center of gravity, one of many prelaunch activities.



Rendezvous: Explorer VII meets Juno II on launching stand.

Broadcasting radio noises "like a flying bagpipe," as one missile man described it, America's latest earth satelite, Explorer VH, is probing the mysteries of near and far space. Its two transmitters are relaying information to 20 tracking stations on earth concerning seven different experiments. Experiments range from measuring little meteors to gathering weather forcasting data. The 91.5-pound station, carried aloft by the Juno II rocket, is expected to orbit 20 years. It joins 12 other satellites.

Will Seek Approval On WBNY Station Sale

BUFFALO, N. Y. (AP) — Approval of the sale of Radio Station WBNY of Buffalo to the Straus Stations of New York City will be sought from the Federal Communications Commission in the next few days.

The sale, estimated to involve $500,000, was announced Tuesday by station officials.

The purchasers are Nathan Straus, president of Radio Station WMCA of New York City; his son, R. Peter Straus, and Harry Trenner of Miami, Fla.

Roy L. Albertson is present owner and founder of the station.

The elder Straus said the purchase was the first of several planned in New York State.

Roughly two-thirds of the world's people live in under-developed sections. And population in these areas have vastly increased in the past century.

Co-Ed, Two Atomic Scientists Going To Fair in India

By JOSEPH R. COYNE
Associated Press Special Service

WASHINGTON (AP) — A college co-ed and two atomic scientists will comprise New York's contribution to the United States exhibit at the world agricultural fair in New Delhi, India, this winter.

All three can play an important part in the thawing cold war.

Fifteen countries, including the Soviet Union, will participate in the fair, billed as the largest ever staged in Asia.

Nathaniel Knowles, manager of the United States exhibit and a Commerce Department official, said the fair will give America an excellent chance to show its superiority over Russia in farming methods.

Heping demonstrate the latest techniques of American agriculture research, reproduction and marketing beginning Dec. 11 will be:

Nancy Ellen Nesbitt, an attractive 20-year-old college co-ed who lives near Hobart, N. Y., and Dr. Seymour Shaprio and Dr. James K. Brewbaker, of the Brookhaven National Laboratory in Upton, N. Y.

Miss Nesbitt will be one of eight 4-H Club members who will represent the United States youth at the fair. They were chosen for exceptional achievement in the 4-H movement and for leadership, citizenship and musical talent.

A music student at the state university teachers college in Potsdam, N. Y., Miss Nesbitt is an experienced pianist and vocalist and has studied cello, clarinet, trumpet and the drums.

She lives on a 130-acre Delaware County dairy farm and owns 15 pure bred cows in a 75-head herd.

Drs. Shaprio and Brewbaker will conduct nuclear experiments related to agriculture. They will demonstrate what the Brookhaven Laboratory calls some of the miracles brought about by radiation in plant breeding.

A native of New York City, Dr. Shapiro, 35, is coordinator of the radiation mutations program at Brookhaven. He was a member of the United States delegation to the Atoms For Peace conference at Geneva, Switzerland, in 1955.

He, his wife, Harriet, and their son, Carl, 5, live in East Patchhogue.

Working on Plan For Bomb-Proof Underground City

ITHACA, N. Y. (AP)—A Cornell University team is drafting a plan for a bomb-proof underground city that could be built for eight billion dollars.

They have selected as a model site for their planning the Schoharie County communities of Middleburgh, Schoharie and Cobleskill.

There are no plans actually to construct such a city.

The area was selected because limestone formations there would make excavations cheaper, Prof. Frederick W. Edmondson said Tuesday.

Edmonson said the plans they design for that area would serve as a model for other attack-proof cities across the country.

Edmonson envisioned underground bomb-proof shelters close to every home in the area and an underground factory to employ 1,500 persons. Power probably would be supplied by a nuclear reactor.

Edmondson said the city could operate independently for two weeks in the event of a nuclear war. It would be well supplied with food, water and medical supplies, he said.

KINGSTON, NEW YORK, OCTOBER 21, 1959

THE AMENDMENTS

When the voters go to the polls at the general election to be held Tuesday, November 3 they will be asked to decide nine proposed amendments to the State Constitution. These proposals cover a wide range and the abstract and form of submission are incomprehensible. Along with being too many in number, they are too complicated for intelligent appraisal by the average voter.

This is the reason why there is such a small percentage of the electorate who vote on the proposed amendments each general election and why a very small number of the people determine the fate of the proposals.

Voters are not equipped to formulate valid judgments on questions of a technical nature. In view of these conditions, the legislators should limit the number of proposed amendments to be submitted to any one election instead of jamming the ballots. They might even try to assume more responsibility by making the decisions themselves.

Herewith is a discussion of the first two amendments on the information made available to us. The remaining ones will be taken up in future issues of this newspaper.

Amendment No. 1—Establishes a Department of Motor Vehicles in the State Government. At present the Motor Vehicle Department is a part of the Department of Taxation and Finance.

Proponents say adequate control over the registration and movement of vehicles and their operators needs the attention of a separate agency. They also point out the growing importance of traffic safety.

Opponents say that a separate department status will eventually lead to unwarranted expansion.

From the arguments presented, we believe a "yes" vote would be in the interests of the people of the state.

Amendment No. 2—This would authorize the State to acquire and use for the construction of the Northway, a super-highway between Glens Falls and Canada using some acreage through the Adirondack forest preserve.

Proponents claim that the real issue does not concern the future of the Forest Preserve, over which there is controversy. They say it would barely be disturbed by the Northway. It concerns whether the people of New York should pay $28,000,000 more for a Champlain Route just to keep from traversing a scant 254 acres of Forest Preserve; whether New York shall build its roads to meet the needs of traffic, and whether the requirements of national defense shall be adequately and safely served. Governor Rockefeller and three ex-governors favor the proposal.

The opponents declare that the Adirondack Northway is the most serious threat to public interest in the Adirondacks in many years. They say it will destroy the scenic, recreational and wildlife values of Forest Preserve land far in excess of the land it will put under concrete. And in addition, the commercialism and industrialism such a highway will bring into the Adirondack State Park is contrary to the public ideals and purposes for which the area was established. They advocate a route in the Lake Champlain Valley.

Since the Adirondack route is endorsed by such organizations as the Council of Conservationists, the Adirondack Park Association and the Adirondack Conservation Council, it doesn't seem to us a question of a Forest Preserve. We are in favor of the amendment.

Autumn is the time of year when there's a bite in the air and it isn't someone trying to borrow five bucks.

Counting sheep jumping over a fence is not a good way to get to sleep, says a psychologist. The sheep may get tired, but the counter merely gets bored.

'These Days'

By GEORGE E. SOKOLSKY

THE REPUBLICANS

One difference between the Presidential system in the United States and the Ministerial System in Great Britain is that an American President can be chosen for that office without any special preparation for it. Before one is chosen to be Prime Minister, he is likely to have been in a number of administrative positions.

For instance, Harold Macmillan, the British Prime Minister, has been in the government since 1940 when he was Parliamentary Secretary of the Ministry of Supply; he has been Parliamentary Under-Secretary of State for Colonies; he was Secretary for Air in 1945; Minister of Housing; Minister of Defense; Secretary of State for Foreign Affairs; Chancellor of the Exchequer. His was a gradual promotion in office, while at the same time, he served as a Member of Parliament.

Neither President Truman nor President Eisenhower had had a like experience. President Hoover had been Secretary of Commerce and had been associated with President Wilson in the conduct of World War I and in the making of the peace at Versailles. Franklin D. Roosevelt had been Assistant Secretary of the Navy. In Britain, the Prime Minister must be experienced; in the United States, that is not essential.

The first Vice President, in our history, to participate directly on the administrative side, has been Richard Nixon. This unusual development took place for several reasons, some of which are imponderables, having to do with the military training and the illness of President Eisenhower. In all military training, the assumption of death-on-the-job is traditional; therefore the successor is always at hand and is ready to take over. President Eisenhower has included Vice President Nixon in his Cabinet; he has delegated to him many functions which ordinarily do not go to a Vice President. Nixon has represented the United States as a deputy for the President on many conspicuous occasions.

Until Nelson Rockefeller was elected Governor of the State of New York, it was assumed that Vice President Nixon would encounter no opposition at the Republican Convention. No other candidate had presented himself.

Nevertheless, there has been opposition to Richard Nixon, as there must be to all men. It was most ardently stimulated by Harold Stassen, a perennial candidate, and by the New Dealers who had switched to the Republican Party when Eisenhower became President. They regard Nixon as too conservative.

Nelson Rockefeller may or may not achieve distinction as Governor of New York. It is too early to know. New York State is a very difficult one to administer, principally because of its size and the complex population of New York City. Two Governors of New York State, since Grover Cleveland, became President of the United States, Theodore Roosevelt and Franklin D. Roosevelt. Al Smith, Thomas E. Dewey and Averell Harriman failed in this great ambition.

Nelson Rockefeller is a candidate for the Republican nomination for President. He is campaigning on his personality and name, both of which are assets. His administrative experience has not been impressive; his political experience has been scant.

Already many figures in the Eisenhower Administration have quietly, without fanfare or announcement, moved to aid Rockefeller who is free to roam the country and to campaign while Governor of New York State.

Nixon, on the other hand, is a political captive. As Vice President, it is difficult for him to campaign for the Presidency without taking a position too independent of the President. He would appear to be disloyal. There can be no question that there are enormous areas of policy, concerning which Nixon has views which differ from the President's. Wherever that is so, Nixon, rather than Eisenhower, is more representative of Republican opinion. Nixon has avoided expressing himself in any manner which may annoy the President.

On Nixon's Russian trip, he was accompanied by Dr. Milton Eisenhower, president of Johns Hopkins University and brother of the President of the United States. There was no reason for this, unless the President put a monitor on Nixon. That the Vice President made the most of that trip is not questioned, but when Khrushchev came to this country, he did not find it inconvenient to speak haughtily of the second man in our government. He had apparently been tipped off that it would not be found offensive. Nevertheless, it was Richard Nixon who won that political skirmish. He behaved in the American tradition, which is what counts in politics.

★ The Doctor Says ★

Doctor Gives His Views On Breast-Feeding Hassle

By HAROLD T. HYMAN, M.D.
Written for NEA Service

A young bride, just starting her first pregnancy, writes: "Shall I insist on nursing my baby? I want to—desperately—but my husband has already objected. He's afraid I'll lose my figure and we won't be able to go out except between feedings. He says I'll be so preoccupied with the baby that he won't get more than the 'time of the day,' to use his expression."

This young father-to-be claims to know all about artificial feeding. He argues that he was born and raised on a farm, that herds are especially bred and tested, that cows are milked by machinery. Their milk is pasteurized. The chemical composition doesn't vary. Vitamins are added.

And he's got a baby book, written by a specialist, that says a mother has the right to refuse to nurse if it goes against her.

"Well," he says, "I've got rights, too."

He's the father and breast feeding goes against him. And, for the clincher, he cut out an article by a psychoanalyst who claims that nursing may help to make the son a mama's boy, and he'll be darned if the wants his lad to be a sissy.

I hate to vote against a fellow member of the husband's union. But I'm all for the mother making every effort to nurse her baby.

Not, of course, if nursing is a threat to her life of her health. If there are sound medical reasons against nursing, I'd agree to dry the breasts and start the baby on a formula of cow's milk.

And if the young mother had to go back to her job, for instance, I'd favor one or two supplementary bottle feedings while she was away from home or trying to get a full night of uninterrupted sleep.

But I'd resist any effort to forego breast feeding based on purely emotional grounds.

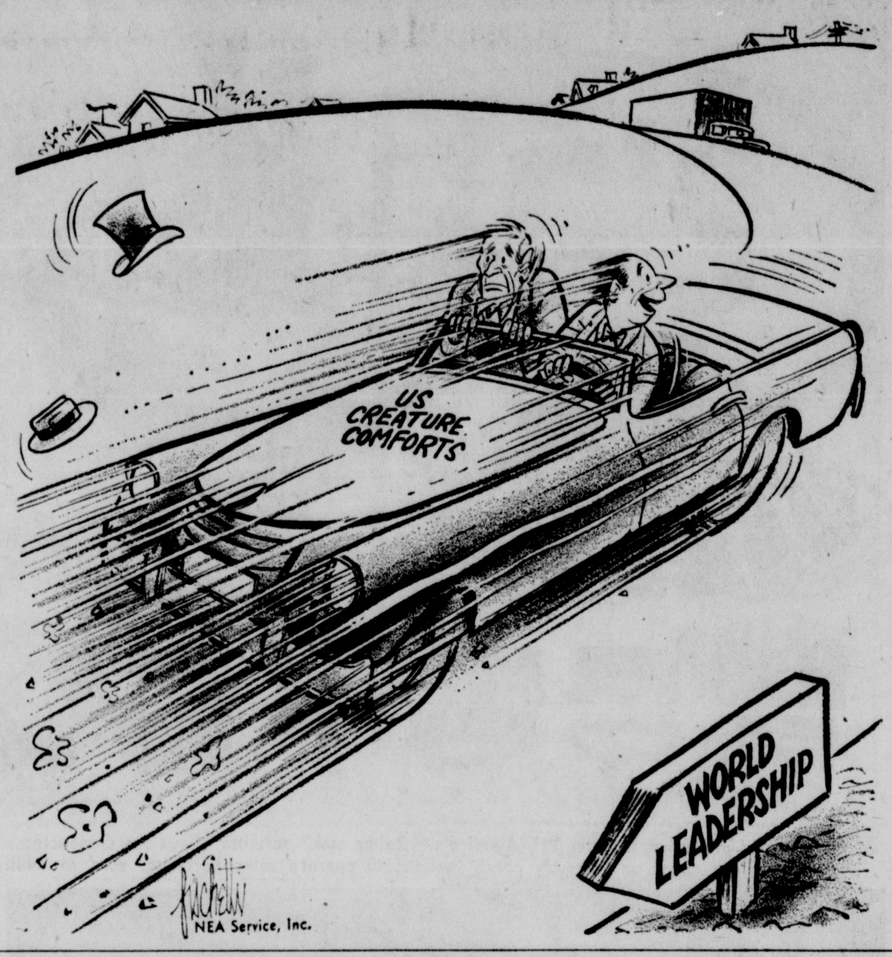
I won't pretend to refute the young husband's arguments in favor of bottle feeding. The dairy industry is as close to perfection as any human endeavor can be. Cow's milk is a superb product whether it's bought in a bottle or a disposable container and whether it's purchased as the natural fluid, evaporated, condensed or powdered. But it's not the product secreted by the human breast.

"Okay," I can hear the young husband protest, "it isn't secreted by the human breast—so what?"

I can't argue him down on figures for the per cent of fat, sugar, proteins or lime or for the content of viamins, natural or added. My argument is based on imponderable qualities that can't be weighed or measured.

Let me try to give you examples: You like string beans and I hate them. I like asparagus and you'd rather starve than eat asparagus. We go for a walk in the woods and you break out with poison ivy, but nothing happens to me.

"No Forward Speed---But It's Terrific in Reverse"



Washington News

By RAY CROMLEY
NEA Washington Correspondent

WASHINGTON — (NEA) — Ever since the book "The Ugly American" exposes U. S. bungling in Southeast Asia, the Russians have had a reputation for outsmarting Americans in every neutral country from Laos to Iraq and from Egypt to Burma.

Now the Russians are out to prove they can outdo the Americans even in the art of bungling.

Just coming to light are a series of Russian foreign aid blunders which may cost the Reds most of the gains they've made in the Middle East in the past decade.

Here's the way American research men just back from Egypt, Iran, Iraq, Syria, Lebanon tell the story:

ITEM — THE RUSSIANS stepped in when the Egyptian economy was bagged down because Cairo couldn't sell its cotton on the already-glutted world market. They won acclaim in the Arab world by taking the cotton in exchange for arms.

But then the Russians turned around—took that same Egyptian cotton— and undersold the Egyptians in Britain. This Red deal cost Egypt heavily. And the Egyptians haven't forgotten.

Item — The Russians won friends in Iraq and the United Arab Republic by supplying them with sizeable amounts of modern arms on long-term credit.

Now it's turned out that a good chunk of the Russian military equipment was of poor quality. And there were few spare parts to be had.

Result: Large amounts of the Red-supplied military hardware are now unusable.

ITEM — RUSSIAN WHEAT was sent in to aid hungry Middle East peoples. It was an effective counter to American aid.

But of late, sizeable amounts of Soviet grain has been spoiled or wormy when it arrived.

Item—Like the United States, the Soviet nUion has sent large numbers of technicians into the Middle East to "help" modernize these medieval lands. It's been widely reported that the Russian technicians were skillfully trained in the languages and customs of the native people. You met a Russian, he was fluent in the local dialect; he knew the history and traditions of the people, or so it was said.

Now it's learned that only a handful of the technicians the Russians have sent to the Middle East speak the local languages. A good many of the Red technicians have found it impossible to adapt themselves to local conditions—and customs. They don't get along with the natives.

The Russians have had to pull a sizeable number of their men back home because they had gotten into trouble. In a number of places, the technicians have been ordered to stay strictly to themselves, keep away from the natives.

AND RUSSIAN relations with the Middle East are likely to get worse, not better.

The Reds are building a large oil pipe line into the Baltic area in preparation for large oil exports. This comes when a world surplus of oil is badly shaking Middle East economies.

This latest Russian oil move—already widely reported in the Middle East—is winning the Russians no new friends.

Here in foreign aid mistakes apparently is another line in which the Russians are successfully competing with the U.S.

Englishman Sir Henry Bessemer invented the process for making steel in 1856.

Today in National Affairs

Industry-Wide Bargaining Is Called a 'Frankenstein'

By DAVID LAWRENCE

WASHINGTON—A high official familiar with much of what happened in the collective-bargaining negotiations between the steel unions and the companies was asked what was the real obstacle to a settlement. He replied: "One side was talking Chinese and the other side was talking Russian—they never did understand each other."

Thoroughout the country today there are varying comments now as to which side was to blame for the impasse. But the truth is that, even if a board of inquiry were appointed by the President to fix the responsibility for the breakdown of the steel negotiations, it would take weeks to get an answer to that single question.

What the nation is witnessing really is the far-reaching impact on one another of two big forces—management and labor—and when they try to negotiate an agreement, the scope of their controversy is so broad, and involves so many technical details affecting the main issues, that even with the best of intentions an agreement would take weeks to consummate.

In truth, industry-wide bargaining, which has grown up gradually in the last few decades, at last has become its own Frankenstein monster. All the companies are ranged on one side, though they have differing problems and economic factors to deal with, while on the other side is a strong labor union with power over workers in virtually all plants.

Were it not for the fact that labor unions have been allowed to organize on a national scale, irrespective of the plants in which their members work, the companies would not be lined up together. One form of monopolistic power begets other forms.

Thus do a small number of individual citizens operate in their own way to deprive the nation of needed goods. This is "restraint of trade" in every sense in which the term could be used to describe what the original antitrust laws were designed to prevent.

Right to Conspire?

The individual worker has an inalienable right to work or to quit work, but does he have a right to conspire with others to prevent other citizens from working? Whether the influence is exerted by withholding certain privileges in employment or whether it is by some other form of organization, the labor unions with their nationwide power today are as much a form of monopoly as are rival corporations when acting together to fix prices or diminish competition.

The Federal government, under laws passed by Congress, can proceed against monopolies created by corporations but not against a labor-union monopoly. The specious argument has been used that labor is not a "commodity" and hence should be immune from anti-trust laws.

But while this is true of an individual's labor, it is not true when it takes the form of an organized conspiracy with power cause loss of jobs and pay. No group of citizens should be permitted to deprive any other citizens of their earnings — their property.

Coercion by Unions

The labor-union monopoly enjoys the privilege today of requiring in many instances that a worker who doesn't join a union must be fired by the employer. Also a citizen who wants to work and crosses a picket line is subjected to harassment. The labor unions have abandoned a reliance on persuasive tactics and in many cases uses outright coercion.

While state laws might in certain cases protect against violence, it is the fear of such violence which prevents citizens from exercising their right to work. "Picketing" itself, unfortunately, is permitted under Federal and state laws. Yet it is usually only another form of coercion.

The labor-union monopoly today is much stronger than any monopoly ever exercised by a group of corporations. It can reach into the plant of one company and injure it as against a competitor. Industry-wide bargaining, indeed, has been tolerated by management largely because it prevents a picking-off of one employer against another and justifies the management side in lining up all employers together.

Complete Power

But, even so, the power of the two sides in unequal. The management of one company or group of companies has no control over the management of any other company. The labor-union monopoly's power, however, is complete. It usually controls the work of every employe in all plants, irrespective of who own them.

Industry-wide bargaining by a single union, instead of by the local unions in each city or area, means a monopoly over the workers. It can force them ont on strike. It can, through so-called "work rules," demand of management certain rights equivalent to managing the business itself. And once a contract is made, the labor-union monopoly takes the position that what has been granted in the past becomes permanent and can never be changed without the union's consent. That's one of the big issues in the steel strike.

It looks now as if it will never be settled by the parties themselves. It will have to be settled by the government, representing all the people, and by the Congress, which has dealt restrictively before with monopolies and will do so again.

AS PEGLER SEES IT

By WESTBROOK PEGLER

NEW YORK, Oct. 20—At the climax of an angry wrangle at a party in Washington, Earl Warren raised his wrists close together and, in a muddled metaphor, exclaimed that he could not speak out because his hands were tied. He was protesting to Earl Mazo, a journalist no less reputable than himself, against something which he thought Mazo had written about him in a book generally in praise of Vice President Nixon. Mazo, on his part, insisted that Warren could not have read the book because the matter complained of was not in it. As Mazo put it later in Moscow, the chief justice simply did not know what he was talking about.

That is important enough, for Warren already had shown an alarming willingness to go outside the record in citing unqualified experts in the so-called integration case. But it was even a little worse of him to say he could not give interviews to the press because that is not so. The truth is that he can do as he likes about that. And he does make political speeches and, in general, conducts himself no more sedately than any talkative congressman on the hill.

There is profound misunderstanding of the rights and liberties of justices of the Supreme Court. Contrary to popular superstition, they may, as a chief judge of a U. S. district put it, do anything legal except practice law. There is one more exception which this authority overlooked. They may not hold any other job on the federal payroll.

It did not take Warren long to cross himself up after he had bellowed that he was muzzled. He took off for Moscow, where he had no business, and made an appearance on the stage of the American fashion show, the sort of platform associated with the art of snake-charming, tattooed men and sword-swallowers in the carnival trade, and was photographed stooping down to autograph pieces of paper thrust up at him by Russians in the forward ranks of the crowd. Newspaper reports said that backstage Warren and Mrs. Warren missed their way and that the chief justice came upon some young models in a slightly undressed condition. Mrs. Warren reassured them with the remark that he was the father of a number of young ladies about their age. All this was innocent activity, to be sure, but far from the line of judicial duty and not quite consistent with the concept of dignity observed by Hughes, Taft and White.

Frank Murphy, on the other hand, though tee-total, was a barroom flannel-mouth who enjoyed reciting gems from individual opinions which he habitually wrote, even to agree with the majority. On at last two occasions, he leaked impending decisions to a disreputable broadcaster in return for flattery on the air. This was legal conduct and so was the unconventional appearance of Justice Douglas in Look Magazine as author of an article for which he got pay. Neither Douglas nor the editors would say how much, but $2,500 would not be too high a price at a guess, considering the status of the author, whereas the same piece by W. O. Douglas, an obscure lawyer in the New Deal bureaucracy, might not have been vendable at all.

Leaving Moscow, Warren went to Berlin where, in the Western Zone, he swung out into space both as an orator in a political demonstration and in newspaper comment. Meanwhile, in Stockholm, I came on an interesting phase of Warren's personal interests which suggests an explanation of his resort to two completely irrevelant, uncorroborated works by radical propagandists of Scandinavian background in support of his "integration" decision.

As I related from Stockholm, one is Gunnar Myrdal, a socialist of rather seedy renown, who has spent many years in the parasitic role of "economist" and "philosopher" on public payrolls. The other is Theodore Brameld, who comes from Scandinavian background, out of Wisconsin. He got his principal learning at the University of Chicago during the influential days of Robert M. Hutchins, then babbling brightly as the precocious boy wonder of the education business but later retired to the opulent ease of the Ford Foundation and the Fund for the Republic in that order.

Myrdal's book, "An American Dilemma," cited by Warren, was the first one my eyes lit on in the Library of the United States information service in Oslo, Norway and I have learned in Scandinavia and here that he and Warren are friends—again within Warren's right.

Brameld formerly worked at New York University, but he disappeared and was last reported in Puerto Rico. An official of N.Y.U. inquired at the Faculty Club, but said nobody had any idea where he was now. Brameld's associations and activities in politics up to five years ago put him close to Marx and impalpable "groups" which approved phases of the Moscow program. But in the only communication that I ever was able to wring from him, he wrote me, through his lawyer, that he was neither a Communist nor a Maxist.

Mrs. Warren's ancestors were Swedes, but I erred in reporting fom Stockholm that his were. Warren's family came from Norway and the town of origin seems to have been named for his ancestors or vice versa. The town is Varren, which is pronounced "Warren" in Norway.

Q—What is a termagant?

A—A mythical deity represented as a violent overbearing person. Now a violent, hot-tempered woman.

Widow Says Astor Promised to Leave 4 Homes to Her

POUGHKEEPSIE, N. Y. (AP) —Mrs. Vincent Astor has testified that her late husband told her he was going to leave his four homes to her.

Mrs. Astor, 57, testified Tuesday before Surrogate W. Vincent Grady who is presiding at a pretrial examination in John Jacob Astor's action contesting the will of his half-brother.

Astor, who died last Feb. 3 in New York City, left an estate estimated at 200 million dollars to his wife and charity.

Mrs. Astor said that, although she had testified previously that she had never discussed his will with her husband, actually he had told her he intended to leave their homes to her.

"I took it for granted," she said.

Astor left an estate, Ferncliff, at Rhinebeck, N. Y., near here; a summer home in Bar Harbor, Maine; a winter home in Phoenix, Ariz., and an apartment in New York City.

Mrs. Cobb Elected By Parents, Teachers

ALBANY, N. Y. (AP) — Mrs. William H. Cobb of West Sand Lake, Rensselaer County, is the new president of the State Congress of Parents and Teachers.

She was elected Tuesday night to succeed Mrs. C. Meredith Springer of Babylon.

Others elected included: Mrs. Douglas S. Rider of Delmar, first vice president; Dr. George W. Angell of Plattsburgh, second vice president; and Mrs. Selden Frederickson of Salamanca, treasurer.

Strike Ban Is Eventual Possibility

Union, Management Appear Headed For Compulsory Arbitration Law

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — The two dirtiest words—for big unions and big management—are "compulsory arbitration." But that's what they may be headed for. In time, at least. The steel strike shows why.

Under a compulsory arbitration law the government would step in—when union and management failed to agree on wages and working conditions—and dictate a settlement which both sides would have to accept.

Ideal Shared by Many

The ideal in labor-management relations in a free society is for both sides to have complete freedom from government interference in settling disputes. Freedom includes freedom to shut down a plant or strike it.

This ideal is shared by the Eisenhower administration and perhaps by most Americans. Nevertheless, it is a limited ideal: It begins to lose its appeal when a labor dispute begins to cause broad damage.

There wasn't much of a national problem when American society was more primitive and injury from a strike or shutdown was pretty much limited to the union or company or companies involved. This is no longer the case.

In this present complex society, with its various parts growing more interdependent, a prolonged strike in one vital industry can throw millions out of jobs in other industries and start an economic tailspin.

What Is Vital Industry?

And this nation's complexities and interdependencies of today are only a shadow of what they will be in the years ahead as the population increases and industries interlock in their needs.

It is possible—and this writer strongly believes it is likely—that the time is coming when the government, for the sake of the nation, will not permit strikes in vital industries.

That, of course, raises a nice question: What is a vital industry? At this time and offhand it is easy to think of some which fit that category because a strike in any of them affects the national welfare:

Railroads, Steel, Airlines, Communications. But right there an argument begins. Many industries are engaged in communications in some form, such as telephone, telegraph, newspapers, television, radio.

Would all of them be considered vital? If the time comes when Congress considers a ban on strikes in communications or any other vital industry it will have the fight of its life on its hands, and for this reason:

Each industry, like each individual, and each union would want to retain for itself the maximum amount of freedom.

Government Settlement

But if a ban on strikes comes, then the government will have to provide a settlement and that, in the end, could only be done by imposing compulsory arbitration.

The steel strike is now in its 15th week. At the start of it President Eisenhower refused to permit direct government intervention. He wanted the union and the steel industry to have the utmost freedom to reach a settlement of their own through collective bargaining.

The union and management between them made the collective bargaining process a farce. And on Oct. 19, when Eisenhower decided to seek an injunction to stop the strike for 80 days, he said:

"In order to protect the interests of all the American people, this leaves me with no alternative. American hopes for a voluntary responsible settlement have not been fulfilled. It is a sad day for the nation."

Less Drastice Ones Possible

He acted only when the effect of the strike began to spread into other industries with the danger, unless something was done to stop it, that the country might go tumbling back into recession.

Before Congress ever goes so far as to ban strikes and impose compulsory arbitration, it almost surely will seek some less drastic measure but one sterner than any now available.

That may work for a while. But in the end, in the years ahead, this writer believes a strike in an essential industry affecting the national welfare will not be permitted.

Birrell Is Out Of Jail; Faces Passport Charge

RIO DE JANEIRO, Brazil (AP) —New York financier Lowell M. Birrell, accused of bilking U.S. stockholders of 14 million dollars, was released from jail Tuesday night but is still subject to trial on a phoney passport charge.

If convicted and deported, U. S. authorities could validate his passport for travel only to the United States. Birrell, 52, has been indicted in New York on charges of defrauding stockholders of the Swan Finch Oil Corp. and Doeskin Products, Inc.

Because there is no U. S.-Brazil extradition treaty, Birrell cannot otherwise be returned to the United States. He has been held in jail here since July 23, when he was arrested and charged with entering the country on a falsified Canadian passport.

Birrell was released from prison after a legal adviser to the Brazilian police ruled he should be freed until his case is decided. Until then, he must report in person to police headquarters every Monday.

There has been no indication when Birrell's case will reach the court stage. He says he will go ahead meanwhile with plans to establish an electrical goods factory.

Cadillac

Wonderful Way to Launch a Decade!

An exciting new decade is about to begin for America—a decade filled with promise and hope and great expectations.

And wouldn't it be thrilling to ride into the sixties with a new Cadillac car of your own!

For here is a motor car created with an eye to the years ahead—and for the man who hopes to make the most of them.

Cadillac's new styling will set the pace in automotive design for years to come.

Inside, a new era of elegance is evident on every hand—with unusually rich fabrics and leathers . . . and appointments executed with the care of a jeweler.

Its performance represents a rewarding departure from the past . . . so smooth, so quiet, so effortless and level in ride that it must be experienced to be understood and appreciated.

And here, to be sure, is a motor car with a future all its own. Careful design, quality materials and painstaking craftsmanship give it unduplicated dependability and endurance.

So if you're looking forward to the wonderful decade that's just around the corner—think how much more exciting it could be in the company of a 1960 Cadillac.

See and drive it today—and we believe you'll want to make it your own.

Eighmey Elected Again by Scout Explorer Post

At the last meeting of Explorer Post 6 of the First Baptist Church, Kingston, H. Phillips Eighmey was reelected to the presidency of the year-old organization. Thomas Celuch was voted in as the vice president following the expired term of Daniel Devine. Celuch was appointed to the position of cabinet representative in the District Explorer program. Richard Showers was elected secretary-treasurer following James Connelly's term.

The main item in the program was a demonstration and talk by Norman Rafalowsky on the theme of "Spruce Up." The proper way to care for clothes was explained and advice was given with regards to the things to look for when buying clothes. Various necktie styles were shown. Proper methods in folding clothes for travel brought the informative discussion to a close.

Future plans for the Post include competition in the shoot by mail small bore rifles competition co-sponsored by the National Rifle Association and the Boy Scouts of America, a visit to West Point and participation in the next Court of Honor of Scout Troop 6.

Summations Are To Open Thursday In White's Trial

NEWBURGH, N. Y. (AP) — Summations in the first-degree murder trial of industrialist Malcolm R. White will begin Thursday in Orange County court.

Both sides rested their cases Tuesday after the defense wound up its presentation with testimony from 28 character witnesses, including White's first wife, Ruth, a New York City art dealer.

The trial, which began Sept. 10, is not expected to go to the jury before Monday.

White is on trial for the Nov. 13 shooting of Alfred F. Dugan, who was attempting to organize employes of the Chester Cable Co., of which White was president, into a small independent union. The company already had a contract with the AFL-CIO electrical workers.

White has pleaded self-defense, claiming he was fraid of Dugan, an ex-convict.

Mrs. Ruth White was asked only a few routine questions.

White's second wife, Eleanor, who has been a spectator through most of the trial, became ill before the afternoon session Tuesday and was taken home.

Seminary Planned In Puerto Rico By Episcopalians

COOPERSTOWN, N. Y. (AP)—The Episcopal Church of the United States plans to build a theological seminary on a 25-acre site at San Juan, Puerto Rico.

The Rt. Rev. John B. Bentley, vice president of the church's national council, said Tuesday the seminary would have a class of 80 when it opened in the fall of 1961.

Bishop Bentley made the announcement at the 107th annual meeting of the church's House of Bishops.

The House accepted the resignations of three bishops and granted retirement to two others.

The Rt. Rev. Donald J. Campbell, suffragan bishop of Los Angeles, resigned to become executive for development at the Episcopal Theological School, Cambridge, Mass.

The Rt. Rev. Stephen F. Bayne resigned as bishop of Olympia, Wash., to become executive officer of the Worldwide Anglican Communion in London, effective Jan. 1.

The Rt. Rev. William F. Lewis resigned as bishop of the missionary district of Nevada to succeed Bishop Bayne.

The Rt. Rev. Malcolm E. Peabody, bishop of Central New York, who has reached the mandatory retirement age of 72, and the Rt. Rev. Dudley B. McNeil, bishop of western Michigan, retired.

Bishop Peabody asked for further aid in the church's drive to buy a nuclear research reactor and give it to a university in Japan.

He said $176,000 of the needed $360,000 had been raised in the first year of the project. The reactor is to go to St. Paul's University in Tokyo.

"American Christians have an opportunity to share the potential and realized blessings of atomic energy with a people who in the past have known little of its blessings but much of its curse."

The first atomic bomb ever used in battle was dropped on Japan by the United States during World War II.

Walt Disney's True Life Adventures

Clinic Scheduled For Children at Modena Oct. 27th

The Ulster County Health Department has scheduled for Tuesday, Oct. 27 from 1 to 3 p. m. a Child Health conference to be held at Hasbrouck Hall, Modena.

Health officials state that these clinics are limited to infant and pre-school children for the purpose of improving child health through early recognition of defects, advice regarding nutrition, instruction of parents in understanding growth and development, handling of minor behavior difficulties and the administration of immunizations for smallpox, diphtheria, tetanus, whooping cough and polio.

The clinics are well child clinics for the maintenance of health and prevention of disease, not for the care of the sick child. Children under the regular health supervision of their own phycisian are not admitted unless the physician desires this service to be taken over by the child health conference. Health officials say that in this manner, duplication of service is avoided, facilitating the work of the private physician.

Man Found Dead With Head in Plastic Bag

LAKE GEORGE, N. Y. (AP)—Police tried to find out today the identity of a man whose body was found at the foot of a mountain trail, its head encased in a plastic bag.

A bird-hunter discovered the body Tuesday at the start of the Prospect Mountain Trail, about a mile from this Adirondack resort village.

The sheriff's department said the man had no identification papers, wallet, rings or money.

Coroner Hilton Dier, who scheduled an autopsy, said the man had been dead three or four days.

Brooklyn Man Named Head of Liquor Assn.

ROCHESTER, N. Y. (AP)—Anthony Clifford of Brooklyn is the new president of the State Restaurant Liquor Dealers Assn.

Clifford was elected Tuesday at the association's concluding meeting of a three-day convention.

He succeeds Anthony Visciglio of Syracuse.

Others elected were:

Alfred Wolinski of Buffalo, vice president; John Valentine of Bath, financial secretary; John Dunn of Utica, treasurer; and Philip Tuzzolino of Rochester, secretary.

Harriman Feels No Republican Can Win in 1960

RALEIGH, N. C. (AP) — The Democrats can beat any Republican presidential candidate in the 1960 race, former Gov. Averell Harriman of New York said here Tuesday.

Harriman made no choice from his ranks of his party. He said he is certain the GOP candidate will be Vice President Nixon.

In forecasting defeat, Harriman explained, "They have a big handicap: the Republican policy, the Republican philosophy and the Republican record. Nixon represents all three."

Harriman, here to address a United Nations Day dinner, planned to remain for a visit to the North Carolina Museum of Art.

At a news conference, Harriman described Nelson Rockefeller, who defeated him for the New York governorship two years ago, as incompatible with "the cold-blooded, hard-boiled attitude" of the men who run Republican party affairs.

A Democratic victory next year, the one-time ambassador to Russia asserted, is important both for the United States and to the world. Harriman charged that Republicans have allowed foreign relations to decline.

Dies of Injuries

SYRACUSE, N. Y. (AP)—William Thompson, 18, of Baldwinsville died in St. Joseph's Hospital Tuesday night of injuries suffered Tuesday when he was run over by a wagon loaded with corn.

Police said Thompson was attempting to walk along the tongue of the wagon, pulled by a tractor, when the wagon lurched and he fell. The accident occurred in Baldwinsville.

MOULTRIE, Ga. (AP)—Termites nearly destroyed some books in the Moultrie Junior High School library. The books with how to get rid of termites.

Second Victim Dies

SYRACUSE, N. Y. (AP)—Charles Beak, 7, died in Memorial Hospital today of injuries suffered in an automobile accident Oct. 11 in which his 11-year-old sister, Terry, was killed and his mother hurt.

He was the son of Mr. and Mrs. Richard Beak of LaFayette. Mrs. Beak is reported in good condition at the hospital.

MEET OUR BABY—TV actress Julia Meade introduces her baby daughter, Caroline. That's papa, Worsham A. Rudd, an artist, completing family portrait in New York.

In Borrowed Car

Newburgh Couple Killed in Crash

HIGHLAND FALLS, N. Y. (AP)—A man and his wife were killed Tuesday when their borrowed car went out of control, crashed into a stone wall and then rammed a utility pole.

The victims were Mr. and Mrs. Walter Bucker of Newburgh. He was 52, the wife 41. One of two sons riding with them, Gary, 7 suffered a fractured leg and a possible fractured skull. He was admitted to Cornwall Hospital. A second son, Richard, 5, escaped with minor injuries.

Police said Mrs. Bucker, had borrowed the car to drive her husband home from work.

Big Step for Him

ELIZABETH, N. J. AP)—A deaf-mute Hungarian refugee has had to learn to speak two languages in silence. When Paul Vida, 26, first arrived in the United States, he knew only the Hungarian symbols of the sign language. A couple here has taught him English and the American sign language.

Union Men Not Too Happy for Return Under T-H

MORRISVILLE, Pa. (AP)—Take it from bartender Tom Kane, most of his steelworker customers aren't too happy about the prospects of going back to work under Taft-Hartley injunction. And they're 100 per cent behind United Steelworkers President David J. McDonald.

"It's like a hammer over their head," Kane declared today. "They're eager to go back to work but not under the Taft-Hartley law. They'll follow their leader, McDonald, and if he says go back to work they'll go back."

Kane said that about 80 per cent of his customers at the Morrisville Gardens are steelworkers from the Fairless Hills Plant of U.S. Steel Corp. here. The long strike has idled some 7,000 employes of the plant.

One of the customers, Harry Lykens, 33, said that he felt very bitter about the situation.

"The steelworkers that I've talked to," Lykens said, "are opposed to the Taft-Hartley injunction. And they're very bitter. Even the ones with eight or nine kids who are really hurting.

"The people who never have seen the inside of a steel plant and the conditions we work under don't know how bitter the steelworkers are today.

"We sacrificed this much and now it turns out this way with nothing solved. If industry defeats labor we're on our way back to the dark ages.

"I'll bet you ten dollars to a nickel we'll be out on strike again at the end of the 80-day period if the Taft-Hartley is invoked. That's not going to help the country."

DUTCH TREAT—Audrey Hepburn admires a sign marking a street named in her honor in Doorn, Holland. Just behind the actress is her husband, actor Mel Ferrer.

Chessman Slated To Die Friday, Loses Ashes Bid

SAN QUENTIN, Calif. (AP) — Caryl Chessman, scheduled to die in San Quentin's gas chamber Friday, wants his remains cremated and the ashes scattered to the winds.

That's what he told one of his attorneys, Rosalie Asher, Tuesday. He gave her his will and authorized her to dispose of his personal effects.

But he won't get the wish. Miss Asher explained to Chessman the law prohibits scattering his ashes. She said the remains of the man who has spent 11½ years on death row for kidnap, robbery and attempted rape on Los Angeles lovers' lanes will be placed in a mausoleum.

Miss Asher said Chessman, 38, also authorized her to sign contracts after his death for film rights to his life story.

This is Chessman's seventh scheduled execution date.

Deaths

By THE ASSOCIATED PRESS

LAUSANNE, Switzerland, (AP) —Prof. Andre Bonnard, 71, internationally known expert on Greek literature who received the Stalin Peace Prize in 1954, died Sunday after a long illness. Bonnard became a member of the Communist-led World Peace Council in 1949.

LONDON (AP) — Sir Albert Braithwaite, 66, a long-time Conservative member of the House of Commons, died Tuesday, 12 days after he was re-elected to parliament.

KANSAS CITY, Mo. (AP)—Adam H. Black, 86, a pioneer manfacturer of oil field equipment, died Tuesday after an illness of several years.

PHILADELPHIA (AP) — Wendell W. Anderson, 58, president of Bundy Tubing Co. of Detroit, died Tuesday. He was a former U.S. ambassador to NATO and had been active in Michigan politics.

SAN DIEGO, Calif. (AP)—Adm. Frederick Joseph Horne, 79, vice chief of U.S. naval operations during most of World War II, died Sunday. He retired in 1946.

ALBANY, N.Y. (AP)—Dr. Louis J. Waldbauer, 63, nationally known chemist, died Tuesday. He was a supervisor at the General Aniline and Film plant at Rensselaer, N.Y.

Help for Dwarfed

JERSEY CITY, N. J. (AP)—Pencil marks on a kitchen wall that measure a little boy's growth bring more than the usual smile to Dr. Philip H. Henneman of the Seton Hall University College of Medicine. Dr. Henneman has made it possible for a few dwarfed youngsters to gain an inch or two in height through administration of shots gleaned from the pituitary gland. He is engaged in research here, hoping to expand the program.

Missile Chief Stepping Down

Space Argument Not Factor, Medaris Says of Retirement

EDITOR'S NOTE: Bem Price, AP specialist in military and space affairs, interviewed Maj. Gen. Medaris in September on the progress of the Saturn program. His story, released in October, had repercussions in high places. Here he analyzes what led up to Medaris' decision to resign.

By BEM PRICE

WASHINGTON (AP) — Maj. Gen. John Bruce Medaris, stepping down as army missile chief after four years of rocket successes and political defeats, says he is not quitting because of dissatisfaction with the U.S. space program.

The announcement that he will retire Jan. 31 came just seven days after the White House reportedly told him to shut up.

Medaris said, however, he had submitted his resignation more than 60 days ago. "That should make it plain to you," he told a New York news conference Tuesday, "that some present-day problems were in no way connected with my decision."

Is Very Tired

Medaris, 58, said he had been under strain for seven years and was very tired. But he conceded there was some inter-service top echelon "dickering, argument and debate" over the nation's space program.

He estimated the Soviet Union is about five years ahead of the United States in space and "we'd better just go like hell" to catch up.

Early in September Medaris received word that his big missile and space team, the Army Ballistic Missile Agency, might be transferred to the National Aeronautics and Space Administration.

Saturn Funds Cut

The two-star general already had received word that his funds for project Saturn, key to the U.S. big leap into space, had been cut from 135 million dollars to 70 million.

Saturn is the code name for the effort to develop a 1½ million pound thrust rocket engine.

In an interview at his headquarters in Huntsville, Ala., Sept. 16, Medaris appeared touchy and irritable. He finally admitted he was "mad enough to go through the roof." The interview was to be the basis for a story on Saturn due for October release.

Critical of Progress

On Oct. 12 the Medaris interview of Sept. 16 was published. Medaris was critical of the progress being made on the Saturn program and, indeed, the whole U.S. space program.

On Oct. 13 an army general, who cannot be identified, reported that "the Medaris story has certainly raised hell. The White House complained to Gates and Gates complained to Lemnitzer and Lemnitzer was told to tell Medaris to shut up."

The general was referring to Asst. Secretary of Defense Thomas Gates and Gen. Lyman L. Lemnitzer, Army chief of staff.

The general would not say who in the White House had made the complaint.

Marshall Is Laid To Rest Near Unknowns' Tomb

WASHINGTON (AP) — Gen. George C. Marshall rests today on a Virginia hillside overlooking Washington, where he served so long as a man of war and a man of peace.

He was buried Tuesday at Arlington National Cemetery near the Tomb of the Unknowns.

Two men whose careers were closely intertwined with Marshall's attended the services at Ft. Myer Chapel.

They were President Eisenhower, who was plucked from obscurity by Marshall to become Supreme Commander of the Allied Forces in Europe in World War II, and former Prsident Harry S. Truman.

Eisenhower and Truman, cool to each other since politics put them on opposite sides of the fence, nodded solemnly and shook hands. They had not met face to face for six years.

After Marshall had guided America's Army through World War II as chief of staff, Truman called him back from retirement as secretary of state and later secretary of defense. Tuesday Truman summed up Marshall as "the greatest of the great."

Printed Pattern 9354: Misses' Waist Sizes 24, 25, 26, 28, 30, 32. Size 28 takes 2 yards 54-inch.

Printed directions on each pattern part. Easier, accurate.

Send **Thirty-five cents** (coins) for this pattern — add 10 cents for each pattern for first-class mailing. Send to Marian Martin, The Kingston Daily Freeman, 73, Pattern Dept., 232 West 18th Street, New York 11, N. Y. Print plainly NAME, ADDRESS with ZONE, SIZE and STYLE NUMBER.

TEACHER HONORED AT DINNER — Faculty members of the Lake Katrine School Tuesday night honored Miss Margaret Lyle at an informal dinner at the Bowery Dugout. Miss Lyle, who taught second grade at the Lake Katrine School, last week was appointed assistant to the elementary supervisor of the Kingston School District (Consolidated). Left to right are Arthur Hartigan, head teacher; Edward R. Crosby, principal; Miss Lyle; Mrs. Theresa DeWitt, third grade teacher and Miss Margaret Matthews, kindergarten teacher, co-chairmen of the dinner. (Freeman photo)

Soft-Pedal Talk Of Milk Strike

NEW YORK (AP) — Talk of a metropolitan area milk strike was soft-pedaled today by both industry and labor spokesmen.

Both sides voiced dismay over reports published Tuesday that 13,000 milk processors and deliverymen were poised to quit work at the expiration of the current two-year contract at 4 p. m. Saturday.

Samuel J. Cohen, attorney for Teamster Union locals representing the milkmen, said the union was "astounded" over such reports. He said negotiations were continuing and that there had been no mention of a strike.

The milkmen handle and deliver milk supplies in New York City, Nassau and Westchester Counties, and parts of New Jersey and Connecticut.

Polio Shots Best After Six Months Of Birth: Study

By ALTON BLAKESLEE
Associated Press Science Writer

ATLANTIC CITY, N.J. (AP)—Waiting until babies are about 6 months old could be the best time to give antipolio shots, a new study suggests.

Otherwise, the vaccine might fail to protect many babies.

The reason is that the vaccine curiously seems to be nullified by natural protection which many babies temporarily inherit from their mothers, the research finds. When they are 5 or 6 months old, they lose this natural protection.

The findings based on detailed blood studies were presented to the American Public Health Assn. meeting here by Drs. Gordon Brown and Pearl L. Kendrick of the University of Michigan.

Salk vaccine, containing dead polio virus, stimulates the human body to create its own protective antibodies against future invasion by living, dangerous polio viruses.

But babies are often born with antibodies against polio and other diseases. They have them because their mothers had them floating in their own bloodstreams, which are shared with the infants before birth.

Known as passive antibodies, these antibodies protect for a time, then disappear. The baby has no more unless he gets vaccines, or is invaded by specific germs.

Poison Ruled Cause In Death of Man

LAKE BOMOSEEN, Vt. (AP)—A glass of poison, washed down with a second drink — of scotch whiskey — was listed Tuesday night as the cause of death of Theodore H. Leon, 51, at his summer camp here.

State Trooper Stephen W. Keith said Leon was a textile manufacturer who formerly lived in Great Neck, N. Y., but moved to nearby Bradford when he retired.

He said Leon left a note addressed to his wife, Martha, but declined to disclose what it said.

A search for Leon started when his family reported he failed to return to Bradford from a morning visit to the camp.

Strangled by Window

ST. LOUIS, Mo. (AP) — Little Susan Kirk, 2½, was playing in the family station wagon. A button which sends a window glass up and down caught her interest. She leaned out the window and pushed the button. The window rose, forced her neck against the top of the door and she strangled.

That is the way police reconstructed her death Tuesday.

Two boy scouts found her wedged in the window.

Susan was the youngest of the Rev. Jon W. Kirk's five children.

No Visitors, Letters

ST. JOSEPH, Mo. (AP) — In 1893, while Grover Cleveland was president, Miss Emma McDaniel, then 32, was admitted to a mental institution.

Last week she died there after 66 years without receiving a single visitor or letter.

Records show she was committed for "simple melancholia."

Mortician Favors Oldsters

DAYTONA BEACH, Fla. (AP) —The Daytona Beach Oldsters, a five man bowling team whose average age is 75 years, had been searching for a business firm to sponsor them in tournaments.

They finally found one — the Woodward - Lowther Funeral home.

Rosendale, Tillson News

31st Sportsmen's Club Dinner Nov. 7

The 31st annual banquet of the Rosendale Sportsmen's Association will be held this year at Spindler's, Maple Hill, Saturday, Nov. 7, at 7 p. m.

Anyone who wishes to attend man contact any member of the club or the committee: Vincent Steeley, Wilfred Doolittle, Edward Whitaker, Paul Cahill, Hogie Rask and Frank Rowe.

Fashion Show Sellout

No tickets will be available at the door at tonight's Rosendale Woman's Club fashion show it was announced today. The affair to be held at Williams Lake Hotel at 8 o'clock will feature fall fashions shown by area merchants.

Ladies Aid Sale

The rummage sale sponsored by the Tillson Reformed Church Ladies' Aid Society will be held Oct. 27 and 28 at 70 Broadway, Kingston, from 9 a. m. to 5 p. m.

Clothing and toys are being collected and organized for the sale by Mrs. Alvah Winfield and Mrs. Joel Woolsey, co-chairmen. They may be contacted by Monday for articles to be picked up. Monday is deadline for pick up of sale articles.

Featured at the sale will be winter clothing in good repair and some toys appropriate for Christmas.

Killed at Trestle

MAPLEWOOD, N. J. (AP) — Daniel Bolger, 9, was killed at a trestle Tuesday night by a train as a playmate watched. The two boys had gone to play near the tracks after school.

Soldier Is Wounded At N. J. NIKE Base

EAST HANOVER, N. J. (AP)—A Northport, N. Y., soldier stationed at the Nike guided missile base here was wounded in the heel and knee by a bullet Tuesday night.

Reports indicated the shooting was accidental but there was no official comment from the base. Victim of the shooting was Joseph McGaw, 20, of C Battery, 2nd Missile Battalion, 65th Artillery.

McGaw was reported in satisfactory condition at Morristown Memorial Hospital.

Morristown police said they had been barred from the case and the base commandant was not available for comment.

Child Health Clinic Is Set At Stone Ridge

A child health conference conducted by the Ulster County Health Department will be held at the Health Center in Stone Ridge Tuesday, Oct. 27, 9 to 11 a. m.

The clinics are limited to infant and preschool children for the purpose of improving child health through early recognition of defects, advice regarding nutrition, instruction of parents in understanding of growth and development, handling of minor behavior difficulties and the administering of immunizations for smallpox, diphtheria, tetanus, whooping cough, and polio.

These are well child clinics for the maintenance of health and prevention of disease, not for the care of the sick child. Children under the regular supervision of their own physician are not admitted unless the physician desires this service to be taken over by the child health conference. In this manner, duplication of service is avoided, facilitating the work of the private physician.

The first talking motion picture was demonstarted in New York City in 1928.

Think It Through

E. F. HUTTON

THE PARTY IS OVER

Government bonds are selling at new low prices. One issue that pays 2½% interest and falls due in 10 years sold recently at $80 on a $100 par.

Why should "the best security in the world" sell at such a discount?

It doesn't mean that the buyer won't get $100 for it 10 years from now, a gain of $20, plus $25 interest (2.50x 10), or a "profit" totaling $45.

He will get that. But what will $100 be worth 10 years hence? Maybe only $50 if inflation keeps rotting money. Or less.

The man who sells $100 bonds for $80, figures he can use the money perhaps by taking a flyer in the securities market. Then, if inflation continues, he hopes his common shares will rise in price and leave him better off than the man he sold the bonds to.

"Elementary, my dear Watson." But this arithmetic shows "the squeeze" the Government E. F. Hutton is in today. It can't sell its marketable bonds, payable in 5 years or more, at par, because Congress won't let it pay interest rates high enough to attract buyers in today's market.

This is bad news and it goes around the world causing people to weaken confidence in the U. S. A.

For 30 years we have piled debt on debt, and deficit on deficit.

The party is over, neighbor! We must reduce Federal spending, begin to pay off our debts, and stop inflation NOW.

Pastor Dies of Smoke

BOSTON (AP) — The Rt. Rev. Stephen el Douaihy, 77, pastor of Our Lady of Cedars of Lebanon church, died of smoke inhalation Tuesday when a fire burned his church. He had run from the rectory to the church, apparently to save sacred vessels. He emerged from the smoke-filled church and collapsed on the street.

YMCA Schedules Two Programs For Halloween

Kingston YMCA will schedule two Halloween parties and an open house on Halloween evening, Oct. 31.

A program of games and contests with costume awards and free refreshments will be conducted Friday, Oct. 30 for sixth, seventh, and eighth grade students from 7:15 to 11 p. m. Costumes will be judged on the most original the funniest and the nicest.

On Saturday from 9:30 to noon, the Y boys and their guests from 8 to 15 years, will participate in games and contests, skits and costume contest with awards. Refreshments will be served.

Saturday evening the YMCA will open its doors for the 16th annual Halloween night where games contests, awards and refreshments will be offered to those who attend. Louis Schafer, general secretary, Frank Rebollo, youth director and Richard Case, physical director, extend the invitation to young adults, teenagers who wish to have fun in a real Halloween atmosphere.

Coast Guard Eases Entry Requirements

Vision requirements for entrance to the U. S. Coast Guard Academy have been changed to include those applicants with 20/30 vision each eye correctable to 20/20 each eye, Vice Admiral Alfred C. Richmond, Coast Guard commandant announced today.

Prior to this change 20/20 vision in each eye, uncorrected was the requirement. An applicant must be a high school senior or graduate who has reached his 17th but not his 22nd birthday on July 1, 1960. Applicants still in high school must graduate and earn 15 units by June 30, 1960. The units must include three in English, two in Algebra and one in Plane Geometry. Candidates must be in excellent physical condition, between 64 and 78 inches in height with proportionate weight.

The 84th annual examination for the Academy, located at New London, Conn., will be held next February 23 and 24 in 120 cities of the United States, its possessions, and selected cities abroad.

An information booklet and application forms for entering the Coast Guard Academy may be obtained from the Commandant (PTP-2), U. S. Coast Guard, Washington 25, D. C. The completed application forms must be returned by January 10, 1960.

Health for All

A Lucky Accident

Dave was a brawny six-footer with shoulders so broad you wondered how he got through an ordinary door. For the three years he'd been running a drill press in a metalworking factory he hadn't been sick a single day.

Then a piece of iron pipe rolled off a passing dolly and whacked him across the foot. The foreman sent him for first aid, although after his first yelp Dave swore it wasn't anything but a bruise. The first aid station examined him a bit and sent him around to the nearby hospital for an X-ray.

Dave was wrong. He'd fractured a bone in his instep and he was in the hospital for a week. While there, he got a chest X-ray — routine at that hospital for all admissions. The X-ray showed that Dave had TB.

He took a lot of convincing. Hadn't been away from work a day in three years. Strong as an ox. "Look at these muscles, Doc." But Dave had TB all right, muscles or no muscles. He finally believed the doctor. He went to a TB hospital and stayed for the six months it took before he was well enough to go home again to continue treatment there. But all through he was a sadly puzzled man. Because at no time had Dave felt sick.

The fact is, you can have tuberculosis without feeling sick at all. It doesn't matter how big you are or how strong you look. You can still have TB.

Dave's TB was detected early. But it was only a lucky accident. Smart people have themselves tested for TB regularly by means of a tuberculin test or a chest X-ray, without waiting to be walloped by an iron pipe. With TB, it's the only way to be sure.

This column is sponsored in the interest of better health by Ulster County TB and Health Association, 124 Green Street.

There's nothing like a new car and no new car like Chevrolet. This is the exciting Impala Convertible!

SIXTY'S SIZZLER

The car with the year's hottest style is getting the warmest reception of all! And it's no wonder . . . when you look at all the new and different things Chevrolet has for 1960! Come and see it!

THAT'S CHEVY!

You can tell already, by the growing number of new Chevrolets you see on the road, that this one's the sizzler for Sixty! It was bound to happen. When you make an effort to find out all the things most people want in a car, then make sure they're all designed into a car most people can afford, you're sure to get a pretty hot reception.

People look over Chevrolet's 16 freshly styled '60 models. They see a choice of 24 engine-drive combinations, including a new Economy Turbo-Fire V8. They drive a Chevy. They like the way the ride has been polished and perfected with new rubber-cushion body mounts muffling road hum and vibration. They like Chevy's wide seats, its wonderfully easy handling, the whole feeling of cruising along smoothly and comfortably in a car that never tires of travel. They just can't see a good reason for looking any farther.

Matter of fact, it looks like Chevrolet has a corner on quality and fine features in its field. Even costly cars have to look to their laurels—Chevrolet sets a new standard by matching elegance with economy. By offering luxury you've never seen before in Chevrolet's price class. We've got a good, strong hunch you'll go for this one. Just drive it around your Chevrolet dealer's block . . . you'll see!

CHEVROLET

The Superlative '60 Chevrolet . . . nearest to perfection a low-priced car ever came!

Top entertainment—The Dinah Shore Chevy Show—Sundays NBC-TV and the Pat Boone Chevy Showroom—Weekly on ABC-TV.

10th Anniversary To Be Observed By CYO in County

National Catholic Youth Organization Week observance in Ulster County will start on Sunday, Oct. 25 with a holy hour and solemn benediction in St. Peter's Church, Rosendale, and will conclude on Sunday Nov. 1 with the annual schoolboy cross-country run at Hasbrouck Park.

The ceremonies will mark the tenth anniversary of the CYO in Ulster County.

The Rt. Rev. Msgr. Joseph F. Connolly, pastor of St. Philomena's Church, East Chester Extension, Town of Ulster, will address the assembly at Sunday's service at Rosendale. A special invitation has been extended to all members of the Boy Scouts, Cubs, Girl Scouts, Brownies, Campfire Girls, Blue Birds, St. Ursula Girls and other CYO groups, to meet at St. Peter's Church, Rosendale for a procession into the church before the ceremony.

To Receive Communion

All uniformed groups will be seated in the center aisle of the church. Rosary recitation will be led by various youth groups.

The CYO Communion Crusade begins Sunday, with each member receiving the sacraments, for the special intentions, in his respective church. Adults also are invited to participate in these activities.

It is estimated that more than 2,000 Catholic youths in Ulster County will join with the 250,000 in the New York Archdiocese in the crusade.

Has Extensive Program

CYO Week marks the official opening of CYO year which includes in its program in Ulster County, basketball leagues, baseball and softball, track and field meets, bowling, teen age dances, doll shows, art, craft and hobby shows, drama contests, quiz and essay contests, scouting, foul shooting events, communion breakfasts, an oratorical contest, bus trips, religious demonstrations, sports clinics and other events.

"Spiritualize Youth, Vitalize Nations" is the theme for national CYO Week, and Cardinal Spellman has been joined by President Eisenhower and Vice President Nixon, Governor Rockefeller and mayors throughout the country in saluting the young people participating in the observance.

Leo A. Schupp, Ulster County director of CYO says this year there will be many events held in various parishes throughout the country marking the nation-wide observance.

Vols Hear Talk By Johnson; Next Is at Sawkill

George J. Johnson, manager of the Kingston Social Security office, spoke before the October meeting of the Ulster County Volunteer Firemen's Association Tuesday night at Tillson where the association was guests of Tillson Fire Company.

Johnson spoke on Social Security and particularly as it pertains to firemen. He pointed out that Boards of Fire Commissioners, or the secretary of such boards, must file a report quarterly listing such employees as may be under salary. This includes custodians, janitors or other employees who receive compensation. These fire district reports must be filed every three months, he pointed out.

Murphy Gives Report

Former Kingston Fire Chief Joseph L. Murphy reported on a meeting in Newburgh last Sunday when the "clearing house" committee on legislation held a session at Veteran Firemen's Hall, to discuss proposed legislation and thresh out facts on proposed bills.

The Inter-county Committee will hold a meeting on November 8 to discuss legislation which will be recommended to the Legislative Committee at Albany. Each association has representatives on the Inter- County committee who submit local suggested legislation. The Inter-County committee then reviews it and either rejects it or sends it on to the Legislative Committee at Albany where it finally presented to the legislature for action if approved.

Named by the Ulster County Volunteer Firemen's Association to represent it on the Inter-county committee were Joseph L. Murphy, Morton Finch, Rodney DuBois, Adam Ulrich, Lawson Upright, Al Beatty, John Ludlow, Ernest Ahlberg, George Majestic and Harold Meredith.

34 Companies Present

There were 34 companies represented at the meeting Tuesday evening with approximately 100 in attendance. The November meeting will be held at Sawkill. At the close of the meeting refreshments were served by the Tillson Fire Company.

2-Way Radio Discussion

During the evening there was a discussion on the two-way radio which will be in full operation shortly. Final tests have been practically completed and final checks of equipment are now being made. It was reported that while base station operators must be licensed, members of individual fire companies need not be licensed operators to use the equipment.

Members of the Ulster County Volunteer Firemen's Association advisory board will meet Monday, Nov. 9, to discuss the Mutual Aid program. The time and place of that meeting will be announced by the secretary.

Maiden name of Mother Eddy, founder of Christian Science, was Mary Ann Morse Baker.

VISIT POULTRY RESEARCH FARMS—Seventy-five poultrymen and industrymen flew on a giant Douglas DC-4 plane to Des Moines, Iowa, recently to tour the Hy-Line Poultry Research Farms where they inspected the most complete poultry research operation in the world. Among those making the trip and visit to three large breeding research farms were, (back to front on left side of ramp), Charles Weidner, West Shokan, and Harry Tapper, Accord; (back to front on right side of ramp) William Thorne, Chatham; Robert Prosser, Florida, N. Y., and Morton Baron, Spring Valley.

Woodstock Area News

LISA TIANO, Correspondent

Margo Taylor New President Woodstock Guild Shop Board

Margo Taylor was elected president of the Woodstock Guild of Craftsmen's Shop Co-Op at the recent annual election meeting of consignor members.

Other officers named were Carolyn Wilson, vice president; Hazel McGraw and Anita Stallforth, reelected secretary and treasurer, respectively.

Other members of the board are Rodney Lethbridge, consignors' representative; Naomi Hodarath, Maxwell Houghland, membership chairmen; Gordon Howe, publicity chairman; Courtenay Marvin, Nan Mason, Zellah Pike, Joan Pond and Katharine Wangler, shop representative.

Plans for the forthcoming Holiday Fair were considered and consignor members are asked to leave with Mrs. Wangler in written form their suggestions or ideas for this Christmas event. The Fair opens the Friday following Thanksgiving and continues until Christmas.

Pike and Tiano Guest Speakers For Taxpayers

John Pike, incumbent councilman on the Woodstock Town Board, who is seeking re-election, and Charles J. Tiano, Independent and Democratic candidate for supervisor will be guest speakers at the regular monthly meeting of the Willow, Lake Hill, Shady Taxpayers Association, Inc., at the Mink Hollow Ranch in Lake Hill.

The two guest speakers represent each of the major political parties and were invited by the taxpayers to present their platforms and views.

Pike is substituting for Abram F. Molyneaux, Republican candidate for supervisor, who is a patient at the Kingston Hospital suffering from a recurrent attack of jungle fever he first picked up in the Pacific fighting.

President Jame McVitty said several important business items are on the agenda. Members are urged to bring their friends. Refreshments and a social period will follow the meeting.

'Miracle of Increase' Rev. Cook's Topic at Methodist Churches

The Rev. James Cook will preach on the topic "The Miracle of Increase," Sunday, Oct. 25, in the Methodist churches at Wittenberg and Shady. Woodstock will observe Rally Day.

The Rally Day program will be under the supervision of Harry Mirick, who is Sunday School superintendent and chairman of the Commission on Education. The text for the Rev. Mr. Cook's sermon is from the Gospel of St. John, chapter 6, verses 1-14.

Church Calendar

Sunday, Oct. 24—The WSCS of the Wittenberg Church will put on a baked chicken supper in the church hall.

Monday, Oct. 26—The Wittenberg Commission on Education will meet at 8 p. m. at the home of Mrs. Charles Bailey.

Schedule of Services

Wittenberg — Church, 9:30 a. m.; Sunday School, 10:30 a. m.; Woodstock — church, 11 a. m.; Sunday School, 10 a. m.; Shady—church, 7:30 p. m.; Sunday School, 10:30 a. m.

'Charter of Liberty' Reformation Sunday Topic for Rev. Sands

October 25 will be celebrated as Reformation Sunday at the 11 a. m. service in Christ Lutheran Church, Woodstock. The Rev. G. Oliver Sands plans to preach on the topic: "The Charter of Liberty," as found in St. John 8:32—"And ye shall know the truth and the truth will make you free."

The Sunday school meets in regular session with classes for all age groups at 9:45 a. m. The Augusburg theme to be considered is "Undaunted Witnesses" based on Acts 4:1-14.

All are welcome to these services. Can we truly say, "I was glad when they said unto me," Let us go into the house of the Lord!".

Youth choir rehearsal is scheduled Thursday at 7 p. m. followed by Senior rehearsal at 7:45 p. m.

The Luther League meets Friday at 7:30 p. m. at the parsonage, with Carol Mae Ennist as leader. All young people are cordially invited.

Democratic Club Rally Is Tonight

Prominent Ulster County Democrats and the entire Democratic ticket and guests will attend the Woodstock Democratic Club's dinner rally tonight at 7:30 o'clock at the Holiday Country Inn on the Saugerties-Woodstock road.

Democratic town chairman Donald Twine said the rally would be the largest function of its kind ever staged by the Democratic party.

Several acts of entertainment, including specialty numbers by Billy Faier and Sonia Malkine will be presented during and after the dinner, which is open to the public.

Service Guild Meets With Mrs. J. Garside

The Wesleyan Service Guild of the Woodstock Methodist Church will meet at the home of Mrs. John Garside tonight at 8 o'clock.

A stimulating program, "Good News of Peace and Life" will be presented by Mrs. Thomas Horsey. The president of the Woodstock Provisional League of Women Voters, Mrs. Manuel Bromberg, will share some of her knowledge and experiences about the American Association for the United Nations with the group.

This is a non-governmental organization devoted to building a strong and effective public opinion in support of the United Nations. A phonograph record, "The Lady From Philadelphia" from the "See It Now" soundtrack, with Marion Anderson as soloist, will also be presented.

Child of Former Area Couple Is Found in Jersey

Four-year old Judy Kemmerer of Roselle Park, N. J., daughter of a former West Hurley couple, was the object of a wide police search Friday when she wandered away from a beauty shop in Cranford N. J., where her mother Ruth Kemmerer was a customer.

After a five and a half hour search the child was located in Elizabeth, some four miles from where she had disappeared. Judy said she had left the beauty shop and started to 'walk home.'

Found by a Elizabeth police officer, the child knew only her first name and said she lived "in a big house on Newark street." Mr. and Mrs. Jerry Kemmerer live at 47D Colfax Manor, Roselle Park, and Mr. Kemmerer, formerly employed as a watchmaker at the Safford & Scudder jewlery store, 310 Wall Street, Kingston, operates a watch repair shop at 7 E. South Avenue, Cranford.

When the girl was discovered missing by her mother, an alarm was sent out by Cranford police. A report that a child had been seen walking toward the Rahway River about the time the child left the beauty parlor, caused a search of the river. A dam was opened in the river to lower the water and firemen and public works employes waded the river for an hour and a half before giving up that search.

The missing persons report sent out by Cranford police was received by the Elizabeth police and the identity of the little girl was established. Mrs. Kemmerer was driven by Roselle Park police to Elizabeth for a happy reunion with her daughter.

Late Bulletin

WASHINGTON (AP) — The Supreme Court today granted a stay of execution for Caryl Chessman, under sentence to die Friday in California's gas chamber.

The stay was granted to permit the convict-author to file a new appeal. The appeal must be filed by Nov. 3.

Counsel for Chessman had asked Justice Douglas to grant a stay, but Douglas referred the request to the full court.

22 Drivers Fined $310 in City Court On Tuesday Night

Twenty-two drivers paid $310 in fines on traffic charges last night in city court.

City Judge Aaron E. Klein gave two of them, booked for speeding as second offenders, the choice of paying $50 fines or spending 25 days in jail. The fines were paid by both; John J. Sharot, 153 TenBroeck Avenue, and Peter F. Steketee, 293 Greenkill Avenue.

The case of Blas Rosado Agosto, 25, of 73 Franklin Street, who was arrested last Friday on a charge dealing with alleged exposure of person, was put over to Oct. 27 to permit him more time to obtain counsel. He awaits hearing at the county jail.

Fined $15 each on charges of speeding were: David Leo Heiden, Box 131, Saugerties; Daniel John DeFranus, Hyde Park; John P. Wiley, 61 Wurts Street; Vincent John Caliendo, Route 4, Box 315; Casimiro Landi, St. Remy; Edward J. McAleese, McKees Rocks, Pa.; Saule Rosen, RD Box 542, Kingston; Theresa Ritter, 28 Foxhall Avenue; Thomas M. Woodward, Sweetmeadows, and Alfred DiBella, 345 South Wall Street.

Irwin Sobel, 112-20 71st Road, Forest Hills, paid $5 each on charges of lacking an inspection sticker and driving the wrong way on a one-way street. Claude W. Weekley, 158 Washington Avenue, was fined $5 each on charges of driving with an inadequate muffler and with insufficient lights.

Others fined $5 each were: William C. Paige, Saugerties, inadequate muffler; Francis DiPietro, 36 Washington Avenue, red light; Terry Curtis, 161 Fairview Avenue, stop-sign; Mary Lou Turck, Ulster Park, stop-sign; Thomas Cerwonka, 189 Hurley Avenue, flashing red light; Roy Harold Haven, 123 Greenkill Avenue, double white line, and Ronald Costello, RD Box 3, Ruby, flashing red light.

James Kokkinos, 349 Clifton Avenue, one of two drivers charged with failure to yield right-of-way after mishaps with police cars last Sunday, was fined $5. The other, Kathleen DeCicco, of 325 East Chester Street is due in court Oct. 27. Several other cases were adjourned last night to that date.

Post 150 Favors McGregor to Stay As Vets' Camp

Members of Kingston Post, No. 150, American Legion, last evening went on record as approving the retention of the Mt. McGregor facilities in Saratoga County as a veterans convalescent camp. A resolution was unanimously passed for retention of the camp which has been under discussion for some time as a site for a juvenile delinquent installation.

Membership - wise Kingston Post is in better condition at this time than it was on Dec. 1 last year. In a membership drive to have old members sign up early and new members enlist as members, the Post has been successful with the paid-up membership well ahead of last year.

2 Services Nov. 11

Plans for observance of Veterans Day on Wednesday, Nov. 11, were discussed. There will be the service at City Hall at 11 a. m. Nov. 11 and a program at the Municipal Auditorium in the evening.

Plans for sale of the new 50-star flag by the Post were also discussed.

Talks on Pension Act

Charles L. Culver, New York State Division of Veterans Affairs, and Post service offices spoke on the new veterans pension act of 1959 which, when it becomes effective on July 1, 1960, will under present estimates take in about 270,000 widows and children of World War II and the Korean conflict who have not before been eligible for pensions. The Veterans Administration estimates that the new pension law will be beneficial to at least 70 per cent of those eligible to receive pensions.

Culver explained that the new Pension Act of 1959 provides for non-service disabilities and he elaborated on the provisions of the Act. It relates to non-service contracted disabilities and he pointed out that this new provision will in no way affect those receiving pension under former law. Those who have been receiving a pension will not lose that right.

Effective July 1, 1960, the new pension will be paid on a "sliding scale" according to the income of the veteran or his widow. World War II and Korean veterans will now be eligible for a pension under similar circumstances as veterans of World War I. Prior to the new pension act, it was necessary for a veteran to have at least a 10% disability before his widow could be considered for a pension.

Newsman Refuses to Tell Sources of Information

John Douglas, former Ellenville resident, now a reporter for the Albany Times-Union, yesterday refused under oath to disclose the source of his "tip" that Schoharie County was the unwilling possessor of an air force consisting of two twin-engine Beechcraft airplanes. Schoharie County has no air force or landing field.

Douglas, who is well known in this area where he has followed the Ulster County "kickback" probe for his paper, refused under persistent questioning to tell a Schoharie County Board of Supervisors investigating committee about the "airplane fiasco".

Charges Interference

Subpoenaed before the committee, Douglas refused to divulge his source of information on the grounds the source of his information was neither relevent nor pertinent to the investigation.

James Eldredge, Cobleskill supervisor who is chairman of the investigating committee declared the reporter's stand was "interfering with the affairs of this committee" and termed it a "lack of cooperation on Douglas' part."

Earlier in the investigation at a public session, Douglas and his paper had been "complimented" and thanked for their cooperation.

The investigation has been commenced to ascertain why Schoharie, which has no air force or airport, became the apparent owner of two surplus airplanes. One of the planes is at Ballston Spa and the other, when the investigation was commenced, was at Big Spring, Texas. The second plane was later said to be winging its way to Ballston Spa after it had been ordered off the Texas field.

Says Order Is Error

Edward Lingenfelter, Schoharie County Civil Defense director, says he ordered the planes but told the committee he was guilty of "an error in judgment." The matter is also under investigation by District Attorney T. Paul Kane

Other newsmen beside Douglas were subpoenaed to the hearing. They include Cobleskill publishers and Gerald Wharton, publisher of the Schoharie Review and Middleburg News. All said their source of the news was the Albany paper.

The investigation has been recessed to Thursday.

Local Death Record

Edward Hommel

Edward Hommel, 78 died at his home, RD 2, West Saugerties, Tuesday. His wife, the former Pauline B. Ellwine, died Oct. 11. Born in Saugerties, Mr. Hommel was a member of the Catskill Mountain IOOF Lodge 487, Queen of the Catskill Mountain Rebekah Lodge 36 and the West Saugerties Community Club. He was a retired stone cutter. Surviving are two sons, Gustave of Palenville and Paul of West Saugerties. Funeral service will be held at the Hartley and Lamouree Funeral Home, Main and Second Streets, Saugerties, Saturday 2 p. m. The Rev. August Pfaus Jr., pastor of the Blue Mountain Reformed Church will officiate. Burial will be in Blue Mountain Cemetery. Friends may call at the funeral home Thursday evening and Friday.

Mrs. Anna Speziale

Mrs. Anna Speziale, 62, wife of Salvatore Speziale of Kerhonkson, died at Benedictine Hospital this morning. Besides her husband, she is survived by a daughter, Mrs. Alex Wolfson of Kerhonkson; two sons, Alberto Rosseli of Buffalo and Charles Rosseli of Brooklyn; 11 grandchildren, six great grandchildren and several nieces and nephews. Three sisters and a brother also survive. The funeral will be held from St. Mary's-St. Andrew's Church, Ellenville, Friday at 10 a. m. where a Mass will be offered. The Rosary will be recited at the H. B. Humiston Funeral Home, Kerhonkson, Thursday night. Friends may call at the funeral home Thursday afternoon and evening. Burial will be in Fantinekill Cemetery, Ellenville.

Stewart J. O'Dell

Stewart J. O'Dell, Churchville, RD 5, Rome, died unexpectedly at 5 p. m. Sunday in Rome Hospital, following a heart attack at his home. He was an inspector at the Rome Cable Corp., where he had been employed 20 years. He was born in Lee Center, May 11, 1886, a son of Henry and Carrie Dunham O'Dell. In Rome on Sept. 23, 1929, he married the former Gertrude Akins who survives. Other survivors are a daughter, Mrs. Alfretta Carpenter, Churchville; two sisters, Mrs. Hazel Gifford, Weedsport, and Mrs. Mabel Ordway, Kingston and a grandson, Carl Carpenter, who is in the U. S. Navy. Mr. O'Dell was a member of St. Peter's Lutheran Church in Churchville. Funeral services will be held at the Griffin and Aldridge Funeral Home, Rome, at 2 p. m. Thursday. Calling hours are from 2 to 5 p. m. and 7 to 9 p. m. Burial will be in St. Peter's Lutheran Cemetery in Churchville.

Charles Carson

Charles Carson, 78, died at the home of his daughter, Mrs. Eugene Palmatier, 82 Bradford Street, Albany, Tuesday. Born in Kingston he made his residence here until seven years ago when he moved to the home of his daughter. He was a retired plumber. Mr. Carson was a member of St. John's Episcopal Church. He was the husband of the late Eva Nicholas Carson and father of Ralph and Floyd Carson, Mrs. Martin Wheeler, Mrs. Eugene Palmatier, all of Albany; brother of Mrs. Edith Banas of Detroit, Mich. Also surviving are seven grandchildren and two great grandchildren. Friends may call at the W. N. Conner Funeral Home, Inc., 296 Fair Street Thursday from 2 to 4 and 7 to 9 p. m. where funeral will be held Friday at 2 p. m. The Rev. Robert T. Shellenberger will officiate at the service. Burial will be in Wiltwyck Cemetery.

Charles Ricks Sr.

Charles Ricks Sr., 68, of Mt. Marion, died at his home Tuesday. He was born Jan. 28, 1891, in the Town of Saugerties, and had lived in Saugerties all of his life. He retired from the dairy farming business about 10 years ago. He was the son of the late William and Alice Cole Ricks. Mr. Ricks was a member of the Centerville Methodist Church. Surviving are his wife, Madeline J. Convery Ricks; two daughters, Mrs. Sarah Alice Lewis of Cementon and Mrs. Emma Stele of Palenville; a son, Charles Ricks Jr. of Mt. Marion; a brother, Harry Ricks of Veteran; 13 grandchildren and a great grandchild. Also surviving are many nieces and nephews. Funeral services will be held Friday 2 p. m. at the Seamon Funeral Home, John and Lafayette Streets, Saugerties, with the Rev. George P. Werner, pastor of the Saugerties Methodist Church officiating. Burial will be in Mt. Marion Cemetery. Friends may call at the funeral home at any time.

Child Falls From Car

A two-year-old boy escaped serious injury when he fell from his father's car early yesterday afternoon on Albany Avenue Extension near the Chambers School. Local police were notified that Harry J. Hutton Jr., son of H. J. Hutton, of Kirkville, suffered head injuries, but had escaped with "no apparent serious injuries." He was treated and detained for a short time at Kingston Hospital for X-rays. The sheriff's office was notified of the mishap.

Saccoman to Speak

U. S. Commissioner Thomas Saccoman will be the guest speaker at the regular monthly meeting of the Republican Club of the Town of Rosendale at Grange Hall Tuesday, Oct. 27. Refreshments will be served after the meeting.

Reports Rifle Stolen

Donald Genther, of 237 Hasbrouck Avenue, notified police Tuesday afternoon that a .22 calibre rifle and some shells had been taken from his car while it was parked on Livingston Street.

Money Bugs

NEW DELHI (AP) — A tiny bug—the lac—contributes an average of 20 million dollars to India's foreign exchange each year. That is the value of exports of natural resin left by the lac on trees throughout upper east India. The resin is used in dyes, paints and varnishes throughout the world. The lac gets its name from the Indian expression for 100,000—lac or lakh.

Do You Remember

By SOPHIE MILLER

One question that has come up in my mind a number of times. Did children get free high school education years ago, or just grade school. Is high school a luxury paid by the taxpayers today, that they did not have years ago?. I know when I used to want to quit high school before I graduated, my father often told me, it was a privilege to go to high school and under no circumstances would he let me quit.

In Europe, it was more difficult and expensive to get a higher education and my father and grandparents had university training and knew what formal education was worth, over there, which we were given free over here.

Going back to an Ulster Republican of Sept., 1844, printed here in Kingston there is a detailed advertisement covering the famous old Kingston Academy. A number of students of that Academy are still living, some taught in our own Kingston High School. According to the advertisement "the Academy is furnished with an extensive library and good chemical and philosophical apparatus. The academic year is divided into three terms. It starts on the third Wednesday in August and ends last Wednesday in July."

That gave them only one month vacation in summer. For tuition they listed $16 per year for geography or English grammar. They charged $12 in the primary department for reading, writing, spelling and arithmetic. They also taught such subjects as chemistry, astronomy and bookkeeping. There was music with use of piano for $48 per year, the most expensive course of all. French and Spanish was $20 per year. Drawing and flower painting was also $20 per year.

Those who went to the academy in the winter had to pay 50 cents extra "for fuel." This advertisement further stated "Board in respectable families, near the academy, where the pupils will be under the supervision of the principal, can be obtained, at prices varying from $1.75 to $2.50 per week." They also stated that the "bills are payable and made out two weeks before the close of each term." M. Schoonmaker was president, and J. D. Ostrander was secretary.

I think every high school student, at some time or other, during the four years feels like quitting for various reasons. Then is the time the parents have to urge him to go "just another day," that is what my father used to say. "Pa, if I don't pass algebra, I'm not going back." is no doubt heard in many homes. Later when my father paid tuition I felt differently about it. High school seemed like compulsory education, perhaps I was younger then.

In my time, without a high school diploma one could hardly get a good job in an office. Large establishments would not even give you an interview unless you could prove you were a graduate. I think as time goes on, science and knowledge of languages will play a big part also. I remember my fellow workers were always taking courses in their time off. They would rush home from their jobs to the girl's "Y" and be off with their books again. There were so many splendid schools in New York City bringing you in contact with other students. They in turn would take you to free lectures and concerts. There were always museums, libraries and exhibits where fellow-students were bound to take you. That is the best type of free education one can get in a big city, plus very reasonable courses.

Wrong Number, Sorry

RICHMOND, Va. (AP) — There is no telephone listed for J. G. Hening elementary school here and there won't be. But there is a telephone listed for J. G. Hening and he and his wife are tired of answering "Sorry, wrong number." The school was named for his late father.

Woodstock Men Appointed To Space Program Posts

JAMES E. HAMLIN

HARRY C. LAWSON

The appointment of two Woodstock men to IBM posts in Washington, D. C., were announced today.

James E. Hamlin has been named manager of the special systems at IBM's Space Computing Center and will work on Project Mercury, the United States effort to put a man in space. He is now manager of the Kingston computing center.

Harry C. Lawson will be an account representative for space programs at the Washington office of IBM's Federal Systems Division. He is presently an administrative assistant in the Kingston marketing department.

Hamlin joined IBM in September, 1950, as a customer engineering student in Denver, Colo., and served as a customer engineer until May, 1954. At that time, he joined early SAGE computer development as a programmer. He was named associate engineer in December, 1955.

Hamlin advanced through several engineering programming positions until December, 1957, when, with the title of development engineer, he was named manager of the Kingston computing center.

Hamlin is a veteran of five years service with the U. S. Air Force. He received bachelor of science degrees in electrical engineering and in marketing from the University of Colorado. He is a member of the Institute of Radio Engineers, Eta Kapa Nu, and Beta Gamma Sigma.

Hamlin, his wife, Betty, and sons, Richard W., 6, and Scott J., 2, will reside in Bethesda, Md.

Lawson joined IBM in June, 1952, as a technical engineer at Poughkeepsie. He served as an instructor and as manager of systems test in early SAGE development before being transferred to Kingston in April, 1956, as a project manager in systems test. In March, 1958, he was named administrative assistant in marketing.

Lawson earned a bachelor of science degree in electrical engineering at Vanderbilt University, Nashville, Tenn. A veteran of two years service with the U. S. Navy, he is a member of the Institute of Radio Engineers.

Lawson, his wife, Margaret, and children, Sharon, 4, and Jennifer, 1, reside at Ratterman Road, Woodstock.

Esopus Legion Will Sponsor Polio Clinic

A free polio clinic is scheduled Wednesday, Oct. 28, at the American Legion Memorial Home, Port Ewen for all residents of the township of Esopus.

Chairman Roger Mabie of Town of Esopus Post 1298, American Legion, sponsors of the clinic, urges all residents to take advantage of the opportunity to secure inoculations and protect themselves and their families from the dread disease. Persons from 3 months to 40 years of age may receive the inoculations. Voluntary contributions will be accepted for the National Foundation.

It is planned to hold the clinic during the late afternoon and again from 7 to 9 p. m. Post 1298 has secured doctors and registered nurses who will volunteer their services. Registration will be supervised by Charles Montifia, Chester Barth and Richard Williams, members of the post polio committee.

At a recent meeting of the post Burton Heldron, a past commander of 1298, was appointed temporary financial officer during the illness of Edward McBroom.

Sergeant-at-arms Milton Tsitsera asked for a large attendance at the Veterans Day service Nov. 11. At 11 a. m. the post members will gather at the World War I monument in Ulster Park for services and will furnish a color guard for the evening memorial service at the Kingston Municipal Auditorium.

The Esopus Legion's 15th annual card party will be held at the town hall Thursday, Nov. 19 at 8 p. m. Patrons and members have been contacted by mail and early responses have been gratifying.

Little League president C. W. Barth has announced that officers elected for the year 1959-1960 are:

Richard Howard, president; Kenneth Bonville, vice president; Arnold Ellsworth, secretary; Burton Heldron, treasurer and Milton Tsitsera, player agent.

President Leaves for Vacation

WASHINGTON (AP)—President Eisenhower left today for a five-day visit to Augusta, Ga., hoping that golfing in sunshine there would help him shake off a lingering cold.

The President flew in the Columbine II, the four-engined propeller plane he used when he first entered office.

Some rain was forecast for the Augusta area today and Thursday but it will be warmer than Washington. The temperature was 54 degrees as Eisenhower left.

Golf Friends Go

Accompanying the President on the trip were two of his golfing companions, Cliff Roberts, president of the Augusta National Golf Club, and Ellis Slater, a member of the club and chairman of the board of National Distillers.

Eisenhower plans to return to Washington Sunday evening or early Monday morning.

While Eisenhower still has lingering traces of the cold he caught last month, press secretary James C. Hagerty said this was not a major factor in the decision to go to Augusta. He also said the President's general health is excellent.

Hagerty announced late Tuesday that in mid-afternoon Eisenhower had made up his mind "just like that"—and the press secretary snapped his fingers—to pay his 23rd visit to the Augusta National Golf Club since his election in 1952. The famed course—shut down each year from May until mid-November — is being opened about three weeks early to receive the President.

Hagerty said Eisenhower's decision to go was prompted by forecasts the Augusta weather will be warm and sunny the rest of the week.

Meets Herter Earlier

In order to make the trip the President canceled a news conference he had scheduled for this morning in Washington. He did arrange separate White House meetings, just ahead of departure, with Secretary of State Christian A. Herter and leaders of the government's space and missiles programs.

Typewriter Part

tain he suddenly turned and made a dash for freedom.

Several policemen pursued the accused man through Little Washington Street and east to Market Street, where an unidentified pedestrain grabbed the handcuffed prisoner and held him until police arrived. Meanwhile, Patrolman Robert Berberich fired a warning shot as he joined the chase.

Loot Recovered

Donohue said the defendants are accused of stealing lawn mowers, a typewriter, a refrigerator, and other household articles from five homes in the Town of Clinton. Much of the loot has been recovered.

Donohue told a Freeman reporter that a break came in the case when he found a letter arm of a typewriter. The arm, he said had been snapped from a stolen typewriter, which was recovered in a Poughkeepsie pawn shop. The letter arm, Donohue said fitted the stolen typewriter and further investigation resulted in the arrests of the Yagers, who Donohue said have prior police records.

Denies Pension Plan Altered to Benefit Hoffa

LOS ANGELES (AP)—A former Senate prober says the Teamsters Union altered its pension plan to benefit President James R. Hoffa and his aides at the expense of veteran union organizers.

The union denied the accusation by Robert F. Kennedy, ex-counsel for the Senate committee investigating rackets.

Kennedy told the American Trucking Assn. Tuesday that the new plan would pay Hoffa $20,000 a year for life "even if he were ousted tomorrow." He said it guarantees Hoffa, and his associates large pensions regardless of their length of service.

He said the changes would be financed by cutting back the pensions of veteran organizers and making the new pension retroactive for 15 years.

A Teamsters spokesman in Washington said Kennedy was in error.

"No one will take a beating," he said. "When the program is finally formulated, it will be published.

Report Is Due

has come down that its funds have been cut from 135 million dollars to 70 million. Maj. Gen. John B. Medaris, who has headed this effort, has just resigned, although he says his resignation was not a protest action.

The problem is that Saturn has no immediate and direct military application. Its huge thrust is five times more than is needed to fling atomic warheads between continents. Its value is in the exploration of space.

Saturn Best: Medaris

Medaris, in a New York speech Tuesday night, said the Saturn program "is our best present bid for parity" with the Soviets in this field.

"I am personally convinced," he said, "That we cannot afford not to compete with whatever it takes to win. I do not believe that we are prepared to abandon any part of the universe to the undisputed domination of communism."

Eisenhower scheduled his high powered advisors' meeting just before leaving for five or six days of golf at Augusta, Ga.

Summoned to the White House were Dr. T. Keith Glennan, civilian space administrator; Dr. George Kistiakowsky, the President's science advisor; Secretary of Defense Neil H. McElroy and his deputy, Thomas S. Gates; Dr. Herbert York, the Pentagon's director of engineering and research, and Acting Budget Director Elmer Staats.

May Go to Civilian Group

The presence of the budget official could mean Eisenhower is leaning toward the idea of placing Saturn under the civilian agency, the National Aeronautics and Space Administration.

Top Pentagon officials, including McElroy, now favor this course.

Von Braun also spoke out on the problem Tuesday, saying "instead of wasting time and energy in ponderous re-appraisals and re-examinations, we ought to pitch in to get the show on the road and get it into space."

Von Braun said he had no intention of resigning from his key job as head of the Huntsville scientific team even if the project was shifted from the Army to NASA. But he said he and his scientists need a "pleasant atmosphere" to work in.

$22,000 In Awards

Kapers Show Set For Oct. 26-28 At High School

Over $22,000 in educational awards have been made to 65 boys and 41 girls by the Kingston Kiwanis Club as the result of proceeds from the annual Kiwanis Kapers.

This information was revealed this morning by John R. Warren, secretary of the local Kiwanis Club in commenting upon the approaching Kiwanis Kapers, scheduled for Oct. 26-27-28 at Kingston High School Auditorium.

Tickets for the 1959 production, entitled "Parisian Holiday" are now on sale by members of the club and at Flanagan's, Safford & Scudder and MidWay Gift shop. Exchanges for reserve seats are available at Flanagan's, 331 Wall Street.

The cost of producing the annual Kapers is underwritten by members of the Kiwanis Club through the medium of patron tickets, Secretary Warren said. Thus all receipts from the sale of tickets to the public will be utilized by the Kiwanis Scholarship and Welfare Fund.

Rehearsals for "Parisian Holiday" are being held nightly under the direction of William Murray, and advance ticket sales indicate excellent interest on the part of local citizens in the annual Kiwanis production.

Last Texas Quint

first that the babies' chances of survival were slim.

The births, a 42-million to one medical rarity, represented the third set of quintuplets in United States medical history and only the 47th in all recorded annals. They were three months premature.

Baby A weighed 1 pound 9 ounces, B weighed 1 pound 13 ounces, C 1 pound 8½ ounces, D 1 pound 13 ounces and E 1 pound 13 ounces. Baby D, the strongest, was weighed several hours after her birth. The others, because of their condition, were not weighed until after their deaths.

Spokesman at Lackland Air Force Base Hospital told newsmen that everything that medical science can do, including artificial respiration, is being done to save the remaining baby.

"I have said lots of prayers," the youthful appearing, crew-cut flying navigator told reporters after the first baby died. "My wife has, too, and it has done lots of good before and now."

Hannan interrupted a news conference to go to his wife's room on the third floor of the hospital when the death of the second baby was announced.

Joyous At First

The mother, joyous at the first news of the quintuplet births, was reported doing well. Her husband described her to newsmen as a "pretty blue-eyed blonde with short hair." He said she was about 5-foot-3 in heighth and weighed about 120 pounds. The Hannans were childhood sweethearts at a Catholic school in Taylor, Tex., before their marriage there Sept. 7, 1953.

The couple has two sons, Robert, 5, Pat 4. They had spent more than two years in Japan before returning to the United States Aug. 1, 1959.

Hannan told reporters he and his wife both had hoped for a girl this time, and when he walked into his wife's hospital room after the births, she smiled at him and said, "Well, you wanted a girl and now you've got five?"

He said he kissed her for each of the newly born quints.

Color, Breathing Good

Physicians said the babies' color and breathing were good but that they had not had a chance to develop fully.

The world's only living quints are the Diligentis of Buenos Aires, Argentina, who celebrated their 16th birthday last July 15. The Dionne quints, probably the world's most publicized, survived for 20 years, until Emilie Dionne died at 20 in 1954.

Lanza's Father Breaks Down at Hollywood Rites

HOLLYWOOD (AP) — Mario Lanza's father cried out over the tenor's body Tuesday night: "Say something to me, Freddy."

Alfredo was the singers real name.

The father, Antonio Cocozza of Philadelphia, had to be gently assisted away after a final look at Lanza's body Tuesday night after recitation of the Rosary in Blessed Sacrament church. He screamed hysterically in Italian.

The singer's mother, Maria, bent low over his body and cried over and over: "My baby, my baby."

Lanza died of a heart attack Oct. 7 in Rome, Italy.

More than 1,500 persons attended the Rosary.

Solemn Requiem Mass will be celebrated today in the same church, entombment following at Calvary Mausoleum in East Los Angeles.

Financial and Commercial

NEW YORK (AP) — Steels declined while electronics and selected motors advanced in a mixed stock market early this afternoon. Trading was moderate.

The market awaited a court ruling on the government's application for an 80-day cooling-off period in the steel strike. Whether it is granted or not, however, the outlook regarding steel shortages was a discouraging factor.

Steels were virtually at a standstill in early trading but slipped as the session wore on, some taking losses of more than a point.

Gains and losses of fractions to a point prevailed among pivotal issues throughout the list.

Most leading rails were down fractionally. Some of the electronics advanced 2 points or more.

Aircrafts and oils declined. Airlines and tobaccos moved slightly ahead. Chemicals, rubbers and farm implements were irregular.

The Associated Press average of 60 stocks at noon was off 10 cents to $221.90 with the industrials down 20 cents, the rails down 20 cents and the utilities up 10 cents.

Corporate bonds improved in fairly active trading.

Another Sought

Po'keepsie Holds Two for Taking Clothes, Money

Accused of removing clothing from a Poughkeepsie man and taking $12 early Tuesday, a 27-year-old male cook and a 22-year-old Poughkeepsie girl were in custody on charges of first degree grand larceny, and another man is being sought.

Arraigned today before City Judge Charles O'Donnell on the larceny charges were Robert Walker, of 8 North Perry Street, and Phyllis Deane, who gave her address as 64 Garden Street, both of Poughkeepsie.

Off Till Friday

Judge O'Donnell adjourned the case until Friday and remanded the defendants to the Dutchess County jail. Meanwhile, police were looking for the third defendant, who is named in the information filed by police.

According to the complaint, Walker, Miss Deane and the unapprehended man, took James Medina, of Poughkeepsie, into a lot at the rear of the Columbus School, 14 South Perry Street, in downtown Poughkeepsie at about 4 a. m. Tuesday. The trio took off Medina's pants and jacket and left him lying on the ground in freezing weather, attired in an undershirt and pajama pants.

Take $12 in Cash

Police said Medina had $12 in his pants pocket, which the trio took.

Detective Dominick Frizone lodged the complaints. Assisting in the investigation were, Detective Sergeant James Murphy and Detectives Francis Doerr, John Doss and Jack Benton.

Woman Bears Her 15 Years as FBI Agent With Reds

LOS ANGELES (AP)—A housewife says she served in the Communist party for 15 years as an undercover agent for the FBI.

"My principal job was to infiltrate the Douglas Aircraft Plant in Santa Monica," Moiselle Clinger, 42, told the House Unamerican Activities Committee Tuesday. "I was asked to supply the names of engineers and technicians whom I considered to be 'liberal.'"

She said she left the Communist party three years ago.

"I reported to the FBI at least once a week," Mrs. Clinger told the committee. "I decided to quit when, after 15 years, I became sick of it all. I thought I had done all I could do, physically. In other words, I'd had it."

Mrs. Clinger said the Communist Party's biggest headache was its difficulty in raising money.

"We were always holding parties in an effort to get money," she said. "One of our chief duties was to convince people who weren't Communists to give us money so we could keep going."

She said one of the fund-raising parties was held at the home of poet Lawrence Lipton.

"Mr. Lipton's wife at the time was the late Craig Rice, writer of detective stories," said Mrs. Clinger. "We used her name to get people to come to the party, but she had nothing to do with us."

Lipton, advised of this testimony, said he recalled no such money-raising session but remembered there were dozens of parties at his various homes in Santa Monica.

Regents to Cut

officials believe this would compensate for the increased use of objective questions (which usually require only a yes or no answer) in other examinations.

Next January, Regents, tests will be discontinued in English 3, two-year foreign languages, comprehensive art and in technical subjects such as aeronautics and industrial chemistry, which are give only at a few schools.

In January 1961, the Regents will drop American History 1 or 2, world history, Mathematics II, biology, chemistry, earth science, physics, three-year foreign languages, typing, business law, business arithmetic and several other commercial subjects.

This will leave for January tests only English 4, American history and world backgrounds 3, mathematics 10, intermediate algebra, trigonometry, and twelfth-year mathematics.

Migrant Worker

ing on fruit farms for the past month.

Held As Fugitive

He was committed to the Ulster County jail where he is being held as a fugitive from justice under a warrant issued by County Judge Louis G. Bruhn. Chicago authorities have been notified.

It is reported that he is wanted for questioning in the shotgun slaying of Guy Garro in Chicago Sept. 10. Garro was shot in the head. No other details were available.

Former Ellenville Man to Head TV, Radio, News Corp.

WALTER N. THAYER

Walter N. Thayer, former Ellenville resident, who since 1955 has been managing partner of J. H. Whitney & Company of which John Hay Whitney, United States Ambassador to the Court of St. James is senior partner, is resigning that position to become president of Whitney Communications Corporation.

Announcement that Thayer would become president of Whitney Communications Corporation came when plans for transfer of control of the Corinthian TV and Radio stations at Tulsa, Houston, Indianapolis, Fort Wayne and Sacramento to Whitney were made public today.

To Combine Interests

Whitney Communications Corporation will be the successor to Plymouth Rock Publications and will bring together all of Whitney's interests in the communications field. Application for approval of the new arrangement have been filed with the FCC. Whitey Communications Corporation will also hold Mr. Whitney's interest in the New York Herald Tribune, Parade Magazine, Interior Design and four suburban radio stations of which WGHQ of Kingston is one.

Control of Corinthian to Mr. Whitney will increase his personal and financial participation in the communications field and the stations will be brought together with Mr. Whitney's publishing and other broadcasting interests in the Communications Corporation.

Joined Whitney in 1955

Thayer, now a partner of J. H. Whitney & Co., who will become president of the new corporation, will be a member of the board of directors. He is a former resident of Ellenville where he was graduated from the Ellenville High School in 1927, from Colgate University in 1931 and Yale Law School in 1933. During the war period he held prominent positions in government, spending two and one-half years in London and after the war he opened law offices in New York City under the firm name of Thayer & Gilbert. He resigned from that firm in 1955 to become associated with J. H. Whitney & Company, of which he was one of four partners who are now resigning to take executive positions in Whitney Communications Corporation.

Mr. Thayer presently resides at Rye and is a director of the National Dairy Products and the Bankers Trust Company.

Brother With WGHQ

Walter N. Thayer is a brother of Harry M. Thayer, former publisher of the Ellenville Press and now associated with radio station WGHQ in Kingston.

It is contemplated that upon completion of his ambassadorial term in London, Mr. Whitney will become chairman of the board of Whitney Communications Corporation and chairman of the board and publisher of the New York Herald Tribune. Mr. Whitney's first investment in the New York Herald Tribune was announced October 1, 1957. He acquired a controlling interest in August of the following year. On July 13, 1959, Mr. Whitney announced the appointment of Robert M. White II, as president and editor.

In May 1958, Mr. Whitney had established Plymouth Rock Publications, Inc., to supervise his interests in the publishing field. On July 31, of the same year, Plymouth Rock acquired from Field-Enterprises, Parade Magazine, which is a Sunday supplement distributed to newspapers with a circulation of well in excess of eight million.

J. H. Whitney & Co. will continue to provide capital for the development of industries with unusual growth possibilities, but outside the broadcasting and publishing fields.

Livestock Prices

BUFFALO, N. Y. (AP)—(NYSDA) — Closing livestock. Steers and heifers: Supply light, market steady. Good 800-lb steers 26.50. Dairy type slaughter cattle: cows and bulls mostly 50 cents lower; heifers steady. Commercial cows 16.00-16.50, top 17.00; utility and cutters 14.50-16.50; canners 9.00-12.00. SAUGERTIES NEWS

Youth Council Begins Campaign For Membership

The fund raising membership campaign of Saugerties Youth Council to provide operational funds began this week with the mailing of over 300 membership cards and letters explaining the aims and purposes of the organization.

The membership fee and any other donation may be sent to Mrs. Marian Eckert, council treasurer, Livingston Street, Saugerties.

According to Council Chairman Vernon Joe Benjamin, the council was founded in 1953 and since that time the organization has provided free of charge supplementary activities for the youth of the Town of Saugerties including ice skating rink, boys and girls basketball teams, an annual Halloween parade and party, record hops for the preteens and teenage dances with a prominent Ulster County orchestra.

Members of the youth council, all prominent and well-known citizens of the community, give of their time and talents willingly to supervise these activities, Benjamin said.

"Only through donations of a few generous citizens has it been possible to carry on this work," he said.

"We believe that the council's efforts has shown results in the control of juvenile delinquency in the community," Benjamin said.

Local Girl Scout Leader Discusses Campaign Project

The Town of Saugerties is keeping pace with Ulster County in the formation of Girl Scouting units with four Brownie units and three intermediate troops now registered locally, it was announced today by A. W. Burch, neighborhood fund drive chairman.

The Girl Scouts and Brownies of the Town of Saugerties distinguished themselves in the annual July 4th parade in the village and for an individual unit, Brownie Troop 5 of Barclay Heights was cited for its presentation of Mother's Day corsages to the ladies at Ellen Russell Finger Home in Saugerties.

Fourteen voluntary leaders and 21 committe women are investing their hearts, strong effort and money into this service for the girls of Saugerties, Buch said. However more help is needed.

Many girls want to join scouting but they are disappointed to find there are no vacancies. The reason for the lack of vacancies is there are not enough leaders.

Every parent is a leader in the family circle, therefore every parent is a prospective leader in Girl Scouting, Burch said.

The Girl Scout program is a well planned program directed at helping girls help themselves and their neighbors. This self reliance taught to the girls eventually is a great aid to parents, he said.

The coming annual Girl Scout fund drive of Ulster County Council will be headed in Saugerties Neighborhood by Burch of Mt. Marion, and Mrs. Joseph Gaglianello of Saugerties

The campaign will be a drive for leadership and funds.

Walk-ins Sought For Blood Bank ThursdayEvening

Walk-ins, those who have not previously registered, are welcome to attend the Saugerties VFW community blood bank at 8 p. m. to be held at VFW Hall, Livingston Street, Saugerties.

Two groups that have registered for the drawing will attend at 7 and 7:30 p. m. No cards to regular donors will be sent out at this time.

The emergency drawing was scheduled by the Auxiliary of Saugerties Memorial Post 5034 in order to replenish the community supply which has been exhausted.

Mrs. Sally Lewis is the new chairman of the blood bank replacing Miss Marie M. McCutcheon who is out of town and unable to continue in that capacity.

A spokesman of the committee said that walk-in donors should eat a light meal before reporting at the drawing. Dinner will be served to donors prepared by Mrs. Ruth Prendergast and her committee.

Monday Club Sees Views of Hudson

Monday afternoon at the home of Mrs. Herman Knaust members of the Monday Club and their guests took an arm-chair trip up the Hudson River from New York City to Saugerties.

Mrs. Chester Glunt, coordinator of the Saugerties Citizens Committee for the Hudson-Champlain Celebration presented a group of her colored slides and told many historical facts about the river and the country on both sides. Pictures of the several bridges that span the river, the vessels that travel up and down its course; homes of beauty on both shores; lighthouses now in use and some that are no longer functioning; ice boating in winter and excursion trips in summer; moonlight scenes and scenes on stormy days as well as those when the skys were blue; historic homes and churches. The trip ended in Saugerties with views of Main Street in the evening at Christmas time.

The next meeting of the club will be with Mrs. Frederick Hayson, West Camp, Oct. 26.

Takes Refuge

Matos, Castro's Military Aide, Is Facing Treason

CAMAGUEY, Cuba (AP) — Fidel Castro's military commander in Camaguey province took refuge in his military headquarters today after being accused of treason.

Castro himself flew here to lead an assault on the headquarters.

The bearded leader of the Cuban revolutionary government paced up and down the main street of this provincial capital while his radios appealed to workers and farmers to join him in the assault.

Two of Castro's military commanders have accused Maj. Hubert Matos of treason against the revolution.

Matos, who had been one of Castro's most respected field commanders, had resigned as provincial military commander in protest, apparently, against the appointment of Castro's brother, Raul, 29, as the new minister of the Cuban armed forces. The appointment abolished the Defense Ministry and gave the young man complete control over all the armed forces.

Catskill Masons To Observe Lodge 100th Anniversary

Coincidental with the Hudson-Champlain celebration, Catskill Lodge 468, F & AM will celebrate its 100th anniversary today at 8 p. m. in Masonic Temple there, according to Alwin P. Simmons, 60 William Street, Catskill, master of the lodge.

Guest speaker will be H. Lloyd Jones, Bronxville, grand master of New York State Masons, who is making his second visit in the Greene-Ulster district, having laid the cornerstone of Masonic Temple at Windham for Mountain Lodge 529, F & AM.

Mr. Jones has held almost every office in the State Grand Lodge. He is a former chairman of the Board of Phoenix Assurance Company of New York and its affiliated companies, and chairman of the group's joint finance and investment committee, from which positions he has retired but still retains membership on the board of directors.

Recently Mr. Jones was honored by the St. David's Society which awarded him its tenth annual distinguished service medal for 1959.

Assisting Master Simmons are Wilson C. Edwards, Palenville, senior warden, and Albert F. Riffley, Broome Street, Catskill, junior warden.

William C. Phillips, West Coxsackie, district deputy grand master for Greene-Ulster district, and other past district deputies, will attend the event.

Hints Peiping Has New Offer In Khrush Note

CHICAGO (AP)—The Chicago Sun-Times, in a dispatch from Washington, said today that a letter from Soviet Premier Nikita Khrushchev to President Eisenhower "is said to contain a new offer from Red China to the United States."

"The charge d'affaires of the Soviet Embassy in Washington, Mikhail Smirnovsky, delivered the Soviet Prime Minister's message to Undersecretary Robert Murphy at the State Department last week," the Sun-Times said.

"It is a report on certain aspects of Khrushchev's conversations with Chinese Communist leaders in Peiping. Khrushchev is reported to have written Mr. Eisenhower that Communist China is ready to accept the principle that international problems should be settled by peaceful negotiation and not by force. This is the formula Mr. Eisenhower and Khrushchev adopted in their Sept. 27 Camp David communique."

The dispatch, by Frederick Kuh, said that according to a version which it has not been possible to corroborate, the Chinese would even extend the no-force principle to the Formosa problem on certain conditions.

Law Students Are Advised On Having Reasonable Views

Former Ulster County Judge J. Edward Conway, head of the State Commission Against Discrimination, told students at Albany Law School Monday night "you cannot frighten the state" and said an attorney's approach to an administrative agency should be "characterized by a clear understanding and reasonable view of the issues involved."

Speaking at a meeting of the Student Bar Association, Judge Conway noted that the rapid increase in the number of government agencies in the past two decades has created a new, specialized field of lawyers.

He pointed out that the students will one day be called upon to represent clients before one or more such agencies, and urged that the administrative hearing be approached with courtesy and with the assumption that the agency in question will "undoubtedly be acting in good faith."

Conway outlined basic differences between such hearings and courtroom procedures.

Antagonism Harmful

Warning that "antagonism breeds resistance" Judge Conway declared, "you cannot frighten the State of New York" and added that protracted litigation "will be no novel nor onerous experience for the agency, but may well be beyond the means or endurance of your client."

A reasonable, though firm attitude will "almost invariably be met with a conciliatory reaction and full cooperation on the part of the agency," Conway said. "In this I do not mean to imply that your approach should be one of humility nor of willingness to waive any of your client's rights."

Offers Chance to Serve

In his talk Judge Conway pointed out the opportunities which are available in public service. He said that though compensation may be limited "there is much of reward in the soul-satisfying rendition of worthwhile service to your fellow men." He also spoke of the issues and problems which will arise among nations and peoples as individuals, and in resolving them to the benefit of mankind, he said, "lies the stimulating challenge to our future lawyers."

Taking Off

LEXINGTON, Ky. — He didn't exceed the speed limit or run any stop lights, but Ivory Davis still was arrested. Davis paid a $50 fine for driving his car on the runways at an airport.

Modena

Methodist Churches Will Hold Mission

MODENA — The Clintondale and Modena Methodist Churches will participate in the New York Area United Evangelistic Mission, New York Conference, Oct. 24 to 29.

The membership of the two churches will combine during that week, for the following schedule of special worship services:

Oct. 25, 9:45 a. m. at Clintondale; Oct. 25, 7:30 p. m., Modena; Oct. 26, 7:30 p. m. at Clintondale; Oct. 27, 7:30 p. m. at Modena; Oct. 28, 7:30 p. m. at Clintondale.

The Rev. Donald Brandt of Keesville, will deliver the evangelistic messages for all of the special services. He will also guide teams of visitors from each of the churches in a program of visitation evangelism which will be conducted in the area of the two churches during that week.

Rev. George Johnson, pastor of the Modena and Clintondale parish, has recently returned from participating in a similar program carried on throughout the Troy Conference at Albany, Oct. 10 to 14.

On Sunday afternoon and on alternate evenings, members of the two churches will be visiting homes in the community to extend the invitation to attend the church.

Interested Viewer

OKLAHOMA CITY (AP)—County Investigator Sherman Wagoner was inside a garage chatting when a man entered and asked for a fire extinguisher, explaining a car outside was burning. Wagoner walked out to watch the excitement. His walk increased to a run when he saw that the burning vehicle was his own. Damage was slight.

Special Mission Meetings Set at Phoenicia Church

The First Baptist Church, Phoenicia, and the Olive-Shokan Baptist Church, will be the scenes of a series of special meetings with the "Musical Meloons," a husband and wife evangelistic team from Florida and New Hampshire. The Meloons have traveled extensively throughout the eastern half of the United States with their program known as "Music with a Message."

They play a set of musical bells, a set of water tuned glasses, a 3 octave vibraharp, a piano accordion, electric steel and Spanish guitars, an autoharp, and a musical saw. They sing solos and duets, using various combinations of their instruments as their own accompaniment, including the "western style" gospel songs. They will play and sing at least three, special numbers at each service.

The meetings begin in the West Shokan Church Wednesday and continue through Friday, each night at 7:30, and Sunday afternoon at 3:15. There will also be a children's meeting Saturday at 10 a. m., with special music, gospel magic, and object lessons.

Services begin at the Phoenicia Church with a children's meeting Saturday at 3 p. m. Services will continue with meetings on Saturday evenings at 7:30; Sunday, 11 a. m. and 7:30 p. m.; and Monday and Tuesday, Oct. 26 and 27 at 7:30 p. m.

Evangelist Wilfred Meloon will be bringing the Bible messages each service, including such published sermons as, "Hey, Young People, Put on the Brakes," "Did Jesus Have to Die," "Why Do You Need to Be Saved?" and "Ye Must Be Born Again."

The pastor, the Rev. Ernest Estes, and the people of his churches, invite the public to any or all of the meetings.

Plagued Day And Night with Bladder Discomfort?

Unwise eating or drinking may be a source of mild, but annoying bladder irritations — making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills.

Doan's Pills act 3 ways for speedy relief. 1 — They have a soothing effect on bladder irritations. 2 — A fast pain-relieving action on nagging backache, headaches, muscular aches and pains. 3 — A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. New, large, economy size saves money. Get Doan's Pills today!

Pure, Fresh, Flavorful and Leaner Forst FORMOST Pure Pork Sausage

Enjoy new—better than ever—FORST'S FORMOST PURE PORK Sausage. It's 100% pure, fresh, lean pork with nothing added but fine imported spices. Try FORST'S FORMOST PURE PORK Sausage once and you'll serve it often.

NEW PALTZ NEWS

MABEL DEPUY

Former Resident Awarded Tiffany Study Fellowship

Gabriel Laderman, instructor in painting and graphics at the State University College of Education from 1957-1959 has been awarded a fellowship in graphics by the Louis Comfort Tiffany Foundation for the year 1959, for work which he did while residing in New Paltz at Yankee Fowler Road.

He is now instructor in the Foundation Department of Pratt Institute in Brooklyn and continues as director of the graphic workshop at the Woodstock Artists Association.

The Tiffany Fellowship is a nationwide competitive award judged in the final stage this year by a jury consisting of the three artists William Barnet, Fredrick Castellon and Clare Leighton. The award is renewable.

Campus School Lists Schedule Of Coming Events

NEW PALTZ — Events scheduled at the Campus School for the next few months include a book fair to be held from Oct. 29 until Nov. 6. Mrs. Robert Lang and Mrs. Miller Nielson are co-chairmen. The book fair makes available for the children the opportunity to purchase books from a collection of 600 carefully selected volumes.

Jean-Claude Lang, an exchange student from France, will be working as an assistant to Mrs. Mary O'Donnell, assistant professor of education in the French program. All children, grades four through nine receive training in French. Sebastian Rainer, an exchange student from Austria, will teach the second year of German. Ranier and Lanf are both trained teachers and have completed teacher training programs in their own countries.

Mrs. Vivian Fine, pianist and composer, will present a program "Contemporary Music" Oct. 21. Mrs. Fine's works have been played recently by famous orchestras.

On Dec. 9, Dr. Judson Lyon, chairman of the humanities division, will present a program "Poetry of the Season."

All homeroom mothers have been named and the relay system for telephoning in emergencies is being set up. A letter will be sent home to the parents in the near future telling how the relay system works, Mrs. Mary Jane Wolbers reports.

Other programs scheduled during 1960 will be: Feb. 10, Dr. Sami Boulos, science professor, will present a program "Junior High School in the Middle East;" Larry Argiro will present a program "Mosaics" April 13.

Jaycees Favor Amendment Two

James Ashton, chairman, reported at the regular meeting of the Jaycees which was held recently, that the contest to select the Harvest Queen was well received. Miss Lois Peppard was chosen queen.

President, Tom Benenati explained the intent of Amendment 2 on the ballot to be voted on next month. This amendment to the constitution would provide for the use of 245 acres of the Adirondack Forest Preserve for the construction of the Northway — the new super-highway connecting the Thruway with the Canadian border and Montreal.

The Jaycess went on record as being in favor of the amendment.

Study Club Tours Dutchess College

Sixty New Paltz Study Club members and guests attended a luncheon recently at the Anchor Inn, Poughkeepsie.

After the luncheon, the club president, Miss Jennie Lee Dann, greeted the guests and new members. Mrs. Jerome Hurd introduced the speaker, Dr. James F. Hall, president of Dutchess Community College.

He prefaced his talk by mentioning the four great problems that all colleges have to meet and then showed the members the intent of the community college to act as a stepping stone to higher education, or to complete a two year terminal program in general education.

He explained that the community college is a truly American concept of democracy. It is part of a total framework to answer the needs of many through diverse patterns.

Dr. Hall believes that education must take a second look at its curriculum in order to compete for technical supremacy in this scientific age.

The role of the community college is to give every student a chance at some school where his potential may be developed.

After the lecture the group was escorted through Dutchess Community College by Dr. Hall, and was impressed by the outstanding work of renovation done on Bowne Hall.

Town Social Notes

Mr. and Mrs. Charles E. Deyo and Mrs. Daniel Shaw spent some time recently in Schenectady visiting Mr. and Mrs. Elting Harp Jr. and family.

Mrs. Blanche Lawrence of Alligerville has returned home after visiting her daughter and family, the Roger DePuys.

The Republican Party is planning a number of social events for the near future. They will be made public after the next meeting.

Mr. and Mrs. Clayton Juckett left recently for Saranac Lake by way of Newcomb and Tupper Lake.

An important meeting of the Democratic Club was held Thursday at the Democratic Headquarters, 70 Main Street. A discussion of the campaign plan was discussed. Refreshments were served after the meeting.

The pack committee of Cub Scout Pack No. 74 has announced that Floyd Parker is now the new cubmaster.

A Harvest Square Dance sponsored by the Mother's Club of St. Joseph's Church will be held at St. Joseph's Center Saturday. The doors will be open at 8:30 p. m. and music will be by the Kentucky Moon Shiners. Refreshments will be served.

Management Is To Give Side on Rail Crew Law

NEW YORK (AP) — Railroad management gets another chance Thursday to testify in support of changes in the state's full-crew law.

Management, which contends the law supports featherbedding, presented testimony earlier this month at a two-day hearing here before the Public Service Commission.

Railroad unions gave their side during the Albany phase of the hearing, which concluded Tuesday.

Carl W. Lehsten of West Seneca, a Pennsylvania Railroad fireman, urged that two firemen be required on all diesel engines instead of the one specified by law. The railroads want to eliminate the one.

Lehsten said that, if two firemen were assigned, one could remain in the cab of a diesel locomotive and the other could work in the other engines behind.

Lehsten said a fireman's duties required him to make frequent trips through the locomotives, which frequently are 200 to 300 feet long.

The PSC is seeking to determine whether the full-crew law, enacted more than 20 years ago, properly protects the safety of the public and the railroad employes.

A Little Late

PHOENIX, Ariz. (AP) — The Phoenix Chamber of Commerce struggled through a move to a new building. A desk in the new quarters yielded this booklet: "Six Ways to Make That Move Easier."

Nickel Plate Road Says Merger Would Hurt It

WASHINGTON (AP) — The Nickel Plate Railroad says it would suffer a tremendous loss in business if the government allows the Erie and Lackawanna railroads to merge.

Thomas O. Broker, general counsel for the Nickel Plate, testified Tuesday that the annual revenue loss to his railroad would be three times the benefit to the merged line.

He asked the Interstate Commerce Commission, which is holding hearings on the proposed merger, to impose 12 conditions to any merger proposal "to retain the competitive quality" of the Nickel Plate.

The conditions would preserve present connections between the Nickel Plate and the Erie and Lackawanna at Buffalo, N. Y. They also would require the Erie-Lackawanna, as the merged line would be called, to be "strictly neutral and impartial" in interchanging freight with the Nickel Plate.

Double Game Good Sacrifice

BY OSWALD JACOBY
Written for NEA Service

Henry Baer of Dallas is another new life master after the Houston tournament. Playing with my son Jim, Henry capitalized on a partnership misunderstanding to come up with a good score.

East chose to open one club instead of one diamond for reasons best known to himself. West responded one spade and Jim sitting North made a two club overcall.

This had to be a real club suit, not a cue bid, but Henry had a short brainstorm and bid three hearts after East went to two spades. West passed and Jim raised to four hearts. He thought Henry was showing a heart suit.

When this came around to West he practically jumped out of his chair to double and Henry got the message. He ran out to five clubs. West doubled that also but now the Baer-Jacoby partnership was on [illegible] Jim lost one club, two diamonds and a spade, but the 500 point set came close to being a top score because almost every other East-West pair bid and made a spade game.

Count Your Money

An errand boy was sent to the bank with a check for $7.50 to secure an equal number of halves and quarters in exchange. The clerk at the window hesitated just a moment, then handed out the correct change. Now, how long would it have taken you to figure out the change, and how many halves and quarters did the boy receive?

The boy received, in exchange for the $7.50 check, ten halves and ten quarters.

Changes Under Discussion on Old Age Pay

WASHINGTON (AP) — All persons 72 and older would be covered by old age and survivors insurance under one of several possible changes in the social security program now being discussed in government circles.

As now being considered, informed sources said today, such persons who have not earned social security monthly benefits through covered employment would be paid $33 a month. The cost would be met through appropriations of general revenues. The minimum for a person who has earned wage credits is now $33.

Such a change would be expected to reduce the cost of some of the federal-state public assistance programs. It also would help provide for what is becoming known as "independent living" without the recipients being carried on the assistance, or relief, rolls.

Some of the other possible changes which may be proposed to congress next year have been publicly discussed.

Secretary of Welfare Arthur S. Flemming is having a detailed study made of the possibility of providing federal money for assistance on a lump sum basis instead of by categories. This would give states a broader range of options for their federally aided programs.

It would pave the way for states to use federal money for general assistance or relief programs which now are solely financed by the states and local communities.

Under existing law federal aid is confined to public assistance programs for the needy who are aged, blind, permanently and totally disabled, and for dependent children.

Flemming favors elimination of residence requirements in order to qualify for assistance, insofar as federal funds are concerned.

An objective approach is being sought to provide hospitalization for persons over 65.

Attack on Child Gets Man Over 20-Year Sentence

BINGHAMTON, N. Y. (AP)—A twice-married man must serve 20 years to life in prison for kidnapping and raping a 7-year-old girl who was preparing for her first communion.

James R. Hammon, 44-year-old cook from West Davenport, Delaware County, was sentenced Tuesday by Judge Robert O. Brink of Broome County Court.

Hammon had pleaded guilty to the charges.

He admitted luring the girl into his car last May with some ice cream. She was headed homeward from confession at St. Paul's Catholic Church here in preparation for her first communion.

He drove the girl to a wooded area outside of the city, where he raped her, police said. He was caught in Binghamton a short while later.

Asked by the court clerk yesterday whether he had anything to say before sentencing, Hammon replied: "I've gone nuts."

A court psychiatrist had found him sane.

Think It Over

TUCSON, Ariz. (AP)—Pima County Superior Court Judge John F. Molloy asked Reynaldo P. Fraijo if he was ready to be sentenced. Fraijo nodded "yes." Molloy told Fraijo he was going to be sent to prison for two years on a charge of forgery. "If you object to waiting a week, I'll sentence you now. Would you rather wait a week while I think it over?" Fraijo quickly answered, "Let's wait."

New Member Drive

RICHMOND, Va. (AP) — The Junior Chamber of Commerce drive for new members is rabbiting along in high gear. Here's the gimmick: A rabbit, which will become many rabbits soon, was given to Richard E. Glenn, chapter president. When he got a new member he passed the rabbit along to another member who must hold it until he gets a new member. The member who doesn't get a new member—and quickly—can go into the rabbit business.

In the SERVICE

Local Serviceman In Japan Named Airman of Month

WILLIAM C. PARMALEE

A/2c William C. Parmalee, son of Mr. and Mrs. William J. Parmalee, 88 Hoffman Street, received two distinguished awards during September.

He is currently stationed at Misawa Air Base in Japan. According to a letter from his commanding officer, Airman Parmalee was selected "Squadron Airman of the Month" and was awarded a $25 bond. He was also selected as "Airman of the Month" for the 21st Tactical Fighter Wing and was presented with another $25 bond. These awards are given for outstanding job performance, leadership, self-improvement and gentlemanly conduct. A 1956 graduate of Kingston High School, Airman Parmalee was employed by O'Reilly Stationery Company Inc., prior to his enlistment and was well-known in local golfing circles.

Three From Area Sign Up in Army

Three area youths recently enlisted in the U. S. Army for a period of three years, and each chose to enlist for a special assignment offered by the local U. S. Army Recruiting office.

The enlistees are John W. Robinson, Lakeview Avenue, Kingston; Edward J. Wey, of Blue Mountain Park, Saugerties, and Thomas F. Morrissey Jr., Route 1, Box 60, Saugerties.

The youths also enlisted under the Army Buddy plan which means that they will spend eight weeks of basic training together. Upon completion of that training they will receive a furlough and then report for training in their special assignment.

M/Sgt. Theodore Wasielewski and M/Sgt. Walter B .Gosling local recruiters can be contacted at the local Army Recruiting Office, 309 Wall Street, Kingston, from 8:30 a. m. until 4:30 p. m. daily and on Saturdays from 8:30 a. m. until 12 noon.

Completes Basic

SEAMAN ROBERT J. BENKERT, of the U. S. Navy, has completed nine weeks of basic training at Great Lakes Naval Training Center, Ill., and has been assigned to U. S. Naval Air Base at Pensacola, Fal., where he will receive jet machinist training. He recently spent a 14-day leave at the home of his mother, Mrs. Marie Brundage of 370 South Wall Street.

In NATO Exercise

Army Pfc. Lanny R. Lawrence, 18, son of Mr. and Mrs. Raymond Lawrence, Accord, recently participated with the 229th Signal Company in "Exercise Side Step", a NATO command post exercise in Germany.

The ten-day exercise was designed to determine unit effectiveness under simulated combat conditions.

Regularly assigned as a communications specialist in the company in Stuttgart, Lawrence entered the Army in Aug. 1958, completed basic training at Fort Dix, N. J., and arrived overseas last March.

He is a 1958 graduate of Ellenville Central High School. Before entering the Army, Lawrence was employed at the Campbell Auto Body Shop, Kerhonkson.

* * *

Assigned to Germany

Pfc. Charles J. Tubby of the U. S. Army, son of Mr. and Mrs. James Tubby of 93 Henry Street, left for Germany Oct. 7, and is expected to arrive there soon. His wife, the former Patrici Horvers, who is staying with his parents, will leave Nov. 28 for Germany. They will live in Germany for 2½ years and then return to the United States.

Ride 'Em Cowboy

BENSON, Ariz. (AP)—Joel Sublette, a rodeo rider from Tucson, Ariz., is a hard man to stop. At a rodeo here he was knocked unconscious in the steer wrestling event. After being revived, he returned to finish first in bull riding.

Parley to Hear Stillman's Plan On CD, Bridges

A civil defense plan for toll bridges was due to be discussed this week at a Kansas City convention of the American Bridge, Tunnel & Turnpike Association attended by Ernest M. Heppner, of 355 Crane Street, a member of the New York State Bridge Authority.

The plan, adapted from that of the authority, was due to be presented by John S. Stillman, of Cornwall, authority president.

William Haas, of Coxsackie, a member of the authority, was also due to attend the session.

The ABTTA is an organization of the many toll facilities in this country and abroad. It discusses and studies operating problems. The convention ends Thursday.

The plan, as prepared by Stillman, resulted from the authority's program of readying its staff and facilities for effective utilization in the event of civil defense emergencies. It was the third major project by the administrative sub-committee, headed by Stillman.

Firemen to Rescue

Shown here is the massive steel tower atop Snake Hill in the Town of Esopus. One thousand feet above the city, supporting antennae feed PICTURE PERFECT television for co-axial cable distribution to homes throughout the Kingston area.

Abel Cable

We're Ready Folks!

I'M HAPPY to announce that my firm — KINGSTON CABLEVISION, INC., your community television antenna system — is all set to accept applications for service!

OF COURSE, we have to do it in an orderly, step-by-step way, taking care of each section of the city in turn as we reach it with our cable lines.

LISTED BELOW* are the streets to be serviced first. ACT NOW — if you live on any of these streets. We will be very pleased to process your application for service NOW. Your hook-up to our television system brings you five PICTURE PERFECT metropolitan New York channels AT ALL TIMES! — as good as received in New York City itself!

★WE GUARANTEE clear reception with simultaneous choice of all major networks — NBC — CBS — ABC — as well as WPIX (HOME OF THE NEW YORK YANKEES!)

★COLOR? Yes! The system will deliver all color programs, as received, to color set owners.

SERVICE APPLICATIONS are in the mail to all residents of the streets listed below. These applications give full information about costs and other details. FOR EXAMPLE: The standard home ONE-TIME installation cost is $23.50. After that, $4.95 monthly brings you unlimited television enjoyment of sports, dramas, children's shows, musicals, comedy, etc. —

A World Of Entertainment For PENNIES A Day!

★OUR OFFICES are open! We're at Pearl and Wall Streets, Kingston.

★PLEASE COME IN and discuss your service requirements with one of our friendly, trained representatives.

DON'T WORRY if your street is not listed below. We are working at top speed to reach everyone soon.

Sincerely,

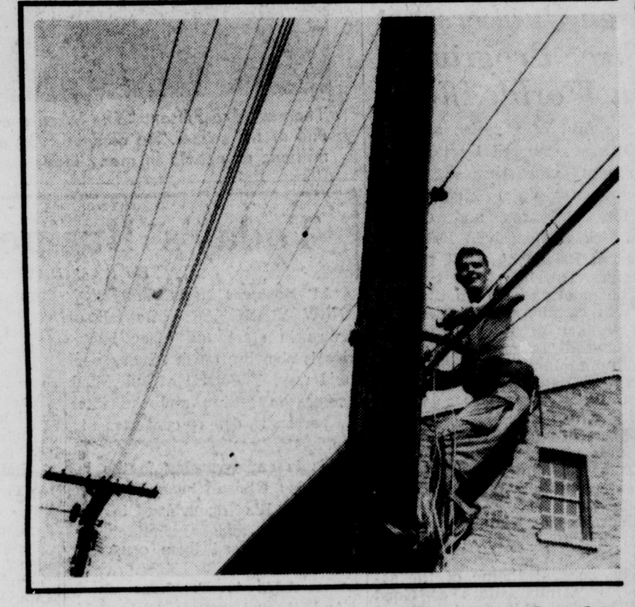
ABEL CABLE

for

KINGSTON CABLEVISION, INC. Telephone

Pearl & Wall Streets, Kingston FEderal 1-1711

Sturdy telephone poles carry the cable down the mountainous terrain.



Across creeks, bridges and railroads the cable travels on poles to your neighborhood.

Trained, pleasant technicians then bring service lines into your home.

Government Will Study Apalachin Records on Hand

ROCHESTER, N. Y. (AP)—The government will study testimony and records already on hand before continuing its "new phase" of a probe concerning two missing Apalachin delegates.

Acting U. S. Atty. Neil R. Farmelo said the investigation by the federal grand jury in Rochester would be resumed, but did not specify a date.

"We have a lot of work to do on testimony and records," he said Tuesday.

Four witnesses, including a former manager of ex-heavyweight boxing champion Joe Louis, were quizzed about the missing delegates.

Marshall Miles, who once managed Louis, appeared before the grand jury for less than five minutes.

"I had no business there in the first place," he told reporters.

He said he knew neither Antonio Magaddino nor James LaDuca and never had known them.

Both have been missing for a long time.

The two were among the more than 60 men rounded up by State Police in November 1957 at a gangland convention at the home of the late Joseph Barbara Sr., near Apalachin.

Andrew Sciandra, a restaurant owner in Buffalo, told newsmen he had known Magaddino and LaDuca, but said he had not seen them in a long time.

Charles A. Montana of Lewiston, a nephew of Apalachin delegate John Montana of Buffalo, reportedly was questioned about a real estate sale involving the wife and daughter of Stefano Magaddino, Antonio's brother.

In addition to the disappearances of Magaddino and LaDuca, the probe reportedly concerns tax records of Apalachin delegates and possible tie-ups between Western New York gambling and organized crime.

Area Quakers Set Three Programs On World Affairs

The first of a series of three meetings arranged by the Nine Partners consisting of local Friends (Quaker) Meetings in Ulster, Dutchess and Orange Counties will be held Friday, 8 p. m. at Friendship Hall, Clinton Corners, Dutchess County.

The meeting open to the public will commemeroate the 14th anniversary of the founding of the United Nations.

Elmore Jackson, director of Quaker Team at the UN will speak on the UN and its work in easing international tensions.

The meeting at New Paltz will be November 18 with Roy McCorkel, former European and Asian director of CARE as speaker.

The third of the series will be held in May 1960 in Poughkeepsie.

The general theme of the series is "Ambassadors of Good Will in an Age of Tensions," and the purpose is to promote an enlightened public opinion on problems relating to work affairs.

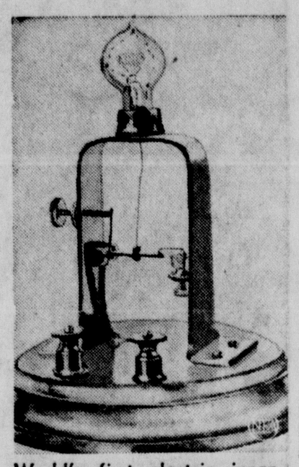
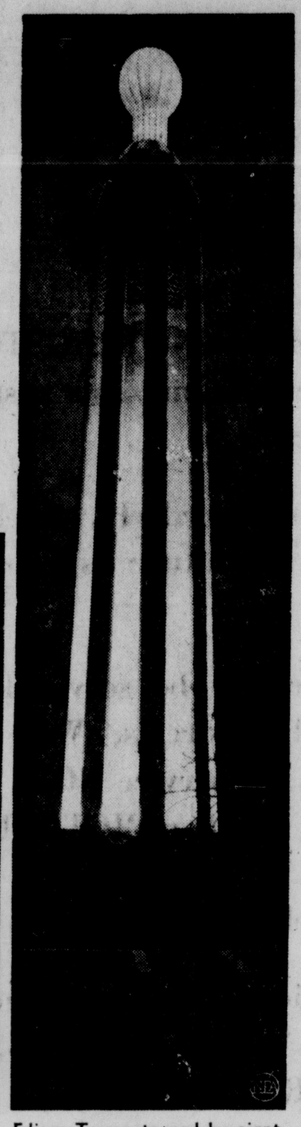
And There Was Light . . .

On Oct. 21, 1879, Thomas A. Edison perfected the first successful incandescent light bulb. This month marks the 80th anniversary of that historic and far-reaching event.

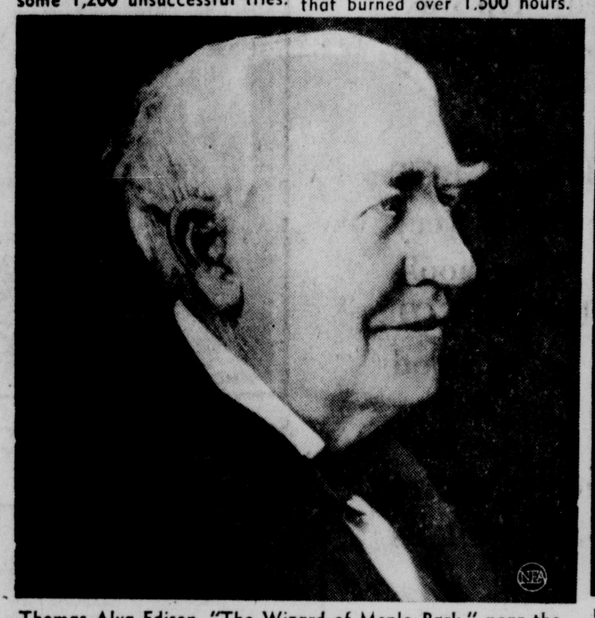


World's first electric incandescent lamp, developed after some 1,200 unsuccessful tries.

Edison's constant vigil in 1879. At last, one light was made that burned over 1,500 hours.



Edison Tower, topped by giant 5,200-watt bulb, was erected at Menlo Park, N.J., in 1938.



Thomas Alva Edison, "The Wizard of Menlo Park," near the end of his career. He died in 1931 at the age of 84. Today, millions of people in many industries owe their jobs to him.

Today's Business Mirror

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—The toll of strikes in steel and other industries is showing up in a very personal way. The total of individual incomes is falling and the total of personal debts continues to rise.

This is embarrassing to the individuals whose incomes have tumbled. It's disturbing to the merchants and manufacturers who want to sell them consumer products.

Adds to Problems

And it just makes that much more troublesome the pressing problems of the U. S. Treasury now trying to make up its mind about how to handle the billions of outstanding U. S. securities about to come due.

The Commerce Department now figures that personal incomes hit their peak in June, before the steel, glass, copper, and meat industry strikes started.

A few weeks ago it had estimated that the peak was reached in July. Now it finds that its first guesses on July and August incomes were too high. And it finds incomes in September down from June about 4½ billion dollars at an annual rate. The drop is largely in the wage and salary category.

The Securities and Exchange Commission puts individual debts at a record total of 158 billion dollars. It reports that this year has seen a record rise in residential mortgage debt and a near record jump in consumer debt.

Most economists insist that personal incomes, rising this year until June, are high enough to sustain the gains in, and the total of, individual debts.

Two-Front Embarrassment

The embarrassment to the Treasury is along two fronts.

First, it is trying to balance a federal budget where the line between income and outgo is very slight at best. A falling personal income total can mean a lower tax collection than the Treasury first counted upon.

Second, falling incomes can lead to less total savings. And savings are what government and business tap when they need new funds for operations or expansion.

Port Ewen

Terry Talford Reed Jr., infant son of Mr. and Mrs. Terry Reed Sr., was baptized by the Rev. Harry E. Christiana, pastor of Port Ewen Reformed Church, Sunday. Walter Carney, grandfather of Terry Jr., held the Baptismal fount and Mr. and Mrs. Ralph Wells acted as godparents. Mrs. Reed is the former Barbara Carney.

The Cub Scouts will meet at the town auditorium Thursday 7 p. m. A Halloween party for the cubs and webelos will take place at this meeting. Parents may attend the party in costume. A 100 per cent attendance is desired. Any boy 8 years of age interested in joining the cubs may attend this party but must be accompanied by his parents.

Mr. and Mrs. Thomas French and children, Thomas Jr., Barbara, Bill and Bobby of Rockville, Md., spent the weekend with Mrs. French's sister and family, Mr. and Mrs. Walter Lemister. Mrs. French is the former Patricia Lavsa.

Mrs. Bert Johnson of Sleightsburg has returned home after spending a few day with her daughter and son-in-law, Mr. and Mrs. Robert Shultis of Morris Plains, N. J.

Tonight 7:30 p. m. Novena to Our Lady of Perpetual Help will be offered at Presentation Church followed by benediction and confession. Daily Mass is at 7 a. m. The Presentation Women's Club will meet at St. Leo's Hall after Novana. Hostesses will be the Mmes. William Dempsey, Francis Dempsey, John Donnelly, Salvano Ferraro and Miss Helen Eigo.

Thursday the Presentation Women's Thimble Club will meet at St. Leo's Hall at 10 a. m.

Tonight 6:45 p. m. Girl Scout Troops 51 and 121 will meet at the Reformed Church Hall, Miss Ella Jones and Miss Emily Card, leaders.

IBM Appoints Saugerties Man, Product Engineer

DONALD A. PATTERSON

The appointment of Donald A. Patterson, of Saugerties, as a product engineer in the design mechanization department was announced today by Harold D. Ross, manager of research and engineering at IBM's Federal Systems Division laboratory, Kingston.

Patterson joined IBM in July, 1953, as a technical engineer at Poughkeepsie. He was transferred to the Kingston organization in August, 1954, and the following year, was named associate engineer in computer design. In August, 1957, he was promoted to staff engineer. In August, 1958, he became a project engineer, the post he held until his present appointment.

Patterson is a graduate of the University of Vermont with a bachelor of science degree in electrical engineering.

A veteran of three years service with the U. S. Navy, he is a director of the Saugerties Junior Chamber of Commerce and a member of the Institute of Radio Engineers.

Patterson, his wife, Glenna, and son, James, 2, reside at 6 Mountain View Avenue, Saugerties.

PLATTEKILL NEWS

PLATTEKILL — A daughter, Catherine Halley, was born Wednesday, Oct. 15, at St. Luke's Hospital, Newburgh, to Mr. and Mrs. Charles Franklin, of this community.

Lions Set Ladies Night

The Plattekill Lions Club will meet Saturday evening, Nov. 7, at the Oddo House at Clintondale, for the annual ladies night program.

At this time, the vice president, Merton Jenkins will assume the office of president, succeeding Robert Ciaffone, elected president of the club recently, who is moving to New York City.

The ladies night program will begin at 7:30 p. m., with social hour, followed by the presentation of membership awards by District Governor Thomas Kelley of Amenia. Dancing will follow. Fred A. Fowler and Michael Kalamucki of Modena are co-chairmen of the affair.

Grange Notes

A program on the subject of International Understanding was presented at a meeting of the Plattekill Grange Saturday evening, when a panel discussion was conducted with Mrs. Nathaniel Dawes, moderator.

Participating were Mrs. Nelson Hedges, Merton Jenkins, Mrs. Walter Kleeman, Joan Moriello, Ralph Jenkins, Clarence Dunn.

During the evening, Ralph Grismer sang a solo, "Song of Peace" and a Polish polka was presented by Margaret and Mary Kopaskie.

A turkey supper will be served Wednesday evening, Nov. 11, Veterans Day, at the Plattekill Grange Hall, with servings at 4:30 p .m. continuing until all are served.

Mr. and Mrs. Charles Everett of Plattekill, Mr. and Mrs. Fred Bernard of Modena are co-chairmen of the supper arrangements, with an assisting committee of Mrs. Burton Van Aken, dining room, and Ernest Waite tickets.

CornerstoneCeremonies

Assisting in the ceremonies conducted in placing the cornerstone of the new Elementary School in Leptondale were George Sisti, president of the Citizens Educational Advisory Committee, of Plattekill; Mrs. John Hansen, vice president of the Leptondale Parents League; supervising principal of the Wallkill Central School District and others.

School Tea Held

Mrs. Melissa Boice, of Wallkill, and a member of the teaching staff of the Plattekill Elementary School, was on the committee in charge of serving a tea, at the Wallkill Elementary School on Tuesday afternoon, by the Wallkill Teachers Association, for new teachers on the faculty.

A beautifully decorated table held delicious refreshments, with Miss Eunice McClurken and Mrs. Beverly Howell, pouring.

Parents Club Plans

The members of the Plattekill Parents Club will sponsor a Halloween party for pupils of the Plattekill Elementary School, Thursday, Oct. 29, from 7 to 9 p. m., according to Mrs. Walter West of Ardonia, president of the club.

On Monday, Nov. 30 a book fair will be conducted at the school, when books will be sold to children and the proceeds used to purchase new books for the school library.

At a recent meeting of the Parents Club, Miss Dorothy Olree of Highland, a teacher in the local school, showed slides taken on a trip to Hawaii.

George Edwards was recently appointed chairman of the 1959 Plattekill Boy Scout finance campaign, and will announce those who will assist him in conducting the campaign in this area.

Mr. Edwards is manager of the cafeteria at DuPont's Fabric Plant, Newburgh.

If you want your baked stuffed potatoes to be extra elegant mix the scooped-out potato pulp with butter, cream and egg yolks.

Births

The city registrar recently recorded the following births:

Oct. 7—Diane to Mr. and Mrs. John Carmello Malkin, 6 Grove Street, New Paltz.

Oct. 10—Alice Mae to Mr. and Mrs. Walter Anthony DeGraff, 120 Hunter Street.

Oct. 12—Pamela Shults to Mr. and Mrs. Samuel Conley McCoubrey, 120 East Chester Street, and Deborah Ann to Mr. and Mrs. William James Leonard, Clay Road, Ulster Park.

Oct. 14—Sandra Lee to Mr. and Mrs. Henry Martin Hansen, 95 Abruyn Street, and Erik Christian to Mr. and Mrs. John Philip Metzgar, RD 2, Box 366, Kingston.

Oct. 15—Brian David to Mr. and Mrs. Kenneth Evans Jr., PO Box 196, High Falls.

Former In-Law Of Castro Heads Opposing Force

NEW YORK (AP)—A former brother-in-law of Cuban Prime Minister Fidel Castro says he heads a movement called the "White Rose" with thousands of guerrillas fighting the Castro regime in Cuba.

Dr. Rafael Diaz-Balart, 33, said Tuesday night his movement "respects everyone that works against Castro but is working with absolute independence from every other group."

Diaz-Balart, who said he has known Castro since both were students at the University of Havana in 1945, said the White Rose movement was organized in cells with an underground in every neighborhood of Cuba. He said guerrilla fighting was going on in Oriente, Pinar del Rio and Las Villas provinces.

His sister, Mirta, was married to Castro in 1948 and is the mother of a son, Fidel Jr. They were divorced in 1955.

Diaz-Balart said his movement is independent of former Cuban President Fulgencio Batista, now living on the Portuguese island of Madeira; and the Dominican Republic regime of Generalissimo Rafael Trujillo.

Segregated Tables

LITTLE ROCK, Ark. (AP) — Negro Democrats have been invited to the Arkansas Democratic harmony dinner here on Oct. 30, but they will be seated at segregated tables.

Harold Jinks, regional party representative, said Tuesday that Negroes "are certainly welcome at the dinner. But in line with the policies of the South they will be seated at their own tables."

LEGAL NOTICES

NOTICE OF CHANGE IN ELECTRIC RATE SCHEDULE

An amendment to Rate Schedule P.S.C. No. 11—Electricity filed with the Public Service Commission of the State of New York September 28, 1959 to become effective December 1, 1959 revises Service Classification No. 5, Transmission Line Power Rate, to provide that in December 1959 only, the demand shall be 85% of the highest demand in kilovolt amperes during the on-peak hours between 4:30 p. m. to 7:30 p. m. Monday to Friday inclusive but not less than 250 kilowatts. Except in December 1959 the demand shall be determined as heretofore specified in this service classification.

THE STATE OF NEW YORK NATIONAL BANK SHAREHOLDERS' MEETING

Notice is hereby given that, pursuant to call of its directors, a special meeting of the shareholders of The State of New York National Bank will be held at its banking house at No. 301 Wall Street, in the City of Kingston, State of New York, on Tuesday, November 17, 1959 at 11 o'clock A. M. for the purpose of considering and determining by vote whether an agreement to consolidate the said bank and The National Ulster County Bank of Kingston, located in City of Kingston, State of New York, under the provisions of the laws of the United States, shall be ratified and confirmed; and for the purpose of voting upon any other matters incidental to the proposed consolidation of the two banks. A copy of the aforesaid agreement, executed by a majority of the directors of each of the two banks, providing for the consolidation, is on file at the bank and may be inspected during business hours.

Some Gain Noted For Rockefeller By Chicago Tour

CHICAGO (AP) — Gov. Nelson A. Rockefeller of New York wound up a Chicago visit today after establishing a beachhead from which he could battle Vice President Richard M. Nixon for midwestern support for the Republican presidential nomination.

Rockefeller made no sweeping inroads during a two-day stay here on the strong support Nixon commands in the Midwest.

Governor Impresses

But the New York governor gained a little ground in meetings with newspaper executives and Republican leaders. Several conceded that, while they were not sold on Rockefeller, they were impressed by him and would not rush into any final decision on a presidential candidate.

Rockefeller met Tuesday night with several prominent Midwestern businessmen at the exclusive Chicago Club. The list of guests was kept secret but it reportedly included some of the top contributors to GOP campaigns.

The Rockefeller forces hope this foot in the door will expand into a full-fledged Rockefeller for president boom in the Midwest.

The Chicago visit was the first of a series Rockefeller plans into politically-strategic areas throughout the country.

To Have Same Approach

He will visit California, Oregon, New England and probably Wisconsin next month. His approach probably will be the same it was in Chicago—speeches on top national issues before large groups and emphasis on personality and charm in meetings with small ones.

While the Nixon-Rockefeller contest grows increasingly more prominent on the national political scene, Rockefeller insists "I am not now a candidate."

But Chicago treated him as a candidate.

Treated as Candidate

The New York governor provided ample ground for this view. He told a meeting of the Inland Daily Press Assn. Tuesday that he plans to speak in various parts of the country on such topics as foreign affairs, national defense, the nation's economy, farm policy and education.

He met here with a group of Wisconsin Republicans interested in seeing him run for the party nomination and made tentative plans to appear next month in that state, site of a strategic presidential primary next year.

Port Ewen Church Sponsors UNICEF 'Trick or Treat'

The Port Ewen Methodist Church is sponsoring a Trick or Treat for UNICEF program Friday night, Oct. 30. The program is sponsored nationally by the U. S. Committee for UNICEF and will be carried out this year in some 10,000 communities across the nation.

Last year more than two million youngsters participated in the biggest project ever carried out by children for children..

UNICEF is not a give-away program. Governments that request its aid spend an average of more than $2.50 for each $1 received in UNICEF supplies. The supplies are distributed on the basis of need regardless of political belief, race, or creed. For 750 million children—three out of four in the whole world—the best chance to obtain the aid they need through UNICEF.

The collection in Port Ewen will be made Friday, the night before Halloween.

Home Extension Service News

Hurley Heights

The regular monthly meeting of the Hurley Heights Unit was held October 12 at 8 p. m. at the home of Mrs. Fred Weber. Mrs. George Chase and Mrs. Joseph Smith were welcomed as new members.

A work lesson on Christmas wreaths has been scheduled for the November meeting.

Mrs. Charlotte Peck gave an interesting and informative talk on Cerebral Palsy and a film was shown. Ways of helping the work of the local CP Center were discussed and plans were made.

Refreshments served after the meeting had a Halloween theme.

* * *

Council of Chairmen

Mrs. Charles Williams of the West Hurley Unit of the Ulster County Home Demonstration Department will preside at the Council of Chairmen meeting in New Paltz at the Education Building of the Reformed Church on Huguenot Street. The meeting will start promptly at 10 a. m. on Friday and will close at noon.

Program plans for 1960-1961 will be discussed. Mrs. Fred Weber of Hurley and Mrs. Richard Overbagh, temporary assistant agent will report on the Southern District Program Conference held in White Plains October 15.

May Go to Hospital

ALLENTOWN, Pa. (AP)—The 41-year-old widow of a Peruvian diplomat who admitted killing her five children may be sent to a Pennsylvania mental hospital.

Warden George Albright of the Lehigh County Prison said Tuesday that he wanted Ruth Mae Urdanivia transferred "where they have better facilities for caring for her."

Mrs. Urdanivia was taken to the prison after being arraigned. She was charged with five counts of murder.

PATROLMEN'S ASSOCIATION HELPS CHEST DRIVE — Officer John Crespino (center), president of Kingston Patrolmen's Association, hands check for $220 to Postmaster Oscar V. Drive at 68 PC

Central Hudson Fifth to Receive Feather Plaque

Another plaque winning group was announced Tuesday night as the Red Feather campaign's third report meeting was held at the Governor Clinton Hotel and disclosed the 10-agency drive had reached 68 per cent of its goal.

Employes of Central Hudson Gas & Electric Corporation qualified for the honor plaque which signifies 90 per cent or better participation by employes in the "Buck-a-Month" Club plan, it was announced by Harold H. Heider, chairman of the drive's business and industry division.

$90,849 Is Raised

Previous winners of the plaque were employes of IBM, Kingston Buick Co., Inc., Charles Ramsey Corporation, and Smith Mail Advertising Service, Inc.

Reports received from all divisions in the once-a-year drive for 10 community services showed a total of $90,849.13 raised toward the goal of $137,500.

Solicitation is in full swing in the Metropolitan, door-to-door division in all wards of Kingston and in Esopus, Hurley and Ulster. In other divisions, clean-up operations are underway.

W. Henry Haltermann, the general campaign chairman, issued an appeal to all workers to complete their assignments and turn in their reports as soon as possible to their division chairman or directly to the Kingston Area Community Chest office in the YWCA building.

Division Totals

Following are the division totals reported to date:

Business and Industry, Harold H. Heider, chairman, $69,041.33, or 75% of quota.

Special Gifts, G. Herbert DeKay, chairman, $10,842.50, or 74% of quota.

Commercial, Frank E. Bourke, chairman, $4,574 or 46% of quota.

Professional, John B. Wilkie, chairman, $2,144.50 or 32% of quota.

Government, Oscar V. Newkirk, chairman, $437 or 3% of quota.

Education, Ambrose Boyd and Ernest Meyer, co-chairmen, $1,513, or 63% of quota.

Construction, Stephen Gill, chairman, $535 or 3% of quota.

Metropolitan, Mrs. David C. Ennis, Mrs. John B. Glennon and Mrs. Harry Spiegel, $1,761.80 or 22% of quota.

Man, Who Faces Pistol-Whipping Count, Gets Bail

A 33-year-old Brooklyn chef, who is accused of pistol-whipping a Poughkeepsie restaurant owner and attemping to rob him of $540, today was released in bail of $6,000 when he appeared before City Judge Charles O'Donnell. The case was adjourned until Wednesday, Oct. 28.

Bail had previously been set at $10,000 for Dominick V. Agostino, of 7623 Colonial Road, Brooklyn, who pleaded innocent to first degree assault, attempted robbery and possessing a .32 caliber pistol without a license in violation of Section 1897 of the Penal law.

Police said 55-year-old Samuel Weiss, of 47 Marian Avenue, Poughkeepsie, owner of the Silver Dollar Restaurant, 552 Main Street, accused Agostino of hitting him on the head with a gun several times as Weiss was getting into his car parked in front of his restaurant early last Sunday.

Authorities said that Deputy Sheriff John Holden, who was returning from an investigation at Pleasant Valley, saw the two men fighting on the sidewalk and he separated them and later apprehended Agostino after a chase. Weiss was hospitalized with severe head injuries which required 12 sutures to close.

Weiss, police said, managed to save his $540.

Finds 48 Pearls

LANCASTER, Pa. (AP) — An oyster shucker at a local sea food market, Charles Wantz, found 48 pearls in an oyster Tuesday.

Prof. John S. McDermott, biologist at Franklin and Marshall College, said that "48 pearls in a single oyster are unheard of as far as I know."

Wantz gave the pearls to the school's biology department after jewelers said they were irregular and worthless except for science and curiosity.

Prospective Bride Of Raymond Shultis

DAWN PARKER

Mrs. Doris Parker of Olive Bridge announces the engagement of her daughter, Dawn, to Raymond R. Shultis, son of Mr. and Mrs. LeGrand Shultis, also of Olive Bridge.

The bride-elect is a student at Onteora Central High School. Her fiance is employed by the Rotron Manufacturing Company.

No date has been set for the wedding.

Breed - Buck Wedding Announced

Miss Ruth Marie Breed and Robert E. Buck were married on September 12 at the Emmanuel Episcopal Church, Norwich, N. Y., the Rev. A. D. Salmon of Guilford officiating. Miss Mary Alive Breed of Norwich, sister of the bride, and Harry Spangenberg of Oxford served as attendants.

The bride is the daughter of Mrs. F. Randall Breed and the late Mr. Breed of 16 Pellett Street, Norwich. The bridegroom is the son of Mr. and Mrs. John W. Buck of Kingston.

The couple are now residing at 201 Woodruff Avenue, Syracuse. Mr. Buck, an alumnus of Kingston High School and Syracuse University, where he received his MS degree, is employed by the College of Medicine as a bacteriologist. Mrs. Buck is an alumna of Norwich High School and the University of Rochester. She is now working as an employment interviewer with the New York State Employment Service in Syracuse.

Named Guest Speaker For Ursula Parents Wednesday at 8 P.M.

The Rev. Joseph B. Schuyler, S. J., of Loyola Seminary, Shrub Oak, N. Y. will address the members of the Parents' Association of the Academy of St. Ursula at their first meeting on Wednesday, Oct. 21, at 8 p. m.

Father Schuyler, a native of Brooklyn, is Professor of Sociology at Fordham University. A director of Cana Conferences and chaplain of several CFM groups, he has studied both labor and lay apostolic movements in Europe, particularly in Germany. Father Schuyler has also lectured widely and is the author of numerous publications.

MR. AND MRS. SIEBERN HEINZ WARRINGS
(Pennington photo)

Claire Kathryn Keuver, Siebern Warrings Exchange Nuptial Vows at Oak Hill Church

Exchanging nuptial vows on Saturday, Oct. 3 at St. Paul's Lutheran Church, Oak Hill, N. Y., were Claire Kathryn Kuever, daughter of Mr. and Mrs. John Kuever of Cairo, and Siebern Heinz Warrings, son of Mr. and Mrs. Heinz Warrings of Purling.

Officiating clergyman was the Rev. Louis Laumhardt of Cairo Lutheran Church.

Baskets of white mums and carnations decorated the church for the occasion.

The bride was given in marriage by her father. She wore a gown of imported Chantilly lace over bridal satin styled with a fitted bodice and modified Sabrina neckline outlined with seed pearls and sequins. The gown also featured long tapered sleeves, redingote skirt accented with pearls and sequins with tiers of lace and nylon tulle terminating in a chapel train. Her tiara of seed pearls and sequins held a French imported silk illusion veil. The bride carried a white orchid on a prayer book with white carnations and streamers.

Mrs. William Corin Jr., of Palenville, was the bride's matron of honor. She wore a peacock nylon organza and tulle gown with fitted bodice, off-the-shouder neckline, and plantation style skirt. Her tiara of braid and pearls held a matching flirtation veil. She carried dark pink carnations on a prayer book with matching streamers.

The bridesmaids, Silke Warrings of Purling, and Irmgard Lindenburg of New York City, wore pale pink gowns styled similarly to that of the honor attendants.

Gloria Tannemacher and Nancy Brouckmann, the bridegroom's nieces, were flower girls. Their gowns were trimmed with white flowers at the neckline and they carried dark and pale pink carnations in a basket.

Egan Brouckmann of Blairstown, N. J., was best man. Ushers were John Kuever, the bride's brother, and Herbert Tannemacher of Astoria, L. I., the bridegroom's brother-in-law.

A reception was given at the Bavarian Manor immediately following the church ceremony.

The bride was graduated from Cairo High School in 1952. She is employed by Becker Durham Inc., East Durham. Her husband, a native of Germany, completed his education in Astoria, L. I. He is now employed at the Roundtop Knitting Mill, Roundtop.

For her wedding trip, the bride wore a brown sheath with matching shoes, beige coat and corsage of white orchids.

Mr. and Mrs. Warrings will make their home in Purling.

Civil Air Patrol Conference Attended By Capt. S. Lane

Capt. Sidney Lane, Commander of the Kingston Squadron, Civil Air Patrol, and Mrs. Lane, attended the Northeast Region Conference on Saturday, Oct. 17 at Hotel Taft, New Haven, Conn. All CAP units in Maine, New Hampshire, Vermont, Massachusetts, Connecticut, Rhode Island, New York, New Jersey and Pennsylvania are a part of the Northeast Region.

Among the speakers were Brig. Gen. Stephen D. McElroy, National Commander of the Civil Air Patrol; Lt. Gen. William E. Hall, Commander CONAC; and Col. S. J. Simon, Commander, Northeast Region, CAP.

Capt. Randolph E. Stevens showed a new film on the Air Force Academy, "School of the Air." Special sessions were held on Saturday for staff officers with the theme "Progress Through Education."

On Sunday, senior and cadet members of the Squadron were invited to attend the Antique Air Show held at the Stormville Airport in Dutchess County. Cadets served as guards for the planes as well as messengers.

DAR Members Enjoy Concert Program Given October 16

Members and guests of Wiltwyck Chapter, DAR, were delighted to have as guest artists Mrs. Charles Dedrick Jr., harpist, and Mrs. Edward L. Flick, soprano soloist, Friday, Oct. 16, in observance of Chapter Day.

Mrs. Cloyd L. Elias, First Vice Regent, was hostess for the occasion, and Mrs. Claude G. Palen, as program chairman, introduced the artists.

Mrs. Dedrick, seated at her harp in the Colonial drawing room at the Chapter House with a fireplace and an American flag as a background, opened her program with "Prayer" by Hasselmans. Other selections were: "Giga" — Corelli; "Chacone" — Durand; "Patrol"—Hasselmans; "Clair de Lune" — Debussy; "Fountain" — Zabel; "Old Chinese Song"—Grandjavy; Russian Folk Tunes and "Santa Lucia."

The request number was "Song in the Night" by Carlos Salzedo. Mr. Salzedo is considered by many as the outstanding harpist in the world today, and was Mrs. Dedrick's teacher at Adelphi College.

Mrs. Flick had, as her accompanist, Miss Edna Merrihew, and sang the following selections: "At Bedtime" (a lullaby) by Gardiner Read; "Where My Caravan Has Rested" by Harmann Lohr; "Without a Song" by Vincent Youmans.

Both artists were enthusiastically received.

There was a social hour and refreshments were served in the dining room which was decorated with artistic arrangements of garden flowers.

Hostesses in the dining room were the Mmes. Hollis M. Burhans, John G. Garon, G. Herbert DeKay, Melvin R. Coutant, and Howard R. St. John.

A TIP FROM A GROUP

Dear Mrs. Post: I have just returned from a bus tour. It was a seven day trip and the first one I had ever taken of this kind. On our way home, one of the men in the group approached each passenger and asked them to contribute toward a tip for the tour director. I was very much surprised at this and saw no reason why he should be given a tip. He was very courteous and pleasant, but was only doing his job for which I am sure he is well paid. I refused to give anything as I thought this was going a little too far. The person taking up the collection seemed rather put out with me and I am sure thought me a terrible "cheapskate." Is such a tip customary, and was I wrong not to contribute?

Answer: It is quite customary to present the tour director with a tip at the end of a tour and you should not have refused to contribute toward it.

Bride's Family Disapprove of Marriage

Dear Mrs. Post: Our son has been engaged for over a year and he plans to be married shortly. We approve of the girl and the marriage. However, her parents are opposed to the marriage because of religious differences and will not attend the wedding. Would it be permissible for us, the parents of the bridegroom, to send out the wedding announcements. We have numerous friends and relatives and would like them to know of the marriage.

Answer: Under the circumstances, I think it will be best for your son and his bride to announce their own marriage.

A Hope Chest

Dear Mrs. Post: My son is planning to give his fiance a hope chest for her birthday, which is next month. We have been told that it would be improper for him to give her such a present and that the hope chest should be given by her family. Will you please advise us?

Answer: It should be given to her by her family.

* * *

Mrs. Post offers readers leaflets on a variety of subjects concerning etiquette. If you would like to have her leaflet E-21, entitled, "Model Notes," send 10 cents in coin to Dept. EP, care of The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail.

Sorosis

A regular meeting of Sorosis will be held at the home of Mrs. LeRoy Vogt, Hurley on Monday, Oct. 26 at 2 p. m.

Marguerite Rosa Weds Arthur D. Lapp

Miss Margerite A. Rosa, daughter of Mrs. Loretta Rosa of High Falls and the late Fred Rosa, wed Arthur D. Lapp, son of Mrs. Charles Lapp of Alligerville, and the late Charles Lapp, in a double ring ceremony on Saturday, Oct. 10, at 2 p. m. in the Stone Ridge Reformed Church.

Officiating clergyman was the Rev. Robert Clementz of the Stone Ridge Reformed Church.

Wallace Fulford of High Falls was organist.

The bride, who wore a white brocade ballerina length gown with fingertip veil, was attended by Mrs. David Neff of High Falls. Mrs. Neff wore a green ensemble and an orchid.

Best man was David Neff of High Falls.

A reception was given at the home of the bride's mother.

For traveling, the bride wore a light blue suit with black accessories and a corsage of orchids.

Mrs. Lapp was graduated from Kingston High School in 1957 and is employed at the Court House, Wall Street, in the Ulster County Machine Tabulating Department. Her husband is an alumnus of Kerhonkson High School, class of 1952. He served four years with the Air Force and is now working with the Brunalli Construction Company of Southington, Conn.

Club Notices

School Secretaries Attend State Parley, Workshops in Albany

A group of educational secretaries from the Kingston City Schools (Consolidated) attended the Ninth Annual Convention of the New York State Association of Educational Secretaries at the Sheraton Ten Eyck in Albany, October 16th and 17th. Those attending were Mrs. Madeline Evory; Miss Linda Hall, Mrs. Rosemary Jones, Mrs. Constance Popp, Mrs. Ann B. Smith, Mrs. Alice Stevens and Mrs. Charlotte Teetsel. Mrs. Rosemary Jones was elected member-at-large from this area.

Workshops were conducted on Friday and Saturday, and covered such topics as personnel supervision, testing, human relations and the changing role of the school secretary. Workshop leaders included Dr. Clare Graves from Union College; Dr. Charles Richter, superintendent of schools of Niskayuna, and L. Millard Collins of IBM's educational services.

M. Clifford Miller, principal of Kingston High School, and Mrs. Miller joined the educational secretaries at the banquet on Saturday night. The banquet speaker was Dr. Lucille Lynnburg, professor at Queens College. Her presentation was on Russia and her remarks were based on her experiences as an educator touring the Russian schools on an exchange program.

Ticket Sales Are Brisk for Tri-City Pops at Saugerties

Although tickets have been available for only a week, the response to the appearance of the Tri-City Symphony "Pops" orchestra in Saugerties Nov. 6 has been very encouraging, a committee spokesman said today.

There are a number of theater events being organized for the event at Saugerties High School Auditorium, in addition to many inquiries received about the chances for more musical programs in the future along the same line.

Saugerties Jaycees who are presenting the program is ready to launch a series of musical programs in this area, if the response is as large as they believe it will be.

The Tri-City Symphony Orchestra has established itself as one of the state's most versatile musical groups. The orchestra is composed of all professional musicians and has been increasingy in popularity over the past few years. They have amassed an extensive repertoire of semi-classical music as well as some of the greatest works of the old masters.

Edgar Curtis, founded the Tri-City Orchestra in 1952 after many years as a concert artist and conductor in Europe and in this country.

Deserving of attention are two special tributes to Curtis from managers of two of America's most famous orchestras: "It is a pleasure to recommend Mr. Curtis both as a man and as a musician (following his concert with the Boston Symphony, George Judd, then manager of the Boston Symphony)." A musician of the finest type (George Duyper, manager of Chicago Symphony Orchestra)."

Also featured in the program will be Jon Besson, a soloist tenor from Holland whose background is both extensive and impressive.

Tickets are now available at Kingston Area Chamber of Commerce in the Governor Clinton Hotel or by ordering from the Saugerties Jaycees, 175 Market Street, Saugerties. Tickets are also available in Saugerties at Bank's Stationery, Bosco's Barber Shop and Joseph's Beauty Salon.

The program will start at 8:45 p. m.

PLAN HARVEST MOON DANCE — This year's Harvest Moon Dance which is sponsored by members of Tri-Hi, a YWCA club, will be held Saturday, Oct. 24 at the Kate Walton Field House from 8:30 p. m. to 11:30. Music will be provided by Wendell Scherer and his orchestra. Meeting to discuss final plans for the gala event are, seated (l-r) Sharon Lawrence, Mary Chambers, Jane LeFever, Andrea DuBois and Winnie Shoemaker. Rear (l-r) Patricia Stanley, Ellen Donovan and Judy Libbos. The theme selected for this year's dance is "Moonlight Serenade." Tickets are available from members of Tri-Hi. (Freeman photo)

Subject for Library Story Hour Friday Is Announced Here

Junior League of Kingston announces its program this Friday will be a movie entitled "Kid Stuff in New York State." This film follows the adventures of two small travelers, a boy and girl, on a magical journey through New York's children's attractions — western towns, fairytale villages, outer space, zoos and menageries — places that enchant a child's mind and return parents and grandparents to the delights of their own childhood.

Filmed on location (by the New York State Department of Commerce) in brilliant color, "Kid Stuff" stars animals and children in a storybook setting. It is a half hour film.

Nurses Attend N. Y. Convention; Plan Dinner Tonight

A report of the recent convention for the New York State Nurses Association, held at Statler Hilton Hotel in New York City, will be given tonight at a dinner-meeting.

The dinner will be given at The Flamingo.

Area nurses attending the convention were Miss Wilma R. Jones, Mrs. Marie Wilber and Mrs. Marie Stewart.

Sisterhood Welcomes New Members Here

On Wednesday evening, Oct. 14, the regular monthly meeting of Sisterhood of Temple Emanuel was held at the Temple on Albany Avenue. Mrs. Charles Warshaw, Mrs. Morris Kalish and Mrs. N. B. Gross were hostesses.

The theme of the meeting was a welcome to new members. This department is in charge of Mrs. Morton Honig. Chairman, Mrs. David Gerbarg, introduced new members and welcomed them to Sisterhood. Guests were greeted by Mrs. Herbert Kletske, president.

After the business meeting, which dealt with functions for the year, Mrs. Robert Ronder, program chairman, presented a skit entitled, "Membership," in which the following members participated, the Mmes. Leone Gross, Arthur London, Sam Mann, Bernard Pauker, Alfred Ronder, Charles Ronder and Stanley Simon.

Johanna S. Ott Named Assistant College Professor

Miss Johanna S. Ott, daughter of Mr. and Mrs. Paul Ott, Rosendale, a member of the faculty of Moravian College, Bethlehem, Pa., has been advanced to the rank of assistant professor by action of the Board of Trustees in a meeting held October 16.

An alumna of Hunter College, Miss Ott received the MS degree from New York University in 1956 and was appointed instructor in mathematics at Moravian College in September of that year.

WHAT IS A HAT?
A PIECE OF MAGIC IS A HAT!
A HAT IS a flag . . . a shield . . . a bit of armor . . . the badge of femininity.
A HAT IS the difference between wearing clothes and wearing a costume; it's the difference between being dressed and being dressed up; it's the difference between looking adequate and looking your best.
A HAT IS what carries you to church . . . wafts you through a cocktail party . . . turns you into a well-dressed woman on a shopping spree.
A HAT IS to be stylish in . . . to flow under . . . to flirt beneath . . . is to make other women jealous and all men feel masculine about.
A HAT IS a conversation piece . . . a morale booster . . . therapy for drooping spirits . . . a flatterer to banish years and put stars in your eyes.
A HAT IS the pride of the present and the nostalgia of the past.
A HAT IS what turns a girl into a woman . . . a woman into a lady. Better still, a hat is what turns men's glances to your head and turns their heads to the heart.
. . . and all of this "magic" can be found in CLAIRE'S FABULOUS COLLECTION.

"HE IS BEST OF ALL MEN WHO FOLLOWS GOOD ADVICE"
(*Author's Name Below)
It is amazing how many people are quick to offer health advice. Without any study or knowledge, they tell you what you should do or take when you are sick. Thoughtless friends are sincere but unfortunately there are many opportunists. Some door-to-door peddlers and sharp mail order promoters consider profits more important than the good their products will do.
Wise men know the only person capable of giving good advice about how to treat sickness is a physician. They also realize when they obtain medicines and health-aids from a pharmacist pledged to consider health more important than immediate great profits, they are always safer.
YOUR DOCTOR CAN PHONE FE 1-0800 WHEN YOU NEED A MEDICINE
Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Mt. Tremper Church Organizes New Guild

Recently a new church organization, known as the Reformed Church Guild was formed in Mt. Tremper, to offer social and church activities for all ages.

Social evenings for the children and youth of the area are being planned. The officers, to serve a term of one year are:

Lois Umphey, president: Marge Byron, vice president: Lillian Phillips, secretary, and Ruth Wilber, treasurer.

Cards are in the mail to all ladies of the area inviting them to attend the meetings of the Guild and aiding in the program.

The next meeting will be on Tuesday, Oct. 27 at 8 p. m., at the home of Mrs. Lillian Phillips. Plans for a Thanksgiving and Christmas social will be discussed.

Parents Association

Parents Association of Academy of St. Ursula will meet tonight at 8 for the first meeting of this year at the school auditorium.

MRS. WILLIAM BRINNIER MERRILL

Nancy Jane Brittain Weds William Merrill Of Kingston in Double Ring Ceremony

A gown of white bouquet taffeta fashioned with fitted bodice, Bertha collar of re-embroidered Alencon lace, long tapered sleeves and princess skirt terminating in a chapel train was worn by Miss Nancy Jane Brittain, daughter of Mr. and Mrs. Windsor M. Brittain of Westford Avenue, Springfield, Mass., for her marriage Saturday, Oct. 17, to William Brinnier Merrill, son of Mr. and Mrs. William Henry Merrill of Kingston.

The bride's fingertip length veil of French illusion was arranged with a crown of seed pearls and she carried a French cascade of stephanotis and white miniature roses centered with a cluster of white orchids.

The 2 p. m. ceremony took place in Wesley Methodist Church with the Rev. Leslie H. Johnson, minister of the church, officiating. It was a double ring ceremony.

Mrs. Elroy Norton was organist for the occasion and Mrs. Robert Meacham sang, "I Love Thee," and "O Perfect Love."

Bouquets of white mums, pompons and snapdragons decorated the church.

Miss Joy Shaw of Springfield, Mass., was the maid of honor. Bridesmaids were Miss Emily Utenwoldt of Kingston and Miss Susan Rock of Wellfleet, Mass., cousin of the bride.

Mr. Merrill attended his son as best man. James Lucas and Daniel Sullivan of Worcester, Mass., ushered, assisted by Peter Brittain and Paul Brittain, brothers of the bride, junior ushers.

The maid of honor wore a ballerina length frock of antique gold brocade satin styled with Sabrina neckline, Parisian sleeves and bell skirt and matching velvet headpiece. Her colonial bouquet was of deep bronze Rubyaette pompons with moss green leaves and a touch of gold. The bridesmaids wore similar frocks of winter moss brocade satin with matching headpieces and carried colonial bouquets of yellow pompons, moss green leaves and a touch of gold.

A reception was held in the church parlors where the Misses Janice Parenteau and Roberta Utenwoldt assisted in serving.

Mrs. Brittain chose for her daughter's wedding a cocktail length dress of brown Chantilly lace over sand taffeta with matching feather hat and corsage of pink cymbidium orchids. Mrs. Merrill Sr., chose a royal blue lace and peau de soie dress with matching feather hat and white orchid corsage.

Following a wedding trip to Canada, Mr. and Mrs. Merrill will make their home at 19 Oak Street, this city, where they will receive friends after October 26.

For traveling, the bride wore a cardinal red wool costume suit with fingetip coat, raccoon shawl collar and matching accessories.

The bride, a graduate of Classical High School, Springfield, Mass., is employed as a bookkeeper by Bob Steele's Inc., Kingston. Her husband is an alumnus of Trinity-Pauling Private School, Pauling and attended Springfield College. He is employed as an independent insurance adjuster by J. Richard Miller, Inc., this city.

Janet Ann Quick, Jonas Nemeth Are Wed on October 16

WALLKILL—Miss Janet Ann Quick, daughter of Mr. and Mrs. Hazzie Quick of Wallkill, became the bride of Pfc. Jonas Nemeth, son of Mrs. Anna Nemeth and the late Joseph Nemeth of Hungary, Friday, Oct. 16, at 5 p. m. in the Wallkill Reformed Church. The Rev. Walter N. Van Popering, pastor of the church performed the double ring ceremony in the sanctuary.

The bride was gowned in blue lace net over taffeta with peach accessories and wore a gardenia corsage.

The attendants were Mr. and Mrs. Joseph Pangia of Wallkill, sister and brother-in-law of the bride. Mrs. Pangia was attired in a beige knit suit with black accessories and gardenia corsage.

After a dinner for the immediate family held at the home of her parents, the couple left for a short motor trip through western New York State.

Mrs. Nemeth attended Wallkill Central Schools and is employed at Stanwyck Winding in Wallkill At present she is residing with her parents, but will join her husband shortly.

Pfc. Nemeth is a member of the paratroops of the U. S. Army and is stationed at Fort Campbell, Kentucky.

Saugerties Rosary Guild to Hold Card Party Thursday Night

The card party social, planned by St. Mary's Rosary Guild Saugerties will be held Thursday 8 p. m. in St. Mary's school hall, 23 Cedar Street, Saugerties.

The afghan on display in Amrod's window will be the main award of the evening. This was donated by Mrs. Helen Keeley's Knitting Club.

Those donating cakes may bring them to the school hall that evening or contact Mrs. John R. Dean for pickup arrangements.

Tickets for the event may be purchased from any member of the Rosary Guild and will be sold at the door.

Refreshments will be served.

Suppers

Ladies' Aid Society

Ladies' Aid Society of the High Woods Reformed Church will sponsor a chicken and hot biscuit supper Wednesday, Oct. 28. Serving will begin at 5:30 p. m. and continue until all are served.

The supper will be given in the church hall.

LWV Sets Discussion Sessions This Month

A discussion of practical politics, combined with election issues, will be on the program for the October unit meetings of the Provisional League of Women Voters of Kingston.

The discussion will involve an introduction to political organizations, their structure, function and importance to the democratic process. A review of the offices to be filled in the November elections; and discussion of the amendments on the New York State ballot.

The evening group will meet Monday, Oct. 26, at the home of Mrs. John Burnett, Elmendorf Heights, Hurley. Coffee will be served at 8:30 p. m. Mrs. Bernard Bouton is chairman of the evening unit.

The afternoon discussion group will meet Tuesday, Oct. 27, at the home of Mrs. Robert Yallum, 9 Miller's Lane. Coffee will be served at 12:30, with discussion from 12:45 to 2:45. Mrs. Ronald Drowns is chairman.

In charge of the program presentation for the October unit meetings are Mrs. Edward DeGroff, voters' service chairman and Mrs. Jeremiah Sachs and Mrs. Ellsworth Johnson, co-chairman of the "Know Your Town" survey of Kingston's government currently being studied by the Provisional LWV.

Personals

Col. Charles W. Delanoy, who was in Kingston visiting with his brother and sister-in-law, Mr. and Mrs. Robert V. Delanoy of 284 Washington Avenue, has returned to Randolph Air Force Base in Texas.

Rummage Sale

Worf's Skirts

A rummage sale will be sponsored by Worf's Skirts on Friday and Saturday from 9 a. m. to 5 p. m. at 106 Broadway.

Public is invited.

MR. AND MRS. JOHN MARINO of 5 Esopus Avenue, this city, who celebrated their 50th wedding anniversary on Saturday, Oct. 10. Married in Italy, the Marinos were feted at a surprise party given by their family. Mr. Marino is a retired mason.

Couple Feted at Party

On Saturday, Oct. 10, an open house was given for Mr. and Mrs. Frederick Richard Christiana Jr., of 32 Fairview Avenue.

The occasion marked their first wedding anniversary.

Among those attending were Mr. and Mrs. Chester Blum Sr., Mr. and Mrs. Frederick L. Christiana Sr., Mr. and Mrs. J. B. Christiana, Mr. and Mrs. Chester L. Blumm Jr., of Somerville, N. J., Mr. and Mrs. Joseph William Blum of New Market, N. J., Mr. and Mrs. Wilson Sheeley of Kyserike, Mr. and Mrs. Roger Sheeley of Kyserike, George Dixon of Hurley, Mr. and Mrs. Martin Sior, Mrs. Robert Graney, Mr. and Mrs. Anthony Fabiano, Mr. and Mrs. John Dudek, Mr. and Mrs. Girard De Veau, Mr. and Mrs. Joseph Stenson, Mr. and Mrs. Albert Feldman, Mr. and Mrs. Harold Stewart and Mrs. Joseph Heidcamp.

Also the Misses Regina McAndrew, Betty Jordan, Kay Durkin of New York City, Helen Stevenson, Anne Conlin, Patricia Holpp, Irene Lutz and Eileen Reis.

Also Richard Connell, John Marshall and Lawrence Callahan.

Colonial Rebekah Lodge 48.

Colonial Rebekah Lodge 48 will hold its regular meeting on Monday, Oct. 26, at 8 o'clock in their Lodge rooms corner Broadway and Brewster Street.

Installation of officers will be held by District Deputy President Sister Mae Hung and her staff of Agapae Lodge 623 of Bearsville.

Members are requested to wear white gowns and bring a covered dish as a covered dish supper will be served after the meeting.

Chairman of refreshment committee is Frances Gille.

School No. 4 P-TA Elects New Officers

Mrs. Doris Rongier was elected president of the P-TA at School No. 4 at its regular meeting held October 13.

Also elected were Frank Adams, vice president; Corinne Janeczek, secretary and Josephine Schoonmaker, treasurer.

Guest speaker for the evening was Major H. Edgar Timmerman, director of Civil Defense, who showed a film on Civil Defense and lectured on the subject.

The membership decided to sponsor a cake and apron sale at Thieves' Market on November 7.

Refreshments with a Halloween theme were served at the close of the program.

SPORTS

By CHARLES J. TIANO

Freeman Sports Editor

The migration of four Kingston tenpin hotshots to Newburgh once a week to compete in the Mid-Hudson Major emphasizes the Hill City's rating as tenpin center of the Mid-Hudson area.

For years, the Bridge City has been operating a wide open major league and even the fabulous Cy's Diner team, with Al Crisci, Tony Mack, Pat Tarsio, Nick Leoce and John Martini, were welcomed.

While Newburgh has resisted efforts of the handicap and ceiling-average advocates, Kingston and Poughkeepsie, with some of the finest bowling materials in the east, has plodded along, bowing to the will of the minority.

Leagues that bear the name of major are, in effect, only just another league. It is incredible that in the midst of a tremendous bowling boom a pair of cities like Kingston and Poughkeepsie cannot claim an unrestricted, genuine major league. This situation has come about because through the years the tendency has been to drag the top bowlers down to the level of the intermediates and beginners. No serious effort was ever made to build bowler mentality or mechanically, for the big leagues.

• Chichelsky's Chatter:

Dick Howard, Charlie Manfro and Tom Carlino are members of the A&M Vending squad in Newburgh's Mid-Hudson Major. Sam Fisher and Tim Bilyeu of Ellenville round out the team. Some of the hotshots in the league include the famed Lou Campi, Frank Esposito, Pat Tarsio, Jake Charter, George Kaemmerer and others. The league rolls at the Bowl-O-Matic operated by Campi and Tarsio. . . . Anyone bowling 300 in a sanctioned league or tournament will receive $500 from Messrs. Campi and Tarsio. . . . It was good to see Marty Kellenberger, the famed "Old Owl" of yesteryear in town last week. He is still a Justice of the Peace in Florida. . . . Big Joe Mahar was really bombing those pins last week. . . . The Five Merchants are losing some tough games in the HVBL. Shieky Carlino requests that we write about a good team (presumably the Merchants) once in a while. Looks like Jones Dairy's sharpshooters are a cinch to climb over the 3200 mark in the near future. Don Hines is our up and coming bowler for this week. He is hitting at a 190 clip in the Bowlero Mixed. . . . A birdie told me that the Bowlerama will install 12 more alleys next season.

• Splits and Misses:

Ever wonder who the Five Merchants are who sponsor one of the local Hudson Valley League entries? From left to right: Rheingold Beer, Dunham Tunnel & Excavating Corp., Sportsman's Park, Fugazy Travel Bureau and Joe R. O'Connor. . . . Sangi's Bowlero Mixer is looking for male bowlers. . . . Individual bowlers in the BPAA match game eliminations leading to the Nationals are being sponsored by local merchants. Some of the tieups to date: Chris Gallo (leading with 1665), Jo-Al's; Tom Carlino, DiMicco's Motors; Ken Joseph, Cedar Rest; Buster Ferraro, Rheingold Beer; Mike Rienzo, Rienzo's Market; John Ferrao, Manhattan Bowling Balls; Jack Ferraro, Ferraro's Bowlerama; Larry Petersen, Fugazy Travel Bureau. . . . Thirty-six entries for the area eliminations is a substantial figure, but should be higher. And why are the lady keglerettes so bashful all of a sudden?

• Terry Beckert's Tenpin Topics:

Bowling isn't only a game of competition, but also one of determination. Sis Balash showed us how determined she was when she rolled a 617 series last week. . . . Som other high scores were: Tess Moss 557, Marie Bechtold 522, Judy Lowe 524. Janet Moore and Chris Gallop each had a 509. . . . Mel Madison has come up with some nice scores lately. She had a 526 triple in the Junior Major last week. Dot Rawding, current high average leader in the Friendship and Hudson Valley Women's League, is busting the pins wide open. The All Star women's elilminations were scheduled to start last Saturday at Kiamesha Lakes, but postponed for two weeks because of lack of entries. Eliminations get under way Sunday, Oct. 31, instead. The original entry list was less than ten. Can the gals really be that indifferent to this wonderful tournament? . . . Special thanks to John Sangi for entering his HVBL squad in the eliminations. . . . Is the sports editor going to make it a regular practice to publish photos of all women rolling 600 or better? . . . KWBA plans an executive board meeting Monday at 7 p. m. in the Civic Room of the Gov. Clinton Hotel. Hope to see you all there.

Davenports and Wonderlys Share Husband-Wife Honors

Mr. and Mrs. Maurice Davenport won low gross honors in Wiltwyck Country Club's first annual Husband and Wife tournament.

Mr. and Mrs. Clyde Wonderly, Jr. captured low net honors with a 75. Twenty couples took part in the tournament.

The order of finish in the low net department:

Mr. and Mrs. George C. Rifenbary, 77; Mr. and Mrs. John Provenzano, 78; Mr. and Mrs. Robert H. Daley, 78; Mr. and Mrs. Harvey Bostic, 80; Mr. and Mrs. Lincoln Christensen, 80; Mr. and Mrs. Ed Strohshal, 82; Mr. and Mrs. Charles J. Turck, 82; Mr. and Mrs. V. J. Andretta, Jr., 83; Mr. and Mrs. Joseph Marr, 85; Mr. and Mrs. Harry Shaub, 86; Mr. and Mrs. Stanley Hankinson, 86;

Also, Mr. and Mrs. J. Watson Bailey, 87; Mr. and Mrs. Ernest Le Fevre, 87; Mr. and Mrs. Howard Terwilliger, 87; Mr. and Mrs. Doug Kennedy, 87; Mr. and Mrs. C. Smith, 87; Mr. and Mrs. Abe Streifer, 89; Mr. and Mrs. Lloyd Le Fevre, 92; Mr. and Mrs. Al Motzkin, 93; Mr. and Mrs. Arthur London, 96; Mr. and Mrs. Frank Vault, 96; Mr. and Mrs. Clair Shaeffer, 97; Mr. and Mrs. Sidney Spiegel, 105.

Burdette Gave Most Home Runs

NEW YORK (AP) —Lew Burdette of the Milwaukee Braves gave up 38 home runs in 1959, the most allowed by any major league pitcher. This was 20 more than he yielded in 1958.

Jim Bunning of the Detroit Tigers paced the American League in gopher balls the past season with 37.

Burdette's chief tormentors were the Chicago Cubs, figures released by the Associated Press showed today. The Cubs slammed 11 homers off the right-handed veteran. Ernie Banks of the Cubs and Orlando Cepeda of San Francisco tagged Burdette for four homers each.

Burdette worked 280 innings, winning 21 games and losing 15. In 1958, he pitched 275 innings, allowing only 18 homers with a 20-10 record.

Bunning, also a right-hander pitched 250 innings the past year and had a 17-13 record. The Cleveland Indians hit him for nine homers and Kansas City for seven. He had the most trouble with Harmon Killebrew of Washington and Minnie Minoso of Cleveland, giving up three home runs to each. Bunning allowed 28 homers in 1958.

College Leaders Keep Fast Pace

NEW YORK (AP) —Competition for individual offensive honors among the nation's college football players seems to be dwindling to a battle for the runnerup spots.

Two players — Dick Norman of Stanford and Pervis Atkins of New Mexico State — took the lead in three offensive departments at the start of the season and show no signs of relinquishing it.

Norman leads in two departments. His 809 yards are tops in total offense by 80 yards, and his 65 pass completions are nine more than his nearest rivals, Joe Caldwell of Army and Pete Hall of Marquette, according to official NCAA statistics released today.

There still is a tight race for punting honors. Joe Zuger of Arizona State took over the top spot last week, with a season's average of 50.3 yards, two yards more than Darrell Harper of Michigan.

The wider goal post cross bar has been a tonic to the field goal kickers. Wake Forest has won three games via that method. The two - point - after - touchdown tries are running 19 per cent behind last year. Wendell Harris of LSU tops the field goal booters with four.

Greatest gain of the week in individual offense was made by Iowa's Olen Treadway, who jumped from 42nd to 8th in total offense and from 21st to 4th in passing by completing 26 of 41 tosses for 304 yards against Wisconsin.

Fight Last Night

FULL SPEED AHEAD IN THE RAVINE— Earth movers and bulldozers rush work in Chavez Ravine clearing the way for the Los Angeles Dodgers baseball park after the U. S. Supreme Court upheld the city's contract with the team. In right foreground is the last house left in the ravine. (AP Wirephoto)

Byrnes, Hilltop Win YM Basketball Games

Bill DuBois, who has just returned from an 18 months stretch in Korea, jumped back into YMCA basketball action last night and paced Byrne Chevrolets to a 61-45 romp over Jim's Atlantic in a Minor A contest.

DuBois potted eight baskets and was three for three from the line for 19 points. Short potted 15, Houghtaling 12 and Hart 11 for the winners. VanWagenen (12) and Hilton (11) led the losers.

In the companion game, Hilltop trounced the Mixers, 65-53, as Dunn pumped 20 points and Smith hit 19. Neil Bonacci of the Mixers was the scoring leader in the Minor AA contest with 25 points.

The scores:

Mixers (53)	G	FP	PF	T
Crowley	4	0- 1	3	8
Cummings	1	0- 2	2	2

Football Briefs

SYRACUSE, N. Y. (AP) — The Orange football squad, expecting a strong, outside running attack from West Virginia, Saturday, is working hard on defensive measures.

After Tuesday's drill, Gerry Skonieczski, a senior end from Binghamton, was named co-captain for the West Virginia game. He will share the post with Ger Schwedes, a regular captain of the unbeaten Orange.

ITHACA, N. Y. (AP)—Cornell's first and second string fullbacks are running well in practice sessions for Saturday's football meeting with the Princeton Tigers at Princeton.

Phil Taylor and George Ekstrom displayed their speed Tuesday as the two units practiced offensive and defensive formations to combat Princeton's single-wing attack.

WHAT CHANCE? — Seven-foot-two Wilt Chamberlain measures up with another National Basketball Association recruit, five-eleven Alan Seiden, to give you a rough idea of what even the taller professionals are spotting him. Chamberlain joined the Philadelphia Warriors, Seiden decided on the St. Louis Hawks.

Hard Nosed Kids Make Syracuse Grid Powerhouse

BY THE ASSOCIATED PRESS

SYRACUSE, N. Y. (AP)—"Hard-nosed kids who love to hit" make up what may be the best squad in Syracuse University's football history.

On them, fans of the Orange are placing their hopes for vindication after three straight, post-season bowl defeats.

The "hard-nosed" tag was affixed affectionately Tuesday by Syracuse Coach Ben Schwartzwalder, who was seen actually smiling about his undefeated team.

But talk of a possible bowl game sent him to cover—sixth ranked Syracuse still must get by West Virginia, Pittsburgh and Penn State.

Last New Year's Day, Oklahoma rolled over Syracuse, 21-6 in the Orange Bowl.

An imposing, 226-pound line, regarded as one of the nation's best, defends a backfield that has no special star. Behind this line, Syracuse has averaged 34.5 points in four games this fall.

Schwartzwalder calls Art Baker, a 191-pound fullback, the best he's ever coached here. He says 228-pound Roger Davis is his best lineman. Baker is an intercollegiate wrestling champion.

In Ernie Davis, a 6-2, 205-pound sophomore halfback, the coach sees another Jim Brown.

Sheer power and a ground game that crunches forward in five-yard segments is the key to the Orange attack.

But occasionally, sophomore quarterbacks Dave Sarette and Dick Easterly will pass to get beyond the eight and nine-man lines that often face them.

While the Syracuse defense has held Kansas, Maryland, Navy and Holy Cross to a total of only 33 points this season, the Orange, with one exception, has faced only one first-rate passer. He was Navy's Joe Tranchini.

West Virginia, coming up Saturday, is fired by its 23-15 upset of Pittsburgh last week and can be expected to menace in the air.

Rodriguez Pick Over Ike Logart

MIAMI BEACH, Fla. (AP) — Luis Rodriguez, the Cuban welterweight whose technique of pouring on the punches has brought him undefeated through his last 24 fights, is a 2-1 favorite to lick Isaac Logart in their 10 round bout tonight.

The 22-year-old Rodriguez, sixth among welters, beat the No. 2 contender, Rudell Stitch, and former champion Virgil Akins earlier this year. The 10th ranked Logart, defeated in his last three fights, has a 55-13-7 record.

Both men are natives of Camaguey, Cuba, but Rodriguez now lives in Havana and Logart in New York. Rodriguez, who throws an unusual number of punches per round, holds the Cuban welterweight title.

The fight at Miami Beach Auditorium will be telecast nationally over ABC starting at 9 p. m. (EST).

Mior League

Baseball's first minor league, the International League, was formed in 1877, just one year after formation of the National League.

J. D. Smith and Matson Press Brown for Rushing Honors

PHILADELPHIA (AP)—For the second straight week Cleveland's Jimmy Brown leads the National Football League in rushing but J. D. Smith of San Francisco is pressing him for the top spot, statistics released today showed.

Brown has picked up 437 yards on 101 carries for a four-game average of 4.3 compared to Smith's 410 yards in 78 tries for a 5.3 average. Ollie Matson of Los Angeles is third with 403 yards on 66 carries good for a 6.1 average.

Quarterback Ralph Guglielmi of Washington leads the passers for the second week in a row with 21 completions out of 45 attempts for 439 yards and a 9.76 average gain.

New York's Chuck Conerly has moved into the No. 2 spot with 656 yards on 47 completions out of 79 tries for a 8.30 average. Standings are based on average gain per pass attempted.

Woodley Lewis of the Chicago Cardinals continues to enjoy a big bulge as the best pass receiver. His 21 catches have netted him 397 yards and two touchdowns. Second is Frank Gifford of New York with 20 catches and 301 yards.

In the scoring department Tommy McDonald of Philadelphia dropped from first to third, giving way to Tom Davis of San Francisco and Bobby Layne of Pittsburgh. Davis has 34 points, Layne has 31 points and McDonald has 30.

Hornbeck Predicts Topnotch Bird Season in Ulster Area

A total of 1,623 pheasants have been released in Ulster County since May and the game bird species should be plentiful in the area, Frank Hornbeck, game chairman of the Federated Sportsmen's Clubs of Ulster County, reported today.

Hornbeck said information supplied him by District Game Manager Warren McKeon indicated 245 breeders were released in May; 770 eight-week olds in July; 308 twelve-week olds in August and 300 adult birds in October.

"These birds are mostly all hens, but this program has been in effect for years," said Hornbeck. "In other words," he continued, "it should be paying off by now."

Through the Ulster County Enabling Act, the Federation was able to distribute through the county, said Hornbeck: 200 mixed birds raised by 4-H Club members, 250 ten-week old birds which were released by 10 member clubs in June and 312 cock birds that were distributed by 27 member clubs of the Federation in October.

"There are quite a few clubs in the county, such as East Kingston, which stocked 250 birds," said Hornbeck. He also listed Wawarsing, Marbletown, Saugerties and others.

Hornbeck warned members: "Don't forget to respect the landowner. Without him you would have no place to hunt...

Streamliners Share Lead With Fireballs

The results in the YMCA Cadet floor hockey league yesterday follow: Streamliners 2, Falcons 0; Fireballs 8, Rangers 0; Knicks 4, Tigers 0.

Jack Baltz flipped a buzzer shot at game's end to preserve the Streamliners' second straight win. He scored two goals, as did Joe Rugar, Tony David, John David, Larry Short, Bob Elliott and Omar Leighton.

Streamliners and Fireballs are tied for the league lead with 2-0 records. Knicks are 1-0, Rangers 0-1, Tigers and Falcons, 0-2.

Fisk Will Head Ulster League

Harley Fisk, former Cornell University varsity cager was elected president of the Town of Ulster basketball league at the organizational meeting Monday.

Other officers named were: Chester Androvich, vice president; Jack Connell, treasurer and Al Bruce secretary. The league is for boys between the ages of 8 and 12 and first official games are scheduled on Nov. 16.

The next general meeting for coaches and managers will be held Nov. 2 at the Spring Lake Fire Co. house at 7:30 p. m. Sponsores for the program are Van's Washer Service, Ted's Neighborhood Market, Bob Pardee's Recreation Center and Spring Lake Fire Co. Four additional sponsors are needed.

Forty four boys have applied for the league. It was voted that all players must be used at least one half of each contest. Games will be played at the Chambers School gym. All candidates are invited to the tryouts on Nov. 9.

Big Lead

Largest lead ever recorded in a major league baseball pennant race was 27½ games. This was accomplished by the 1902 Pittsburgh Pirates, managed by Fred Clarke. The team won 103 and lost 36 that season.

GIANT ON THE BALL

Iowa State Has Million Bucks All in Nichols

By JACK CLARY
Associated Press Sports Writer

One hundred, sixty-five pounds of Nichols has added up to a fortune in football talent for Iowa State and is paying off in the Cyclone's first winning season in a decade.

The investment is Dwight (Moe) Nichols, a 5-foot 10, 165-pound halfback from Knoxville, Iowa who has been one of the nation's offensive standouts the past two seasons, in addition to leading the Big Eight in total offense.

Nichols, who spent 44 months in the Navy before enrolling at Iowa State, plays tailback in Coach Clay Stapleton's single wing offense that has rolled to a 4-1 record.

With help from fullback Tom Watkins, he is rewriting the school's offense records. Nichols is fifth nationally in total offense with 674 yards and 10th in rushing with 347 yards in 100 carries. Watkins, a perfect foil for his running mate's all-around offensive talent, is second in rushing with 457 yards in 80 rushes.

But it is Nichols who is carrying the brunt of the offensive load. He is fourth in passing in the Big Eight with 327 yards, completing 25 of 43 attempts. His chief receiver is Don Webb, who leads the conference in pass completions with 15 and is second in yardage with 177.

Both Nichols and Watkins are tied in scoring with 30 points on five touchdowns.

Both Clemson and South Carolina Tuesday went through their final workouts prior to Thursday's state fair game. Clemson will have all hands in top shape for the first time this year.

Dave Ash moved to the No. 1 center post at Illinois with Stan Yukevich dropping to the second team. Allen Schoonover took over at one of the end spots at Wisconsin for the injured Jim Homes.

Notre Dame Coach Joe Kuharich moved halfback Pat Doyle to the fullback post, where he alternated with soph Joe Perkowski. The first three fullbacks are on the injured list.

The merry madcaps of matdom come to town tonight, with an Australian tag-team feature headlining Promoter Ted Bayly's extravaganza at the municipal auditorium. First bout is scheduled at 8:30 p. m.

Mark Lewin, 228, Buffalo, and Don Curtis, 235, St. Louis, are paired against The Shiek of Araby, 235, and Irish (Skull) Murphy, 240, Dublin, in the best-of-three falls feature.

Pete Sanchez, 220, Mexico City, meets Paul de Galles, 218, of Paris, France, in a 30-minute time limit, one-fall bout.

The opening match brings together Arnold Skoaland, 210, White Plains, and Angelo Savoldi, 220, Hoboken, in a 30-minute exhibition.

Troy Booters Check Sports Club's Streak

Troy Soccer Club handed the Kingston Sports Club first Central New York State Soccer League setback, a 5 to 1 defeat at R. P. I. soccer field in Troy.

The Trojans scored three times within 40 minutes to lead 3-0 at the half. Troy's fourth goal came at the 62 minute mark and the fifth was registered by its brilliant halfback, Austin, after 80 minutes of playing.

Kingston escaped a shutout when Horvath, the inside left, broke the ice by placing a penalty goal. A rain storm and high winds buffeted the players throughout the day. Froehlich, the Kingston goalie, played a superb game.

The Sports Club plays at Poughkeepsie next Sunday.

The lineups:

G	Froehlich	Kendall
RB	Waltzzer	Brant
LB	Benzenhoefer	Maschenski
RHB	Bruckner	Chamber
CHB	Vizvary	Austin
LHB	F. DiBella	Maris
OR	A. DiBella	Leuft
IR	Graves	Ma[illegible]h
C	Wolf	Csabi
IL	Horvath	Raua
OL	Dirks	Riehs

Reserves: Peterson, Becker, Schlichting, Leudke, Roe Di Odnati. Referee: Rolf Mueller.

East Lansing, Mich. — (NEA) —Five players on the Michigan State football team are predental majors.

Clinton Pharmacy 1; Friendly Acres Motel 4, Pride Cleaners 0; B'nai B'rith 4, Van Winkle Bedding 0.

* * *

DOUG HARVEY'S 516, via 164, 179, 173 was the only five-hundred series in the Federation International. Bill Nickerson shot a 200 solo; team results: First Baptist One 2, Immanuel Lutheran One 1; Redeemer Lutheran 2, Immanuel Lutheran Two 1; Trinity Lutheran Three 2, Baptist Two 1.

* * *

PERCY RUSSELL took all the marbles in the Ferraro Booster circuit with 197-203-184 for 584. Harry Wiands rolled 529, Harold Rockwell 505, Ike Forster 503, Frank Short 539, Jim Secreto 526, Jerry Igoe 208-512, Jack Hogan 503, Don Herdman 202-513, Ray Fuller 200, Allen Tobiassen 517, Bill Beckert 501, Ray Ashdown 212-557; team results: Ulster Engineering 0, Royal Tire Service 3, King. Orn. Iron Co. 1, Cen. Hudson Subs 2; Trailer Haven 2, Gov. Clinton Mkt. 1; Paul & Kay Motel 2, Tranquillty Farms 1; Schaefer Beer 2, Zachers Insurance 1; Stage Rest 0, Rett Williams Texaco 3; Beckert's Trucking 2, Central Hudson Com, 1 1.

* * *

ART BOYCE led the IBM Senecas circuit on a 548 series built on games of 181, 162, 205. Preston De Witt posted 515, Ted Beland 540, Bill Radcliffe 532, Ralph DePolo 202-544, Bruce Hinkley 546, Dwain Francom 513, Hank Enders 525, Don Stine 526, Tom Silk 212-526, Al Brocco 213-517, Brian Silk 520, Don Field 528, Bob Ohlson 534, Charlie King 516, Walt Lewis 207-504, Vince Smedes 535, Roy Casella 507, Dick Hill 209-517, Ed Boscherini 505, Mert Germain 505; team results: Blackbirds 1, Crows 2; Eagles 3, Robins 0; Hawks 3, Buzzards 0; Ravens 2, Falcons 1; Redwings 1, Gulls 2.

* * *

HAROLD QUICK mixed games of 213, 210 and 145 for 568 in the Frontier League. Charles Colao shot 527, Fred Weber 513, Frank Barringer 556, John Vines 201-202-560, Bert Davis 515, Ken Weatherwax 530, Irv Eyles 203-548, Vince Provenzano 205-562, Jim Shier 560, Evie Van Buskirk 200-507; team results: Carpenters Local 1175 (2), Aiello's Rest 1; Rice 2, Spring Lakers 1; Lincoln Park Inn 1, Rondout National Bank 2; Kelly's Keglers 0, Mike's Diner 3.

* * *

DUKE WALSH posted the No. 1 series in the IBM Ontario with 590 on lines of 160, 175 and 255 (high solo in local leagues last night). Bill Rudman fired 208-529, Al Hahn 529, Jim O'Brien 521, Jim Gunther 205-530, Hubert Ickes 540, Ed LaHaye 209-522, Tom McGrane 503; team results: Mohicans 0, Navajos 3; Mohawks 1, Apaches 2; Huron 2, Sioux 1.

Robbins Choice In Seniors Golf

PINEHURST, N.C. (AP) —Long Tom Robbins of Pinehurst loomed as the man to beat in the North and South Seniors Golf Tournament which moved into its second round today.

The 66-year-old missed by only three strokes shooting his age as he won a brilliantly played first round match Tuesday from James McAlvin of Lake Forest, Ill., 3 and 1.

Robbins, 1956 winner of the tournament and the 1958 U.S. Golf Assn. senior champion, weathered a late birdie flurry to close out McAlvin with a birdie of his own on the short 17th hole. He played out the final hole for exercise and added a par to finish the round three under with a sparkling 69.

That performance and the 1-up defeat of medalist Allen Rankin of Columbus, Ohio, by Paul Dunkel of Hackensack, N. J., were the first day features.

Record $44,500 Purse In Los Angeles Open

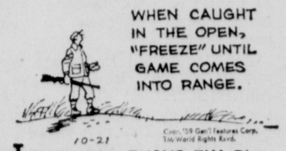
LOS ANGELES (AP) — The 34th annual Los Angeles Open Golf Tournament Jan. 7-11 will be played for a purse of $44,500, highest in its history.

The previous high was $40,000 last January. The tournament will be played again at the Rancho Municipal course in West Los Angeles.

Announcement of the prize money was made today by Chairman Don Selten of the sponsoring Los Angeles Junior Chamber of Commerce.

SPORTSMAN'S DIGEST By hal sharp

GAME UNALARMED BY FROZEN HUNTER



I HAVE HAD DUCKS FLY DIRECTLY OVERHEAD AND DEER PASS WITHIN TEN YARDS BY JUST REMAINING STILL AS THEY APPROACHED.

MOST GAME IS NOT ALARMED BY AN INACTIVE FIGURE--UNLESS DANGER IS SCENTED.

SOME DUCK HUNTERS SIT IN FRONT OF A "BLIND" WHICH MAY BE A ROCK PILE THEIR CLOTHING BLENDS WITH.

STANDING HUNTERS MAY HAVE JUST A TREE TRUNK BEHIND THEM WHILE AWAITING DEER TO PASS. IF NOTHING ELSE, "FREEZE" LIKE A TREE TRUNK WHEN YOU HEAR GAME COMING.

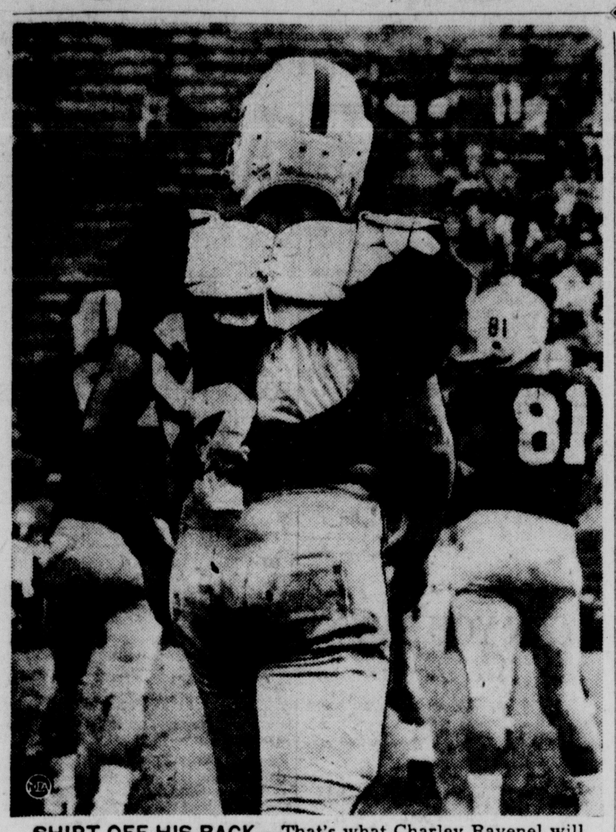
Northwestern and Syracuse Top Football Picks Saturday



SHIRT OFF HIS BACK—That's what Charley Ravenel will give for Harvard any Saturday afternoon. You can't tell the Crimson quarterback even with a scorecard as he heads back to the huddle literally coming apart at the seams.

By HAROLD CLAASSEN
Associated Press Sports Writer

NEW YORK (AP) — Why did they increase the width between the goal posts in college football?

Well, the reason is that certain wide-beamed forecasts should be booted out of the end zone because they were unable to predict that Ohio State would handle Purdue and that Pittsburgh would be handled by West Virginia last weekend.

Sailing between the posts with the greatest of squeeze, here are this week's winners, with the understanding that the forecasts are no better than a week end ago when the average was .708 on 34 winners in 48 decisions:

Louisiana State over Florida: The Bayou Bengals rarely do more than they have to, but the formula seems to work. So the pick is Billy Cannon & Co. again.

Northwestern Over Notre Dame: One of these days this Notre Dame team will jell and make everyone look silly—including the foe on the field. But not this weekend.

Texas over Rice: This is pure suicide. But one must stay with that Texas speed in the line and Rene Ramirez.

Mississippi over Arkansas: Our Memphis operator says these two teams are as good as any in the country, but that Bobby Franklin makes the Rebels the choice.

Southern California over Stanford: The Trojan blockers hit like a wooden horse.

Syracuse Picked

Syracuse over West Virginia: The Mountaineers' season ended with that victory over Pittsburgh.

Auburn over Miami: With relative ease.

Penn State over Illinois: Only because the Big Ten team is concentrating on its conference problems.

Georgia Tech over Tulane: Two surprise teams. Tech surprised by being better than expected, Tulane by being below par.

Oregon over Washington: Because the Webfoots handled the Air Force with such ease.

Wisconsin over Ohio State: Dale Hackbart has the benefit of the home crowd in stopping the Buckeyes.

Purdue over Iowa: But it will be close.

Texas Christian over Pittsburgh: The only explanation seems to be that the steel strike seems to trouble the Panthers.

Clemson over the South Carolina: The last of these Thursday afternoon state fair tea-parties winds up as a Clemson triumph.

Yale over Colgate: The Bulldogs haven't been scored upon and Colage hasn't won this season.

Oklahoma over Kansas: Hardly a man is now alive who remembers that famous day and year when Oklahoma lost a Big Eight game.

TALL CORNERS

Detroit—(NEA)—Five members of the 1959 Detroit Lions are products of Iowa universities. Jim Doran and Stan Campbell played for Iowa State and Jerry Reichow, Jim Gibbons and Alex Karras for Iowa.

Moore Kayoes Neil in First

LONDON (AP)—World featherweight champion Davey Moore took just 2 minutes, 55 seconds to batter Bobby Neill, British titleholder, to a humiliating defeat Tuesday night.

With barely a bead of sweat on his body after the fight, the 26-year-old champion from Springfield Ohio, said:

"Boy, I wish they all were like that. I caught him right on the button."

It wasn't Moore's fastest victory though. He beat "Bird" Marino in 2 minutes 28 seconds.

Neill, 26, who made three comebacks after suffering crippling injuries in road accidents and a broken jaw in a fight had no time to show anything but courage.

Four times he smashed to the canvas only to hoist himself painfully back into a battle that was never more than a massacre.

Near tears in his dressing room after Referee Tommy Little mercifully stopped the fight with five seconds of the first round still to go, the plucky little Scot said he had no plans to quit the ring.

BOTH ENDS

Milwaukee — (NEA) — Marquette guard Jim Szarwark went from one extreme to the other in his summer employment. He started as a laborer on a construction gang and wound up as a fashion model.

MR. MAYOR
Are You "Proud" That Our Taxes Have Been Raised Over $3 per thousand?

GOAL-LINE STAND—J. D. Smith tried a headlong dive to score from the one-yard line in Detroit, but the Lions stopped the 49ers' fullback one foot from pay dirt. The home club's defense wasn't always as strong, however, and San Francisco rushed and passed to victory.

Tebbetts Prefers Armchair

Illinois Guard Lineman of Week

By TED MEIER

It's a rarity when sports writers at a football game peg their stories on a lineman. To achieve such a distinction the usually unsung boy up front has to do something extraordinary.

Bill Burrell, Illinois guard, hit the headlines in spectacular fashion last Saturday against Minnesota. His sterling play against the Gophers brought him added recognition today as lineman of the week in the Associated Press poll.

Burrell made 16 tackles, recovered a fumble and stole a pass in a 14-6 triumph over Minnesota.

The 207-pound Negro captain of the Illini from Clifton, Ill., recovered a Minnesota fumble at midfield in the second quarter to start his team's first scoring drive.

Another guard, Bill Davis of Wichita, gained honor as the Missouri Valley Conference lineman of the week for his play that helped the shockers gain a 28-28 tie with Cincinnati. Davis made seven unassisted tackles and intercepted a pass.

A couple of ends—Lee Folkins of the University of Washington and George Van Vliet of Southern California — were honored for their play in the same game.

Folkins was named the Big Five's lineman of the week. He played nearly the whole game against the victorious Trojans. He caught four passes good for 52 yards and was a standout on defense. Vliet made seven tackles, recovered a fumble which led to Southern Cal's first touchdown and caught a pass for a 2-point conversion in a 22-15 triumph.

Ken Rice, Auburn tackle, led the 74-yard drive that led to a 7-6 surprise that knocked Georgia Tech out of the unbeaten ranks. The 250 - pounder constantly opened the holes for Auburn.

Braves General Manager Wants No Field Role

By DAVE O'HARA
Associated Press Sports Writer

MILWAUKEE, Wis. (AP)—Birdie Tebbetts, a fiery field leader who wanted to move up, said today he likes his job as executive vice president of the Milwaukee Braves and his crystal ball doesn't show any return to uniform as a manager.

"I made my decision to get out of managing a year ago," Tebbetts told The Assbciated Press. "I said at the time I took this job I had no desire to manage and nothing has happened to change my mind."

The former American League catcher and Cincinnati manager added, however, that "something could happen to change my mind because I don't have the power to look into the future."

Tebbetts was reached after an informed source said in New York Tuesday that he is Milwaukee owner Lou Perini's personal choice to succeed Fred Haney and very likely will be drafted to manage the Braves in 1960.

"My name has never come up in all the discussions between Mr. Pereini, (general manager) John Mc Hale and myself," the 47-year-old club executive said. "Lou has never approached me. He knows my feelings."

Pressure From Perini

According to the source, Perini has been using his best salesmanship to try and convince Tebbetts that a move from the front office back to the field would benefit the club.

Tebbetts said that he and Mc Hale have discussed several managerial possibilities, but emphasized that "no one has been contacted."

"The reason it has taken so long is that it's a big job," he said. "No decision has been reached. In fact, we haven't narrowed down to one man as a choice."

According to the informant, Perini gave serious consideration to only two other possibilities—Leo Durocher and Charlie Dressen. Should the reluctant Tebbetts convince Perini he is more valuable in the brass division, Dressen is reported next in line.

BELOW PAR

Detroit—(NEA)—The Detroit Lions gained 1,869 yards passing during the 1958 season, the first time since 1946 that their passing yardage had been below 2,000 yards.

ONE THAT COUNTS

Bloomington, Ind.—(NEA)—Ellis Dickens, wife of Indiana Coach Phil Dickens, has trained their parakeet to chant, "Beat Purdue! Beat Purdue!"

Army's Hunter At Cage Clinic

George Hunter, basketball coach at the U. S. Military Academy, will be guest lecturer at the 8th annual Hudson Valley basketball clinic at the Poughkeepsie YMCA, Monday, Oct. 26, at 7:45 p. m.

Hunter, one of the outstanding young coaches in the country, will use a college team and another top aggregation in his demonstrations.

New rules will be interpreted and demonstrated. Several Hudson valley referees will assist in this part of the program. The free clinic is for coaches, players and fans.

Mcklyo Bounces Back With Win

By THE ASSOCIATED PRESS

A two-month vacation from the track was just what the pacer C. J. Mcklyo needed.

The 6-year-old gelding won by a neck in the featured pace at Roosevelt Raceway Tuesday night, his first appearance after a long layoff. His time for the mile was 2:05 1-5 and he paid $6.30. It was his fifth victory in 10 starts this season. Sunny Byrd was second, Van Hanover third.

Cash Adios took the featured pace at Buffalo Raceway with a 2:06 2-5 mile, beating Casa Chico and Ensign Dillon, in that order. The winner paid $8.30.

For 1960-Mercury announces important price reductions on every model!

THIS POPULAR MERCURY MONTEREY,* FOR EXAMPLE, IS NOW PRICED $136.50 LOWER THAN LAST YEAR

*Based on manufacturer's suggested delivered price for a Monterey 2-door Sedan, 1960 v. 1959.

1960 Mercury Monterey 2-door Sedan with deluxe interior and complete carpeting at no extra cost.

NOW THIS MERCURY MONTEREY DELIVERS FOR ONLY $72 MORE THAN "LOW-PRICE NAME" CARS WITH THE SAME EQUIPMENT.**

The new lower Mercury prices now make it possible for you to own this truly beautiful car for practically the same amount of money you would pay for a car with a low-price name.

And we mean price comparisons using the same body style, equipped the same way—with typical equipment most drivers want (such as radio, heater, and automatic transmission).

Remember, this exciting price news applies to America's best-built car—now your best buy, too.

**Based on manufacturer's suggested delivered price for a 1960 Mercury Monterey 2-door Sedan v. comparable 1960 model of popular "low-price name" car, both with automatic transmission, heater and defroster, radio, white sidewall tires, air cleaner, oil filter, power-assisted wipers, wheel covers and electric clock; also includes Federal excise tax, suggested dealer preparation and handling charges.

DON'T BUY ANY CAR UNTIL YOU'VE DRIVEN THE ROAD-TUNED 1960 MERCURY!

See it now at Quality Headquarters... your Mercury Dealer

Northern New York — Sunny cool and breezy this afternoon, high temperatures near 40 extreme north to around 50 in southeastern counties. Fair and quite cool tonight, low temperatures mostly in 20s colder in a few valleys.

Nautilus Damage Was Intentional, CommandantSays

PORTSMOUTH, N. H. (AP) — Damage, "apparently intentional," to the nuclear submarine Nautilus is under investigation today at the Portsmouth naval shipyard where the world's first atomic-powered vessel is being overhauled.

Capt. Carl A. Johnson, acting shipyard commandant, who so described the damage, said it appeared limited to electrical cables.

The Navy in Washington said the damage "does not extend to the nuclear reactor plant."

The Nautilus came to Portsmouth July 26 for an extensive overhaul. The damage was discovered Oct. 15.

Last year the Nautilus voyaged beneath the North Polar ice cap and also set an Atlantic underwater crossing record of six days, 11 hours and 59 minutes.

RECOGNIZED FOR 30-YEARS SERVICE—Benjamin E. Sherman (center) of this city receives congratulations from Wakeman Gardiner, (left) manager of the Kingston office of Metropolitan Life Insurance Company, and Peter Kowalemko, insurance consultant of the firm at a celebration honoring Sherman's 30th anniversary. The event was held at the Metropolitan Life offices recently. Sherman, a native of this city, is highly regarded in the life insurance field and is an outstanding underwriter. During his 30 years, he has received qualifications in nearly every Leaders Club the company has, and rendered service in the field of estate planning and business insurance, and in accident and sickness insurance field. Three Men Hurt In Ridge Crash

Three persons were admitted to Veterans Memorial Hospital, Ellenville, Tuesday afternoon following a two-car collision on Route 209 in Stone Ridge.

They are:

Yetta Kaufman, the Bronx, contusions of the right lower leg.

Sol Kaufman, the Bronx, contusions of the scalp, multiple abrasions and other possible injuries.

Sadie Ellman, Far Rockaway, contusions of the lower left leg.

The Ulster County sheriff's office reported that cars involved in the collision were a 1952 sedan operated by Thomas Grier, 72, of Stone Ridge, and a 1957 sedan, operated by Jacob Ellman, 39, of Far Rockaway.

Deputy Sheriffs Arthur Roland and Arthur Smith said Grier was proceeding south on Route 209 about 3 p. m. when he made a left turn into a parking area at the Marbletown Town Hall in front of the Ellman car. All injured persons were in the Ellman vehicle.

Warming Trend Due; Cooler Again Sunday

ALBANY, N. Y. (AP) — Here are the extended weather forecasts for New York State, prepared by the U. S. Weather Bureau, for the period from 7 p. m. today to 7 p. m. Monday:

Eastern New York — A bit warmer period is expected, with temperatures averaging around seasonal levels, and rainfall up to ½ inch. Warming trend beginning Thursday, followed by showers or rain Thursday night and Friday. Cooler again by Sunday and another rain period likely early next week.

Western New York — Seasonable weather is indicated. Temperatures are expected to average near normal. Fair and warmer Thursday, showers Friday, probably ending Saturday. Partial clearing and cooler Sunday. Another rain period likely around Monday. An average of around ½ inch of rain is expected.

Temperature Normals — Normal temperatures over Upstate New York now range from overnight lows in the upper 30s and low 40s, to afternoon highs in the middle 50s to the low 60s.

Now you Know!
The answers to everyday insurance problems*
by
HERMAN J. EATON, C.L.U.

QUESTION: When a car hits a house does the driver's Property Damage insurance pay for damage to the house? Is there any insurance the home owner can get which covers this damage to his house?

ANSWER: Yes, to both questions —and if the home owner had almost any form of Extended Coverage insurance added to his Fire insurance policy he would be protected.

* If you'll address your own insurance questions to this office we'll try to give you the correct answers and there will be NO CHARGE or OBLIGATION OF ANY KIND.
